*Conjoined Twins* Christine Quigley,2015-09-17 When two human ova fail to fully separate during pregnancy the result is conjoined twins The twins may be connected by ligament bone or just flesh and they often share organs but what captures most people s interest is whether the twins share sensations thoughts and even souls This encyclopedia presents entries on conjoined twins throughout history the biological causes and effects of twins being born conjoined and ethical issues such as self support and separation surgery It also includes entries on the modern standardized terminology used when discussing conjoined twins the categories into which conjoined twins have been sorted doctors past and present who have performed separation surgeries and hospitals such as Children s Hospital of Philadelphia that are known for the separation of conjoined twins This book even covers fraudulent conjoined twins and fictional ones in books written by such authors as Mark Twain Vladimir Nabakov and Katherine Dunn Other entries cover relevant films websites and institutions

*Model Minority Masochism* Takeo Rivera,2022 There are few grand narratives that loom over Asian Americans more than the model minority While many Asian Americanist scholars and activists are quick to disprove the model minority as myth author Takeo Rivera instead rethinks the model minority as cultural politics Rather than disproving the model minority Rivera instead argues that Asian Americans have formulated their racial and gendered subjectivities in relation to the model minority relation that Rivera terms model minority masochism With specific attention to hegemonic

masculine Asian American cultural production Rivera details two complementary forms of contemporary racial masochism a self subjugating masochism which embraces the model minority and its opposite a self flagellating masochism that punishes oneself for having been associated with the model minority at all      Writing Between Cultures Holly E. Martin, 2011-10-14 Hybrid narrative forms are used frequently by authors exploring or living in multicultural societies as a method of reflecting multicultural lives This timely book examines this rhetorical strategy which permits an author to bridge cultures via literary technique Strategies covered include multilingualism magical realism ironic humor the use of mythological figures from the characters heritage cultures and the presentation of different perspectives on landscapes and other spaces as related to ethnicity By investigating elements of ethnic literature comparatively this book reaches beyond the boundaries of any one ethnic group a vital quality in today's world      *Directory of Chinese Personal Names in Bangkok* United States.
