Crafting Peace in Kashmir Verghese Koithara,2004-08-30 Presenting a completely new perspective on the Kashmir conflict this book argues that resolving the situation can be brought about through a peace strategy rather than a war strategy Through an analysis of the conflicts in Northern Ireland Sri Lanka and Palestine the author draws parallels between the India Pakistan conflict He also presents reasons why a durable peace based on the Line of Control becoming the settled border and the two parts of Jammu and Kashmir being given parallel and substantial autonomy can be achieved in today s conditions The book concludes that peace between India and Pakistan is possible based on political realism and that strategic solutions that safeguard the interests of both countries are available

Conflicted are the Peacemakers Eric N. Budd,2012-12-20 The 1993 Oslo Accords were a key attempt to resolve the Palestinian Israeli conflict whose failure was largely attributed to extremists on both sides The book challenges this conventional wisdom by examining the role of Israeli and Palestinian peacemakers themselves in derailing the peace process Looking at the role of moderates before and after Oslo the different agreements and peace proposals they negotiated and their rhetoric the book shows that these peacemakers retained an inherent ambivalence toward the peace process and one another This prevented them and their constituents from committing to the process and achieving a lasting peace This unique survey shows how the people who drive the peace process can not only undermine it but also prevent its successful conclusion By dealing with such an important aspect of negotiation the book will foster a better understanding of the role of moderates and why peace

processes may falter It will fill a gap in the literature and be a valuable research tool for anyone studying conflict processes the Arab Israeli conflict and Middle East politics Contemporary Persian Gulf P.R. Kumaraswamy,Md. Muddassir Quamar,2018-02-13 Since the outbreak of the Arab Spring the Middle East is going through a turbulent phase as violence internal conflicts and civil wars are ravaging a number of countries Even relatively stable Gulf monarchies are not untouched by the impact of popular demand for change For India the Persian Gulf is an extended neighbourhood and the region of vital importance receives scant attention In the light of the Arab Spring Iranian nuclear deal and the rise of ISIS it has become impossible for India to be indifferent to the changing internal dynamics Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Iran's Foreign Policy After the Nuclear Agreement** Farhad Rezaei,2018-05-22 The book offers the first systematic account of Iran s foreign policy following the nuclear agreement JCPOA of July 14 2015 The author evaluates in what ways the JCPOA in conjunction with the dramatic changes taking shape in the international order have affected Iran s foreign policy Known as Normalizers the moderate leadership under President Hassan Rouhani had planned to normalize Iran s foreign relations by curtailing terrorism and reintegrate Iran into the community of nations Their hardline opponents the Principalists rejected the JCPOA as a tool of subjection to the West and insisted on exporting the Islamist revolution a source of much destabilization and terror in the region and beyond The project also analyzes the struggle between Normalizers and their hardline opponents with regards to global and regional issues and Iran s foreign policy towards global powers including the U S Russia EU and regional countries including Iraq Syria Israel Saudi Arabia and Turkey **Security Communities and their Neighbours** A. Bellamy,2004-08-31 Does the proliferation of security communities around the world presage a new era of competition between regions or an era of intensified global integration This important new study assesses the relationship between security communities and their neighbours and asks whether processes of regional integration will contribute to a global clash of civilizations Drawing on four detailed case studies Western Europe Southeast Asia the Persian Gulf and North America Alex J Bellamy argues that the more mature a security community becomes the less likely it is to become a regional fortress **Index Islamicus** ,2001 **Turkey's Relations with Iran, Syria, Israel, and Russia, 1991-2000** Robert W.
