Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West

Francesco Palermo, Sara Parolari

Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West:

The Changing Faces of Federalism Sergio Ortino, Mitja Zagar, Vojtech Mastny, 2005 This book discusses the tradition and the institutions of federalism in the Eastern Central and Western European countries and deals with many innovative issues such as multi level governance network government devolution subsidiarity asymmetry and functionalism An assumption of the book is that the European enlargement and the new European constitution could result in two major evolutions in the future one is a full federal state the other is an institutional response to the effects of the technological innovations of our epoch

Comparative Federalism in Asia Baogang He, Michael G. Breen, Laura Allison-Reumann, 2023-06-23 He Breen and Allison Reumann combine qualitative and quantitative research to compare the successes and failures of attempts at federalism in Asian countries Federalism is an increasingly common approach to improving governance and resolving ethnic conflict in Asia However Asian federalism faces three thorny problems First the ethnic federalism paradigm dominates political and intellectual life rendering political compromise difficult and creating an obstacle to establishing or improving federalism in Asia Second religious fundamentalism and secular refusal to accommodate religious demands pose an existential threat to federal politics Third a majoritarian democracy is itself a threat to federalism in Asia and the peace and stability that it is meant to underpin Through a truly comparative analysis He Breen and Allison Reumann investigate the potential for a hybrid ethnic approach religious moderation and deliberative democracy to overcome these challenges They analyse cases from across Asia both successes and failures These include countries encompassing the first generation of federalism in Asia India Malaysia and Pakistan and challenges faced by the new emerging and aspiring federal states namely Nepal Myanmar and Sri Lanka They demonstrate how federalism can be achieved through compromise and a continual renegotiation of its underpinning values A vital resource for scholars of political systems in Asia and of federalism more broadly

Routledge Handbook of Regionalism & Federalism John Loughlin, John Kincaid, Wilfried Swenden, 2013-07-18 Almost all states are either federal or regionalized in some sense It is difficult to find a state that is entirely unitary and the Routledge Handbook of Regionalism and Federalism necessarily takes in almost the entire world Both federalism and regionalism have been subjects of a vast academic literature mainly from political science but sometimes also from history economics and geography This cutting edge examination seeks to evaluate the two types of state organization from the perspective of political science producing a work that is analytical rather than simply descriptive The Handbook presents some of the latest theoretical reflections on regionalism and federalism and then moves on to discuss cases of both regionalism and federalism in key countries chosen from the world's macro regions Assembling this wide range of case studies allows the book to present a general picture of current trends in territorial governance The final chapters then examine failed federations such as Czechoslovakia and examples of transnational regionalism the EU NAFTA and the African Union Covering evolving forms of federalism and regionalism in all parts of the world and featuring a comprehensive

range of case studies by leading international scholars this work will be an essential reference source for all students and scholars of international politics comparative politics and international relations *Handbook of Territorial Politics* Klaus Detterbeck, Eve Hepburn, 2018-08-31 The study of territorial politics has enjoyed a renaissance in the last thirty years Scholars have questioned the state centric assumptions upon which mainstream social science has been built pointing to the territorial re distribution of power across and within states This Handbook brings together leading scholars to demonstrate how territory has shaped institutional structures public policies elections political parties and identity across the world Offering theoretical comparative and empirical insights this book provides a comprehensive overview of the impact of territory on modern political economic and social life *Regional Dynamics in Central and Eastern Europe* Francesco Palermo, Sara Parolari, 2013-01-30 This book presents a contemporary broad assessment of the main dilemmas of regional development and regional policy in Central and Eastern Europe considering the influence of internal and external pressures on the regionalization process in this area *Handbook of Fiscal Federalism* E. Ahmad, 2006 This volume provides comprehensive coverage of fiscal federalism by some of the leading scholars in the field This Handbook is an excellent addition to the present discourse on the role of the state in fiscal matters This reviewer would recommend this book as a required text for a graduate or senior class on public finance or economic development Researchers in economic development public finance and fiscal policy likewise would find this volume useful Highly recommended Upper division undergraduate through professional collections J Raman Choice This major Handbook addresses fiscal relations between different levels of government under the general rubric of fiscal federalism providing a review of the latest literature as well as an invaluable guide for practitioners and policy makers seeking informed policy options The contributors include leading lights in the field many of whom have themselves made seminal contributions to the literature Comprehensive and wide in coverage the issues covered range from federal systems to other forms of intergovernmental relations such as supra national constructs namely the European Union unitary states regional systems and more decentralized operations including community level organizations The political economy approach emphasizes the importance of institutional arrangements including the legal political and administrative aspects and information flows to ensure that there are appropriate incentives and sanctions to generate good governance This Handbook also devotes attention to emerging issues such as environmental protection the sharing of natural resources among levels of government corruption and the impact of federalism and decentralization on national unity It will be a vital reference tool for the area for many years to come *Comparing Fiscal Federalism* Alice Valdesalici, Francesco Palermo, 2018-02-27 Comparing Fiscal Federalism investigates intergovernmental financial relations and the current de jure and de facto allocation of financial and fiscal powers in compound states from a comparative and interdisciplinary perspective The volume combines theoretical approaches with case studies and involves scholars from various disciplines in order to provide a comprehensive analysis of different approaches developments and

trends This includes outlining fiscal federalism s basic principles and overall frameworks investigating current constitutional legislative settings and how financial systems function as well as zooming in on a selection of emerging issues in financial and fiscal relations The single chapters are based on comparative investigations under the umbrella of a broad definition of fiscal federalism that includes all varieties of federal systems

The participation of minorities in public life (Science and technique of democracy No. 45) Council of Europe,2011-10-01 Can national minorities participation in decision making processes be achieved in any constitutional context Can developing international standards assist governments in devising national policies What are the challenges if states are to use cultural autonomy to improve minority participation This publication presents The UniDem Seminar on The participation of minorities in public life which took place in Zagreb on 18 and 19 May 2007 discussed ways of answering these topical questions This publication contains the reports presented and discussed at the UniDem Seminar organised by the European Commission for Democracy through law the Venice Commission under the patronage of the President of the Republic of Croatia and in cooperation with the Ministry of Foreign Affairs and European Integration of the Republic of Croatia the University of Zagreb and the University of Glasgow

The Participation of Minorities in Public Life Council of Europe,2011-01-01 Can national minorities participation in decision making processes be achieved in any constitutional context Can developing international standards assist governments in devising national policies What are the challenges if states are to use cultural autonomy to improve minority participation This publication presents The UniDem Seminar on The participation of minorities in public life which took place in Zagreb on 18 and 19 May 2007 discussed ways of answering these topical questions This publication contains the reports presented and discussed at the UniDem Seminar organized by the European Commission for Democracy through law the Venice Commission under the patronage of the President of the Republic of Croatia and in cooperation with the Ministry of Foreign Affairs and European Integration of the Republic of Croatia the University of Zagreb and the University of Glasgow

Castle on a Hill Rick Fawn,2024-12-02 This recasting of modern European history offers new insights into the Visegrad Group s significant role in changing political mind sets and refashioning the continent Rick Fawn has written the first book length account of the Visegrad Group of states which consists of the Czech Republic the Slovak Republic Poland and Hungary Named after Hungary s Visegr d Castle the group s significance includes changing international perceptions of Central Europe since the fall of communism and securing membership in NATO and the European Community It plays an ongoing role today in regional solidarity and politics within the European Union and NATO Castle on a Hill is built on years of uniquely obtained oral and written sources and on the author s sustained engagement in this region Fawn examines Visegrad s origins and major accomplishments and what makes it a unique regional organization In addition to its positive contributions Fawn identifies Visegrad s weaknesses oversteps and missteps including its controversial propulsion to international fame for successfully derailing the European Union s plans to resettle non Europeans during the 2015 migrant

crisis This book also offers insights for the wider study of the phenomenon of regionalism in international relations Castle on a Hill shows how the Visegrad Group has changed Central Europe largely for the better and it will appeal to scholars and policymakers interested in international politics European history and the study of regions and regionalism in international relations *The Ashgate Research Companion to Federalism* Ann Ward, Lee Ward, 2009 This comprehensive research companion examines the theory practice and historical development of the principle of federalism from the ancient period to the contemporary world The scope and range of the volume is unparalleled it will provide the reader with a firm understanding of federalism as issues of federalism promise to play an ever more important role in shaping our world

Positivist and Political-Economic Theories of International Relations Amartya Mukhopadhyay, 2023-10-20 This book provides an introduction to positivist pluralist theories of international relations IR which emerged during the early and mid 1950s along with Marxist political economic and non Marxist economic theories of IR Positivist and Political Economic Theories of International Relations is an in depth critical study of texts and literature which highlight IR s methodological pluralism even after it gained maturity It examines how pluralist political status quo and radical economic criticism coexist in discrete areas of the discipline Insights are provided into key positivist liberal pluralist theories namely decision making approaches and theories of integration regionalism interdependence and regime It discusses the four political economic and critical theories of Marxism dependency world systems and international political economy The book as an advanced supplementary reader will be of great interest to researchers and students of international relations history law and the multidisciplinary social scientific field of political economy *1989* James Mark, Bogdan C. Iacob, Tobias Rupprecht, Ljubica Spaskovska, 2019-08-29 Placing Eastern Europe in a global context this provides new perspectives on the political economic and cultural transformations of the late twentieth century *Introduction to Comparative Public Administration* Sabine Kuhlmann, Hellmut Wollmann, 2014-07-31 This innovative textbook provides an in depth analysis and account of the state of public administration and recent administrative reforms in European countries It introduces key features of public administration in six European countries by *Collective Traumas* Conny Mithander, 2007 Collective Traumas is about the traumatic European history of the 20th century war genocide dictatorship ethnic cleansing and how individuals communities and nations have dealt with their dark past through remembrance historiography and legal settlements Memories and especially collective memories serve as foundations for national identities and are politically charged Regardless whether memory is used to support or to challenge established ideologies it is inevitably subject to political tensions Consequently memory history and amnesia tend to be used and abused for different political and ideological purposes From the perspectives of historical literary and visual studies the essays focus on how the experiences of war and profound conflict have been represented and remembered in different national cultures and communities This volume is a vital contribution to memory studies and trauma theory Collective Traumas is a result of the multidisciplinary research project on Memory

Culture that was initiated in 2002 at Karlstad University Sweden A previous publication with Peter Lang is *Memory Work The Theory and Practice of Memory* 2005

Less than Nations Giuseppe Motta, 2013-12-05 *Less than Nations* Central Eastern European Minorities after WWI represents the result of research that the author has carried over recent years and was facilitated by the 2008 PRIN project Programmi di Ricerca di Rilevante Interesse Nazionale and the 2010 Sapienza Research funds The book analyses the conditions of national minorities after World War I when the geo political map of Central Eastern Europe was redefined by international diplomacy The new settlements were based on the principle of national self determination and were conditioned by the geographic reality of Central Eastern Europe where states and nations rarely coincided As a consequence the minority question emerged as one of the most troublesome issues during the interwar period and affected international relations and the internal conditions of many states The minority question was discussed by historiography and by international observers and became an integral part of the system which was centred around the League of Nations This work begins with the study of the relationships between the states and their minorities and of the international dimension of this question which animated the fight between revisionist and anti revisionist states The documents of the Italian Army s General Staff and of the League of Nations represent the main historical sources of this book which carries out a complete study of the difficult situation of 1918 1920 when the new states annexed many contested regions within their frontiers and of the numerous controversies concerning the application of international treaties and national regulations in relation to the protection of minorities

Constitutional Identity and Constitutionalism in Africa Charles M. Fombad, Nico Steytler, 2024-01-23 In its modern history Africa has experienced different waves of constitutional ordering The latest democratisation wave which began in the 1990s has set the stage over the past decade for what is now a hotly debated issue do recent new or fundamentally revised constitutions truly reflect an African constitutional identity Thoughtfully navigating a contested field this volume brings to the fore a number of foundational questions about African constitutionalism *Constitutional Identity and Constitutionalism in Africa* asks whether the concept of constitutional identity clarifies our understanding of constitutional change in Africa including an exploration of the relationship between constitutional identity and a country s unique culture s and histories Building on this contributions examine the persistent role of colonial heritages in shaping constitutional identity in post Independence African nations and the question of path dependency Given the enduring influence of the colonial experience the volume asks how why and to what end African constitutions must be decolonised to form an authentic constitutional identity This theoretical insight is supplemented and further deepened by detailed case studies of South Africa Ethiopia Cape Verde Cameroon and Egypt and their diverse experience of constitutional continuity and change This volume in the Stellenbosch Handbooks in African Constitutional Law series brings together contributions from established scholars and emerging voices on the study of constitutional processes They provide an urgent critical analysis of existing paradigms concepts and normative ideologies of modern African

constitutionalism in the context of constitutional identity Federalism as Decision-Making Francesco Palermo, Elisabeth Alber, 2015-02-24 Accounting for participation separation of powers and democratic accountability federalism gains momentum in times when traditional democratic legitimacy of institutional decision making is challenged Its ability to include multiple interests makes federalism a means to ensure good governance Based on a multidisciplinary analysis the book tackles the question of whether federalism as a pragmatic governance tool provides answers to current challenges and what those answers are Thirty three leading experts critically examine to what extent federalism serves this purpose in compound states looking at different countries and policies The volume revolves around five sub themes federalism democracy and governance participation mechanisms and procedures policy areas compared institutional innovation and participatory democracy and federalism from theory to governance **Choosing the Language of Transnational Deals**

Patrick L. Del Duca, 2010 This book takes a comparative look at cross border secured lending and commercial dispute resolution It illustrates how parties involved in transactions can effectively structure their business to maximize their control of the language choice in which they deal The book integrates investigations of national legal systems and various international organizations to illustrate the new institutional dynamics through which the languages of transnational commerce and finance are being defined **Russia's Federal Relations** Elena Chebankova, 2009-12-04 The development of centre regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country's subsequent rulers to create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia's federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism

Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the

vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West is one of the best book in our library for free trial. We provide copy of Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West. Where to download Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West online for free? Are you looking for Changing Faces Of Federalism Institutional Reconfiguration In Europe From East To West PDF? This is definitely going to save you time and cash in something you should think about.
