Changing Worlds Can The Church Respond:

Changing Worlds Robin Gill, 2002-10-01 Churches everywhere are experiencing change In his thought provoking book Professor Robin Gill identifies the main challenges facing the church and reflects on how Christians should respond He first studies the immense moral challenges of our rapidly changing world religion and the environment the arms trade including reflection on the global situation since the attack on New York on 11 September 2001 media ethics and the Lambeth Conference and sexual ethics The second part focuses on the changing patterns of churchgoing and addresses anxieties about churchgoing decline in the West which run parallel with claims about rapid church growth elsewhere The third part looks at changes in theological education The author argues for greater honesty in the church and for a judicious use of both theology and sociology which would equip Christians to face the enormous challenges of our world today

How the World's Religions are Responding to Climate Change Robin Globus Veldman, Andrew Szasz, Randolph Haluza-DeLay, 2013-09-11 A growing chorus of voices has suggested that the world's religions may become critical actors as the climate crisis unfolds particularly in light of international paralysis on the issue In recent years many faiths have begun to address climate change and its consequences for human societies especially the world's poor This is the first volume to use social science to examine how religions are helping to address one of the most significant and far reaching challenges of our time While there is a growing literature in theology and ethics about climate change and religion little research has been previously published about the ways in which religious institutions groups and individuals are responding to the problem of climate change Seventeen research driven chapters are written by sociologists anthropologists geographers and other social scientists This book explores what effects religions are having what barriers they are running into or creating and what this means for the global struggle to address climate change

The Oxford History of Anglicanism Anthony Milton, Jeremy Gregory, Rowan Strong, Jeremy Morris, William L. Sachs, 2017 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various

periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume four of The Oxford History of Anglicanism explores Anglicanism examines the twentieth century history of Anglicanism in North America Britain and Ireland and Australasia A historiographical introduction provides insight into changing historical interpretation The volume explores perspectives on secularization decolonization mission and the theological identity of Anglicanism It highlights the global communion's movement away from an Anglo centric leadership and a British imperial legacy towards greater diversity and greater influence for the global south Ten themed chapters open up complementary aspects of the history of Western Anglicanism including theological development social justice women human sexuality ecumenical relations mission and decolonization war and peace liturgical revision sociological analysis and the relationship of the church state and nationalism A further section on institutional development looks at the history of communion wide institutions in the twentieth century and at changing ideas of Anglican identity Later chapters survey the regional history of Western Anglicanism in three substantial chapters examining extensively Australia and New Zealand North America and the British Isles

Failure-Sparked Innovation Kaury C. Edwards, 2023-10-31 As the western church faces challenges in declining membership and effectiveness due to religious disaffiliation and general discontent with organized religion innovation must be a central focus within all aspects of ministry in the Christian church With the focus that the local church must put on innovation one aspect that will continually be an important factor is how the church understands interprets and utilizes failure Yes the church must fail However the church must not simply fail for the sake of failure The challenge for the local church is to rethink its notion of failure which will allow for creativity new life and ultimately transformational innovation By establishing a proper framework and definition of failure the church will be able to embrace good failure and the benefits it can offer

Mission as God's Spiral of Renewal Ross, Kenneth R., 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotland's experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission

Recovering Hope for

Your Church Edward H Hammett, 2014-08-30 Why seems to be on the lips of many church judicatory and denominational leaders today Why has our church plateaued Why are so few young leaders going into church based ministries Why are so few interested in church these days Recovering Hope uncovers the whys creating space to embrace new realities commit to the tough road of recovery and develop new skills structures and ministry designs through a process of spiritual discernment congregational coaching and a deeper reliance on the work and ministry of the Holy Spirit Eddie Hammett a Professional Certified Coach and Church and Clergy Coach for the Cooperative Baptist Fellowship of North Carolina provides a step by step process of hope and health to encourage guide and inspire pastors leaders churches regions and denominations that recovery of hope is possible A TCP Leadership Series title Investors in People in the Church Julian Cummins, 1999 The government initiative Investors in People involves a third of all people at work The first church to achieve the National Investors in People Standard was an urban priority area in Nottingham The Standard aims to help identify what is trying to be achieved the contribution everyone can make the support and training that is needed and progress The report shows how Investors can help the Church to develop a corporate spirituality which fosters vision learning and collaboration translate its mission into achievable tasks foster connections between the whole and the parts enable people to identify gifts and skills and to apply them and develop a continuing cycle of reflection and learning from experience The key features of this book include outlining the Investor Standard Theory giving practical experiences of churches and offering a theological evaluation of the Investor Standard Theory

Religion in Development Séverine Deneulin, 2013-07-18 Development practice is full of examples of the importance of religion in the lives of people in developing countries However religion has largely remained unexplored in development studies This timely new book aims to fill that gap The authors expertly review how religion has been treated in the evolution of development thought how it has been conceptualised in the social sciences and highlights the major deficiencies of the assumption of secularism The book argues that development theory and practice needs to rewrite its dominant script regarding its treatment of religion a script which has so far been heavily inscribed in the secular tradition It puts forward an understanding of religions as traditions that religions rest on central thesis and teachings which never cease to be re interpreted in the light of the social political and historical context In addition to providing a conceptual framework for analysing the role of religion in development the book provides numerous empirical examples drawn from the Christian and Islamic religious traditions This comprehensive new guide to this key issue is essential for students development thinkers and practitioners who wish to understand better the role that religion plays in development processes and outcomes

Marie-Dominique Chenu Mary Kate Holman, 2025-10-15 Marie Dominique Chenu demonstrates how this once condemned theologian influenced the major shifts of twentieth century Catholicism and reveals the relevance of his thought for contemporary theology In 1942 historian Marie Dominique Chenu was removed from his teaching position at Le Saulchoir the French Dominican school of theology and his groundbreaking new publication was placed on the Catholic

Church's Index of Forbidden Books Yet only two decades later the Catholic hierarchy embraced many of his ideas at the Second Vatican Council Although Chenu's pioneering work helped to usher in a new era his influence on the Catholic Church remains overlooked and underexplored Drawing upon extensive new archival research Mary Kate Holman provides a captivating account of Chenu's life and how his theology contributed to the church's opening to the modern world and shaped the next generation of theologians Holman presents the distinctive elements of Chenu's theology identifies his major contributions to contemporary Catholic theology and proposes a constructive retrieval of his thought for a renewed ecclesiology in the twenty first century
