

The book cover features a dark, moody photograph of a person's face in the upper left corner. The central focus is a large, abstract sculpture made of layered, light-colored material, possibly wood or paper, which resembles a stylized tree or a series of stacked, irregular shapes. The background is dark and textured.

Changing Families An Ethnographic Approach To Divorce And Separation:

Changing Families Bob Simpson, 2020-08-26 Recent decades have seen spectacular increases in the levels of divorce and separation across the Western world This important development is having a radical impact on the conduct and nature of family relationships This book offers an original investigation of these critical transformations through an ethnographic analysis of post divorce family life in Britain and provides insightful answers to vexing questions such as What cultural values and ideologies motivate and shape concerns over relationships when marriage ends Which relationships continue and why What cultural values underpin the financial transactions that take place or more commonly fail to take place after divorce Drawing on extensive interviews with those most affected by divorce the author argues that the positive sentiments traditionally associated with the notion of kinship are wholly inadequate when it comes to understanding divorce but that kinship can provide an illuminating window through which to consider the breakdown of marital relations This book represents a significant contribution to current debates over the changing form and expression of relationships in Western society in the late twentieth century

Home and Family in Japan Richard Ronald, Allison Alexy, 2017-12-04 In the Japanese language the word ie denotes both the materiality of homes and family relations within The traditional family and family house often portrayed in ideal terms as key foundations of Japanese culture and society have been subject to significant changes in recent years This book comprehensively addresses various aspects of family life and dwelling spaces exploring how homes household patterns and kin relations are reacting to contemporary social economic and urban transformations and the degree to which traditional patterns of both houses and households are changing The book contextualises the shift from the hegemonic post war image of standard family life to the nuclear family and to a situation now where Japanese homes are more likely to include unmarried singles childless couples divorcees unmarried adult children and elderly relatives either living alone or in nursing homes It discusses how these new patterns are both reinforcing and challenging typical understandings of Japanese family life

An Introduction To Family Therapy Dallos, Rudi, Draper, Ros, 2010-05-01 Lists of key texts and diagrams suggested reading organized by topic and practical examples and exercises are also used in order to encourage the reader to explore and experiment with the ideas in their own practice

Changing Scotland John F. Ermisch, Robert E. Wright, 2005-07 Changing Scotland is important reading for academics and postgraduate students in social policy economics and politics as well as policy makers government social researchers and those with an interest in innovative research methods in social science

British-Indian Adult Children of Divorce Chaitali Das, 2011 This is the first book to analyze the experiences of British Indian adult children of divorce and contextualize their experiences within the larger multi cultural polity of the UK It also discusses the value and implications of understanding the divorce phenomenon and how it is experienced within this community to present insights into what multi cultural social work and knowledge can mean This can also enhance support provision for all children and enable better coping of family transitions by

acknowledging their specific contexts and needs

The Creolisation of London Kinship Elaine Bauer, 2010 In the last 50 years the United Kingdom has witnessed a growing proportion of mixed African Caribbean and white British families With rich new primary evidence of mixed race in the capital city *The Creolisation of London Kinship* thoughtfully explores this population Making an indelible contribution to both kinship research and wider social debates the book emphasises a long term evolution of family relationships across generations Individuals are followed through changing social and historical contexts seeking to understand in how far many of these transformations may be interpreted as creolisation Examined too are strategies and innovations in relationship construction the social constraints put upon them the special significance of women and children in kinship work and the importance of non biological as well as biological notions of family relatedness P 4 of cover

The Trouble with Marriage Srimati Basu, 2015-01-03 *The Trouble with Marriage* is part of a new global feminist jurisprudence around marriage and violence that looks to law as strategy rather than solution In this ethnography of lawyer free family courts and mediations of rape and domestic violence charges in India Srimati Basu depicts everyday life in legal sites of marital trouble reevaluating feminist theories of law marriage violence property and the state Basu argues that alternative dispute resolution originally designed to empower women in a less adversarial legal environment has created new subjectivities but paradoxically has also reinforced oppressive socioeconomic norms that leave women no better off individually or collectively

Children and Their Families Andrew Bainham, 2003-09 This book

examines the regulation of family relationships in particular the issue of openness and contact **Reproductive Agency, Medicine and the State** Maya Unnithan-Kumar, 2005-11 Recent years have seen many changes in human reproduction resulting from state and medical interventions in childbearing processes Based on empirical work in a variety of societies and countries this volume considers the relationship between reproductive processes of fertility pregnancy childbirth and the postpartum period on the one hand and attitudes medical technologies and state health policies in diverse cultural contexts on the other **Communication Among Grandmothers, Mothers, and Adult Daughters** Michelle A. Miller-Day, 2004-09-22 This volume examines communication processes within the grandmother mother daughter relationship emphasizing an intergenerational perspective Using observations of and extensive interviews with six sets of middle income Caucasian female family members this book offers a heuristic account of intergenerational mother daughter relational communication Author Michelle Miller Day integrates and juxtaposes alternative experiences of social interaction situating readers in the world of grandmothers mothers adult daughters and granddaughters as they experience describe and analyze their family communication Miller Day incorporates aged mothers and younger mid life mothers and their adult daughters into the research to illustrate how this type of maternal relationship is experienced at different points in a woman's life With the inclusion of three generations of women Miller Day offers multigenerational perspectives on family and examines them for patterns of maternal interaction providing symbolic links across generational boundaries Communication Among Grandmothers Mothers and Adult Daughters enables readers to understand more completely the richly textured nature of maternal relationships It will be an invaluable resource for scholars and researchers in the areas of communication and relationships including family communication intergenerational communication women's studies family studies interpersonal communication and relationships as well as social workers psychologists and counselors who strive to understand family communication processes and their dynamics across generational lines *The Elgar Companion to Social Economics, Second Edition* John B. Davis, Wilfred Dolfsma, 2015-05-29 Social economics is a dynamic and growing field that emphasizes the key roles social values play in the economy and economic life This second edition of the Elgar Companion to Social Economics revises all chapters from the first edition and adds *An Ethnography of Household Energy Demand in the UK* Roxana Moroşanu, 2016-07-13 This book challenges the ways we think about human agency by looking at the creativity ethics and capacities for social transformation that are embedded in simple actions of doing Stemming from ethnographic research with families in the United Kingdom as part of a wider interdisciplinary project looking at domestic energy demand this book probes some mundane approaches to time such as spontaneity anticipation and family time and the ways in which they extend ethical imaginations create new forms of sociality and engender human agency **Beyond the Nuclear Family** Eric Widmer, Riitta Jallinoja, 2008 The importance of significant family contexts that are not easily circumscribed with reference to a household or a limited set of family roles has been underlined throughout the last two

decades by researchers A strong interest for family relationships beyond the nuclear family has emerged in the social sciences The various contributions to this book develop a configurational approach to families which emphasizes interdependencies existing among large numbers of family members and reconsiders some of the central issues of family life in this light fertility projects childcare and socialization monetary transfers across generations and support for the elderly relationships with grandparents uncles aunts and in laws gender inequalities divorce and other family disruptions and the importance of friends and acquaintances for families Beyond very real changes affecting the structures of family life since the sixties the book reveals that basic forms of togetherness still underlie much of what is going on in family configurations

The Breakup 2.0 Ilana M. Gershon, 2010-12-15 A few generations ago college students showed their romantic commitments by exchanging special objects rings pins varsity letter jackets Pins and rings were handy telling everyone in local communities that you were spoken for and when you broke up the absence of a ring let everyone know you were available again Is being Facebook official really more complicated or are status updates just a new version of these old tokens Many people are now fascinated by how new media has affected the intricacies of relationships and their dissolution People often talk about Facebook and Twitter as platforms that have led to a seismic shift in transparency and over sharing What are the new rules for breaking up These rules are argued over and mocked in venues from the New York Times to lamebook.com but well thought out and informed considerations of the topic are rare Ilana Gershon was intrigued by the degree to which her students used new media to communicate important romantic information such as it's over She decided to get to the bottom of the matter by interviewing seventy two people about how they use Skype texting voice mail instant messaging Facebook and cream stationery to end relationships She opens up the world of romance as it is conducted in a digital milieu offering insights into the ways in which different media influence behavior beliefs and social mores Above all this full fledged ethnography of Facebook and other new tools is about technology and communication but it also tells the reader a great deal about what college students expect from each other when breaking up and from their friends who are the spectators or witnesses to the ebb and flow of their relationships The Breakup 2.0 is accessible and riveting [Analysing Families](#) Alan Carling, Simon Duncan, Rosalind Edwards, 2005-07-05 With contributions from the UK and North America this book directly addresses the social processes responsible for the changes in the family role looking at how social policy interacts with what families actually do **Blood, Bodies and Families in Early Modern England** Patricia Crawford, 2015-10-23 This collection of essays contains a wealth of information on the nature of the family in the early modern period This is a core topic within economic and social history courses which is taught at most universities This text gives readers an overview of how feminist historians have been interpreting the history of the family ever since Laurence Stone's seminal work FAMILY SEX AND MARRIAGE IN ENGLAND 1500-1800 was published in 1977 The text is divided into three coherent parts on the following themes bodies and reproduction maternity from a feminist perspective and family

relationships Each part is prefaced by a short introduction commenting on new work in the area This book will appeal to a wide variety of students because of its sociological historical and economic foci *The Rise and Fall of Community Studies* Robert Parkin,2025-09-01 Since its inception about a century ago the anthropology of Europe has transitioned from studies of settled communities shaped by fieldwork traditions elsewhere to a focus on more mobile and virtual communities This book provides a partial retrospective on the field offering a rich collection of ethnographic summaries from across the continent It will be of interest to students and academics seeking a survey of this branch of anthropology whether for private study or university courses *The State of Affairs* Jean Duncombe,Kaeren Harrison,Graham Allan,Dennis Marsden,2014-04-08 This volume brings together contributions on the study of sexual affairs in committed personal relationships The editors enlisted colleagues with varied theoretical and methodological perspectives from Britain the United States and other countries Together their contributions provide a broad cross national perspective on affairs Grounded in theoretical discussion the chapters in this book introduce data collected by a broad range of methods including attitude surveys large statistical cohort studies case studies depth interviews and group discussions A number of contributors locate the theoretical discussion of affairs within the broader contemporary ordering of committed relationships contrasting the liberating and empowering aspects of affairs with the damage they may inflict on society as a whole and on the lives of individuals and families The themes of passion transgression secrecy lies betrayal and gossip are common to a range of chapters throughout The volume provides broad literature reviews and theoretical discussions concerning particular aspects of affairs such as communication and jealousy In addition case studies are used for the more detailed exploration of heterosexual affairs and contemporary developments in gay male and lesbian relationships The State of Affairs will be of interest to researchers scholars and students in social psychology communication sociology family social and clinical psychology and for practitioners in couple counseling
