Chanukah Hersh Goldwurm, Meir Zlotowitz, Nosson Scherman, 1985 *Chanukah [Hanukah]* Hersh Goldwurm, Meir Zlotowitz, Nosson Scherman, 1989 **A Multicultural Christmas** Steven H Propp, 2005-10-30 What is your attitude toward the holiday season Do you have the Christmas Spirit Do you refuse to observe such pagan celebrations Or do you just say Bah Humbug Rosemary St Nichols is a single mother and a Recovering Catholic who has just moved to River City with her son Jonathan Here she meets Teniqua Johnson and her son Mychal who celebrate Kwanzaa rather than Christmas After a Nativity Scene placed outside City Hall causes controversy in the community Rosemary wonders If even churches can t agree to cooperate how in the world will all the people in River City ever learn to put aside our differences if even for one day There are no angelic visitations or Christmas miracles here but the residents of Riverside Apartments receive a lesson in cooperation not to mention living together in harmony and mutual respect Learn more about your own holiday traditions and those of others as well as about those who don t celebrate the season at all in this moving journey of discovery and rediscovery of what the holiday season is all about Readers of the author s earlier novel Tattered Pilgrims will be pleased to see the reappearance of several of its characters in this book *Chanukah* Nosson (ed) Scherman, 1981 **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Gateway to Judaism** Mordechai Becher, 2005 Gateway to Judaism is an insider

Lessard, Jennifer M. Rosner, 2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions Messianic Jews have done something that for centuries was considered untenable Like Christians they have embraced Jesus as the divine Messiah but they have refused to surrender their place within the Jewish people How compatible are these two sides of Messianic Jewish faith Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages Did Jesus affirm rabbinic authority or does that authority now lie elsewhere within the new covenant In this volume Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents the church and Israel Both Lessard and Rosner are committed to the success of Messianic Judaism though they put forth contrasting visions of what that means The discussion herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit **The Social History of the American Family** Marilyn J. WorldPerfect Ken Spiro,2020-08-30 In pursuit of an answer to the question of what would constitute a perfect world author Ken Spiro questioned more than 1 500 people of

various backgrounds and religions His findings revealed six core elements Respect for human life peace and harmony justice and equality education family and social responsibility He then set off on a journey to find out why these were such common goals across cultural economic social and racial lines and in the process traced the history of the development of world religions values and ethics As a rabbi he paid particular attention to how Judaism impacted and was influenced by the course of these developments The result is a highly readable and well documented book about the origins of values and virtues in Western civilization as influenced by the Greeks Romans Christians Muslims and most significantly the Jews The history of religion presented in Spiro s highly readable style is a fascinating and timely subject especially in today s volatile religious climate Spiro divides his book into five engaging parts Where the Quality of Mercy Was Not Strained The World of Greece and Rome Against the Grain The Jewish View A Father to Many Nations Abraham and the Implications of Monotheism With Sword and Fire The Rise of Christianity and Islam The New Promised Land Impact of Judaism on Liberal Democracies Readers of all faiths will find that the elements of a perfect world can only be achieved by a common understanding of our mutual backgrounds and that our diverse religions are all merely branches growing from one single tree **Anniversaries and Holidays** Bernard Trawicky,2009-04-16 Completely revised and updated with more than 3 000 listings honoring a variety of cultural traditions this authoritative painstakingly researched compendium is one of the most used references in libraries and schools nationwide *The Evangelical Dictionary of World Religions* H. Wayne House,2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today s religious landscape **The Morality of Self-Defense and Military Action** David B. Kopel,2017-02-16 Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God s will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle

Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based **Storytelling Magazine** ,1995 The Jewish Audio-visual Review ,1959 **Josephus and Modern Scholarship (1937-1980)** Louis H. Feldman,2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980 Kashrus ,1991
