ORPHEIDA Thaddeus Hutyra,2020-04 Maestro I sat in the theater box Almost in half sleep Maestro entered the podium A virtuoso conductor With disheveled hair His first move with his baton And it happened Before my very eyes And in the world of my sensations I saw I felt miracles power Like in stellar storm with lightnings Appassionata Revolutionary Etude Magic Flute A night in Venice The Queen of Spades Blue Rhapsody Lost paradise Adagio Ah I felt being in paradise Among the angels The divine choir resounded And when the curtain fell I suddenly found myself Back on Earth Changed reborn My motto to be always to be Skyrocketed to new dimensions Author Thaddeus Hutyra Divine Choir Thaddeus

Itinerant D G Bryant,2022-11-03 The Itinerant On Restoration Revival and Redemption is a story of wisdom and folly wisdom being preferable to seeking pleasure The work is not just a story but a study on life experiences good bad useful and useless It is a definitive work describing the benefits of seeking wisdom and knowledge and developing a healthy fear of the Lord seeking his wisdom strength and glory rather than seeking pleasure that ultimately leads to dead ends often leaving one with a bitter taste and a feeling of emptiness The work describes what restoration revival and redemption are and what they are not This work takes a good long look at all sides of life all types of fools and how to avoid fools and foolishness that more often than not just lead to destruction So if you are reading this blurb and getting ready to read this book get ready for an adventurous ecclesiastical journey and hopefully if you do not already know you will before you are done that as a believer in Christ Jesus you are not a physical being on a spiritual journey in this world but you are a spirit being on a physical journey

Table Scraps and Other Essays Juyanne James,2019-12-18 Table Scraps and Other Essays is for all intents and purposes memoir writing At the heart of the twenty two true stories is an African American female who as a child along with her siblings must learn the value of hard work as hired hands James s young spirit is often at odds with her growing family especially with a father figure who ignores his duties as husband and provider She has a strong loving mother who insists on keeping the family together James learns to trust and depend on the guardians of her small Louisiana community teachers

who are eventually forced to move away from the area when the local schools are integrated Many years later James returns home figuratively and literally on occasion from the apartment where she lives in New Orleans and reconnects with a father who seeks forgiveness for his earlier betrayal He spends each day attempting to make up for the ill treatment of his wife and children In these essays James shares her love of nature both as a means of escape from her troubled family and as inspiration for her writing **Battle Notes** Lee Andresen,2003 This is the hard cover edition of the new release
