Chains Of Love:

Chains of Love Emily West, 2010-10-01 Historians have traditionally neglected relationships between slave men and women during the antebellum period In Chains of Love historian Emily West remedies this situation by investigating the social and cultural history of slave relationships in the very heart of the South Focusing on South Carolina West deals directly with the most intimate areas of the slave experience including courtship love and affection between spouses the abuse of slave women by white men and the devastating consequences of forced separations Slaves fought these separations through cross gender bonding and cross plantation marriages illustrating West s thesis about slave marriage as a fierce source of resistance to the oppression of slavery in general Making expert use of sources such as the Works Progress Administration narratives slave autobiographies slave owner records and church records this book length study is the first to focus on the primacy of spousal support as a means for facing oppression Chains of Love provides telling insights into the nature of the slave family that emerged from these tensions celebrates its strength and reveals new dimensions to the slaves struggle for freedom

Chains of Love and Beauty Carolyn Dever, 2025-01-28 Why a monumental diary by an aunt and niece who published poetry together as Michael Field and who were partners and lovers for decades is one of the great unknown works of late Victorian and early modernist literature Michael Field the renowned late Victorian poet was well known to be the pseudonym of Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 Less well known is that for three decades the women privately maintained a romantic relationship and kept a double diary sharing the page as they shared a bed and eventually producing a 9 500 page twenty nine volume story of love life and art in the fin de si cle In Chains of Love and Beauty the first book about the diary Carolyn Dever makes the case for this work as a great unknown novel of the nineteenth century and as a bridge between George Eliot and Virginia Woolf Victorian marriage plot and modernist experimentation While Bradley and Cooper remained committed to publishing poetry under a single male pseudonym the diary which they entitled Works and Days and hoped would be published after their deaths allowed them to realize literary ambitions that were unfulfilled during their lifetime The women also used the diary which remains largely unpublished to negotiate their art desires and frustrations as well as their relationships with contemporary literary celebrities including Robert Browning Oscar Wilde William Butler Yeats and Walter Pater Showing for the first time why Works and Days is a great experimental work of late Victorian and early modernist writing one that sheds startling new light on gender sexuality and authorship Dever reveals how Bradley and Cooper wrote their shared life as art and their art as life on pages of intimacy that they wanted to share with the world

Chaucer's Chain of Love Paul Beekman Taylor,1996 This book explores the Chain of Love a Platonic metaphor for the invisible bond between Creator and Creation for the space between beginnings and ends of temporal succession and for the heard or unheard word between thought and deed or between contrition and satisfaction in the process of penitence The Chains of Love Zoé Oldenbourg,1959 **Unbroken Chain of Love** Nancy Patacca,2018-07-05 As she set sail with her family that beautiful July day on the ill fated voyage of the Andrea Doria eight year old Rita Esposito s life was about to change forever Her last view of her beloved Naples was of the abundant flowers and stately fountain but only days later Rita was overwhelmed with horror when the ocean liner sank Separated from her mother Rita was among the lucky survivors rescued by a nearby ship and brought to the docks at New York where her first exposure to the city was one of chaos desperation and unfathomable sadness Faced with a new reality of foster care and life in an orphanage controlled by a heartless Mother Superior Rita awaited news of her mother Unbroken Chain of Love is the story of growing up as an Italian immigrant in New York City in the 1950s and 1960s from bullying and indifferent teachers to compassion and support from those who recognized the young woman s abilities and determination Her journey weaves through the Italian neighborhoods of New York City to the Tuscany wine region in Italy the introduction of the underworld and the joy and heartbreak that comes with the undying love of two devoted men **The Chains of Conformity** Kaviel Thranos, Welcome to The Chains of Conformity a deeply personal and profoundly philosophical journey into the heart of existence Within these pages we embark on a quest for truth challenging societal norms religious dogma and our own deepest fears Join me on this introspective exploration as we confront the fundamental questions of human experience Who am I Why am I here What lies beyond the veil of suffering and fear Through raw unflinching introspection and intellectual curiosity we ll delve into the complexities of identity belief systems and the human condition This isn t a guidebook or a manifesto it s an invitation to join a shared inquiry into the mysteries of life Together let s venture into the uncharted territories of the self where the boundaries of certainty blur and the horizon of possibility expands Prepare to question to seek and to discover Dialectic of Love David Pugh,1997 Unravelling the contradictions and complexities of Friedrich Schiller s labyrinthine thought David Pugh illuminates the inner dynamics of these writings and places them within a wider philosophical and cultural context Modern discussions tend to focus o **Chain of Love** Denise Robins,2013-12-05 Beloved or pawn in a game of revenge When Rina Morrison s family browbeat her into accepting a proposal of marriage she resigned herself to a loveless though wealthy existence in Hungary Aand a devastating encounter with the dashing Michael while she was journeying to her wedding ensured an even more heart wrenching future for her Now she was betrothed to one man while loving another But did Michael really love her In reality he was Miska the Gypsy and his bitterest enemy was Rina s fiance It was possible that his love for her might very well be hatred **Of the Cross** Diana DeLaCruz,2011-06 **Breaking the Chains of Bondage**
