Shilpa patil., **The Master Copy** Osterman & Osterman,2004-08 In this new millennium the promise of intrigue continues to captivate audiences In THE MASTER COPY that same hypnotic passion abounds A fictional narrative its plot radiates around an illegally cloned man on trial for the deaths of a wealthy East Coast couple and the son of a prominent state official The clone s creator a now aging scientist unlocked the secret of recreating the total human genome years before its present day advent and circumvented the laws of God and man to clone Jesus Christ from a dated DNA sample In the ensuing conflict the lead defense attorney encounters unrelenting obstacles which involve ransom demand and murder and remains stalemated until climactic revelations occur The prosecutor compelled to maintain a near perfect legal record disregards moral values until startling evidence is discovered and an emotional encounter forces him to relinquish the fight THE MASTER COPY constructs a web of associations utilizing contemporary dialogue to develop the plot and draw the reader into the cathartic ending However its premise remains the most intriguing aspect as it renews an awareness of the prophesized perils facing mankind at the end of the world and raises the disquieting notion that this controversial story is conceivable **Storytown Ride the Edge Theme 3 Grade 5** Harcourt School Publishers,Isabel L.
