Challenge For Excellence In Foreign Language Education:

The Challenge for Excellence in Foreign Language Education Gilbert A. Jarvis, 1984-01-01 Shaping the Future Critical Issues in Foreign Language Instruction Ellen S. Silber, 2013-09-13 First Published in 1991 Helen S. Lepke, 1989 This is Volume 22 of the Source Books on Education series Politically speaking the study of foreign languages and cultures helps maintain a strong competitive position in an increasingly global marketplace It was hard to imagine in 1957 that the launching of a Soviet rocket would push the United States into its greatest investment ever in foreign language education As American policy makers attempted to play catch up with our brothers and sisters behind the iron curtain this country infused federal dollars into extensive foreign language teacher training and the creation of new foreign language educational programs As suddenly as federal support was given however so was it taken away and its withdrawal was responsible for one of the darkest periods in the history of foreign language education in America Drawing on the expertise of a number of the nation's most experienced and creative foreign language educators this volume edited by Ellen S Silber addresses some of the crucial problems we face in foreign language education today Challenges of Second and Foreign Language Education in a Globalized World Mirosław Pawlak, Anna Mystkowska-Wiertelak, 2017-09-07 This edited collection brings together papers by eminent scholars who attempt to demonstrate how challenges can most successfully be ameliorated with an eye to enhancing the effectiveness of the processes of language teaching and learning In Part One emphasis is placed on challenges that second language education has to face both those more general dealing with language policy issues and those more specific concerned with instructional options in the language classroom Part Two focuses on challenges involved in researching the processes of teaching and learning in the second and foreign languages classroom both with respect to research methodology and efforts to tap some variables impinging upon the effects of instruction Finally Part Three is devoted to challenges involved in second and foreign language teacher education the quality of which to a large extent determines the outcomes of second language education in any educational context The ACTFL Foreign Language **Education Series** ,1990 Northeast Conference Reports ,1993 **Quality Assurance and Accreditation in Foreign** Language Education Donald F. Staub, 2019-08-01 Greater student mobility increasing demand for access to tertiary education as well as policy changes have spurred rapid expansion of the global higher education sector However with increased demand comes considerable variation in the quality of the supply As higher education is an expensive endeavor for all stakeholders governments funders employers and families there are also increasing expectations for accountability and demonstrations of quality English as a foreign language EFL programs in particular are under considerable pressure to substantiate their value resulting in a significant rise in interest around their quality This volume is the outcome of a May 2018 international conference on quality and specialized accreditation held in Turkey The book s three sections take the reader from the global to the program level examining trends and best practices in quality assurance and accreditation in

EFL programs The book s geographic focus is primarily the Middle East and Turkey yet the issues discussed herein a quite global in nature This volume will be of interest to educational administrators at the institutional or program level educational leadership programs focusing on higher education language teacher preparation programs and administrators in centralized education systems or accrediting organizations Proficiency, Curriculum, Articulation, 1985 **Proceedings of the** Symposium on the Evaluation of Foreign Language Proficiency Albert Valdman, 1987 New Perspectives and New Directions in Foreign Language Education Diane W. Birckbichler, 1990 The five essays in this volume address broad trends and issues in foreign language education Bandwagons Revisited A Perspective on Movements in Foreign Language Education Frank M Grittner suggests that the bandwagons flourish because of lack of standardization and centralized authority in American education Characteristics and results of popular methods and movements are discussed In Language Instruction in the U S Policy and Planning June K Phillips opposing views and philosophies affecting public language policy are discussed and problems in explicit and implicit language policy are examined Sketching the Crisis and Exploring Different Perspectives in Foreign Language Curriculum Dale L Lange looks at internal problems in foreign language education including relationships with other fields simplistic application of theory to practice the role of metatheory the cyclical nature of the field internal professional debates and stresses under which foreign language professionals operate The student and his relationship to the foreign learning process is the subject of From Student to Learner Style Process and Strategy Vicki Galloway Angela Labarca Finally Reforming Foreign and Second Language Teacher Education Gilbert A Jarvis Sheryl V Taylor focuses on the need for improved teacher education in the face of current professional realities and new conceptualizations of the teacher's role MSE **Resources in Education** ,2001-04 English as a foreign language teacher education Juan de Dios Martínez Agudo, 2014-02-01 The field of Second Language Teacher Education SLTE is mainly concerned with the professional preparation of L2 teachers In order to improve teaching in the multilingual and multicultural classroom of the 21st century both pre and in service L2 teachers as well as L2 teacher educators must be prepared to meet the new challenges of education under the current circumstances expanding their roles and responsibilities so as to face the new complex realities of language instruction This volume explores a number of key dimensions of EFL teacher education The sixteen chapters discuss a wide variety of issues related to second language pedagogy and SLTE Topics discussed include the importance of SLA research competency based teacher education approach classroom based action research SLTE models the value and role of practicum experience abroad the models of pronunciation teaching multicultural awareness and competence the influence of teachers cognitions emotions and attitudes on their emerging and changing professional identities the potential of classroom materials and technology and CLIL and ESP teacher education English as a foreign language teacher education Current perspectives and challenges will be of interest to teachers in training teachers teacher educators and to those educational researchers interested in how L2 teaching is actually learned in professional
