## Challenge Of Jesus Parables:

**The Challenge of Jesus' Parables** Richard N. Longenecker, 2000 A fresh look at the meaning of Jesus parables for Christian living today The parables recorded in the Gospels are central for an understanding of Jesus and his ministry Yet the parables are more than simple stories they present a number of obstacles to contemporary readers hoping to fully grasp their meaning In this volume thirteen New Testament scholars provide the background necessary to understand the original context and meaning of Jesus parables as well as their modern applications all in a manner easily accessible to general readers Contributors Stephen C Barton Craig A Evans Richard T France Donald A Hagner Morna D Hooker Sylvia C Keesmaat Michael P Knowles Walter L Liefeld Richard N Longenecker Allan W Martens Klyne R Snodgrass Robert H Stein Stephen I Wright

**What Are They Saying About the Parables? Second Edition** Gowler, David B., 2021 Much has changed in the more than two decades since the first edition of this book appeared Parable scholarship continues to be a dynamic area of New Testament research and a number of important studies were published and significant developments have occurred during those years Jesus s parables these simple but profound stories continue to challenge us and even after many readings continue to reveal new insights

**Adventures of an Itinerant Imagination** Bernard Brandon Scott, 2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century Both his scholarly *The Historical Jesus The Life of a Mediterranean Jewish Peasant* 1991 and the more popular *Jesus A Revolutionary Biography* 1994 made the bestsellers list But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti-Semitism Christianity and empire archaeology the apostle Paul the Pharisee and recently apocalyptic and the environment He addresses both scholarly and popular audiences ancient sources and contemporary concerns The essays in this volume explore and access the range of his work for his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book is Crossan s complete curriculum vitae

*Parables* Josh Scott, 2025-02-04 Read the stories of Jesus in a new light When Jesus taught in parables he was doing more than telling simple morality tales His stories were grounded in the world in which he lived and his vision of the Kingdom of God This book explores six parables that give us a window into Jesus s message and movement and once they are heard in their own context ask what they might mean for us today Parables include the New Wine and Wineskins the Mustard Seed the Leaven the Wedding Party the Workers in the Vineyard and the Wicked Tenants Other components for the study include a leader guide and teaching video are available

[Parables for Preachers](#) Barbara E. Reid, 2000-08 Reid aids preachers by bringing together current biblical research on the parables in the hope that it will open new vistas of meaning and help spark their creativity She also offers an understanding of how parables communicate and invite preachers to try out the parabolic techniques of preaching *Parables for Preachers* is for everyone interested in obtaining a deeper understanding of parables

**The Parables** Simon J. Kistemaker, 2002-03 A clear introduction to the parables of Jesus including and

examination of their settings interpretations and implications for the Christian life      *Parable and Story in Judaism and Christianity* Clemens Thoma, Michael Wyschogrod, 1989 A scholarly study of the parables and stories in biblical tradition to help discover the common heritage of Christians and Jews      The Problem of Wealth Hinson-Hasty, Elizabeth L., 2017-09-14 The problem is wealth not poverty Introducing the problem of wealth The centrality of economics in Christian theology Economism and the ethic of scarcity When why and how The boundary between economics and theology The current dominant forms of wealth creation and the ethic of scarcity Digging for roots to nourish an ethic of enough Social trinity love and the ethic of enough Extensive roots ecocentric and theocentric visions of economy from a wider variety of the world s great faith traditions Increasing the theological and moral imagination of the U S middle class Real people embodying different values Parables for sharing Concluding observations and a call to action      Parables for Preachers: Year B. The Gospel of Mark Barbara E. Reid, 1999 The parables of Jesus are puzzling sayings and stories with world transforming potential Parables for Preachers offers an understanding of how parables work and a fresh variety of possible meanings not only for Jesus s original audience and for the early Christians for whom Matthew Mark and Luke wrote but also for contemporary Christians as well The Gospel parables are analyzed in the order in which they appear in the Lectionary making this book an indispensable resource for preachers teachers catechists liturgy planners and Bible study groups Barbara Reid is Professor of New Testament at Catholic Theological Union Chicago She is the author of Matthew in the New Collegeville Bible Commentary series as well as Choosing the Better Part Women in the Gospel of Luke both published by Liturgical Press      *The Parables* Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus s parables that emphasizes personal reflection and application Jesus s parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we re not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus s parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus s parabolic teaching to be a feast for both the mind and the soul      The Power of Parable Dominic Crossan, 2012-05-17 In this perceptive and provocative new look at the Gospels John Dominic Crossan begins by observing that the parabolic stories told by Jesus seem remarkably similar to the resurrection stories about Jesus Were the latter intended as parables just as much as the former he asks Could it be that we have been reading parables presuming them to be history and misunderstanding both In other words could Jesus use of parables have inspired the Gospel writers to create meaningful metaphorical stories about Jesus to help

them explain who he really was      **Right Parables, Wrong Perspectives** Sam Tsang,2015-09-15 Jesus parables in Luke weren't only addressing his audience Rather Luke used them to address his audience In so doing the worlds of both Jesus and Luke had many ways to understand these parables This book explores some of those ways based on the way Jesus and Luke told these stories as well as the first century backgrounds The ultimate goal is to help both people who lead Bible studies and preach in the church to grasp firmly Luke's message for us today      **Rebuke & Challenge** Norman H. Young,1985 In this highly readable book Norman Young explains in an easy to understand way eleven of Jesus well known parables Because of our familiarity with the story line of these parables we are likely to miss Jesus punch line Dr Young however coaches us so that we can see Jesus skill in parrying the offensive thrust of those who distorted truth and the artfulness by which His ripostes defended truth Foreword Introduction 1 The Two Debtors 2 The Good Samaritan 3 The Friend at Midnight 4 The Parable of the Waster Son and His Brother Part 1 5 The Parable of the Waster Son and His Brother Part 2 6 The Unjust Steward 7 The Unjust Judge 8 The Pharisee and the Tax Collector 9 The Unmerciful Servant 10 The Laborers in the Vineyard 11 The Ten Maidens Awaiting a Wedding 12 The Sheep and the Goats Epilogue      Gospels or Biographies? The Gospels as Folk Literature Ryder Wishart,2024-03-11 Challenging the widely accepted classification of the canonical gospels as biographies or historiographies the author argues that they should be classified as collections of folk literature from early Christianity Drawing on comparative register analysis and re-introducing literary and sociolinguistic insights from the twentieth century form critics this insightful study challenges readers to rethink the significance of gospels for understanding Jesus's historical context and relevance for modern readers The gospels are not merely designed to inform readers about the life of Jesus but also to push readers into accepting or rejecting his teaching It is a must read for anyone seeking a deeper understanding of the gospel genre and the intentions of the evangelists who compiled them      **In Parables** John Dominic Crossan,1992 John Domonic Crossan boldly attempts to understand the parables from inside their own world In Parables sets the reading and study of the parables in an entirely new context      **Right Kingdom, Wrong Stories** Sam Tsang,2013-07-25 This study takes the singular approach of reading two sides of a parable The close reading will locate the message of the text within the world of both Jesus and Matthew The homiletic suggestions and reflection questions use the ancient text to address some of the issues of the modern faith community      **An Introduction to the New Testament** Charles B Puskas,C Michael Robbins,2012-08-30 This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts Many new and diverse cultural historical social scientific sociorhetorical narrative textual and contextual studies have been examined since the publication of the first edition which was in print for twenty years The authors retain the original tripartite arrangement on 1 The world of the New Testament 2 Interpreting the New Testament and 3 Jesus and early Christianity An appropriate book for anyone who seeks to better understand what is involved in the

exegesis of New Testaments texts today      *Parables in Midrash* David Stern, 1994 David Stern shows how the parable or mashal the most distinctive type of narrative in midrash was composed how its symbolism works and how it serves to convey the ideological convictions of the rabbis He describes its relation to similar tales in other literatures including the parables of Jesus in the New Testament and kabbalistic parables Through its innovative approach to midrash this study reaches beyond its particular subject and will appeal to all readers interested in narrative and religion      Adult Bible Studies Winter 2022-2023 Teacher/Commentary Kit Taylor W. **Matthew's Trilogy of Parables** Wesley G. Olmstead, 2003-11-27 Wesley Olmstead examines the parables of the Two Sons the Tenants and the Wedding Feast against the backdrop of the wider Matthean narrative He explores Matthew's characterization of the Jewish leaders the people and the nations and assesses the respective roles of Israel and the nations in the plot of Matthew's Gospel Against the current of contemporary Matthean scholarship Olmstead argues both that the judgement this trilogy announces falls upon Israel and not only her leaders and that these parables point to the future inclusion of the nations in the nation that God had promised to raise up from Abraham Bringing both literary critical and redaction critical tools to bear on the texts at hand Olmstead not only elucidates the intended meanings of this parabolic trilogy but also attempts to determine the responses they elicited from their first readers Transcending Matthean scholarship
