## **Challenging Capital Punishment Legal And Social Science Approaches:**

**Challenging Capital Punishment** Kenneth C. Haas, James A. Inciardi, 1988-08-01 In Challenging Capital Punishment Haas and Inciardi reveal the persistence of myth and misinformation in the death penalty debate They suggest that the debate needs to be based on scholarly analysis and scientific scrutiny They therefore bring together social scientists and legal scholars who assess the validity of objections to the death penalty

**Challenging Capital Punishment** Kenneth C. Haas, James A. Inciardi, After years of controversy the death penalty debate remains both urgent and unresolved presenting legal moral ethical and philosophical challenges According to the editors of Challenging Capital Punishment one of the most striking aspects of this debate is the persistence of myth and misinformation about capital punishment Haas and Inciardi suggest that the debate needs to be conducted on the basis of scholarly analysis and scientific scrutiny Accordingly their volume brings together an impressive list of leading social scientists and legal scholars who assess the validity of objections to the death penalty

**Crimes of Punishment** Theodore L. Dorpat, 2007 This groundbreaking book by an award winning psychoanalyst and forensic psychiatrist presents a comprehensive exploration of a timely but often taboo topic the failure of punishment to deter crime

and violence an issue that affects us both individually and as a culture Written at the culmination of the author's fifty year career as a psychoanalyst forensic psychologist and scholar this wide ranging work identifies the origins of violence and investigates the surprising consequences of punishment from a multitude of perspectives In his treatment of the topic Dr Dorpat utilizes scientific Executing Democracy Stephen J. Hartnett, 2012-11-01 This eye opening and well researched companion to the first volume of Executing Democracy enters the death penalty discussion during the debates of 1835 and 1843 when pro death penalty Calvinist minister George Barrell Cheever faced off against abolitionist magazine editor John O Sullivan In contrast to the macro historical overview presented in volume 1 volume 2 provides micro historical case studies using these debates as springboards into the discussion of the death penalty in America at large Incorporating a wide range of sources including political poems newspaper editorials and warring manifestos this second volume highlights a variety of perspectives thus demonstrating the centrality of public debates about crime violence and punishment to the history of American democracy Hartnett's insightful assessment bears witness to a complex national discussion about the political metaphysical and cultural significance of the death penalty States of Confinement NA NA, 2017-12-11 The United States has the highest incarceration and execution rate in the industrialized world Due to bias in policing and sentencing seventy percent of the nearly two million people incarcerated in U S prisons and immigration detention centers are people of color Statistics like these and the often unsafe conditions under which people are imprisoned make an analysis of incarceration urgent and timely Using a broad multicultural approach States of Confinement uncovers the political social and economic biases in our policing and punishment systems The distinguished authors of this collection such as Angela Y Davis Manning Marable Gary Marx Robert Meeropol the son of Julius and Ethel Rosenberg Julie Su an attorney for immigrants rights and Judi Bari a founder of Earthfirst use their diverse experiences and expertise to discuss troubling abuses of police powers in our society The issues they expose include racial profiling and sentencing disparities that target African Americans and Latinos the sexual exploitation of women in prison and police custody racist and homophobic violence the policing of Asian Americans and Arabs the adverse conditions of HIV positive prisoners and the use of the Grand Jury and police to undermine political activity These twenty seven cogent and accessible essays will appeal to students and educators as well as anyone concerned about the erosion of democracy and equality in this era of increasing incarceration and police powers

**Questioning Capital Punishment** James R. Acker, 2014-06-13 The death penalty has inspired controversy for centuries Raising questions regarding capital punishment rather than answering them Questioning Capital Punishment offers the footing needed to allow for more informed consideration and analysis of these controversies Acker edits judicial decisions that have addressed constitutional challenges to capital punishment and its administration in the United States and uses complementary materials to offer historical empirical and normative perspectives about death penalty policies and practices This book is ideal for upper level undergraduate and graduate classes in criminal justice **The Social Science**

**Encyclopedia** Adam Kuper, 2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society *Death Penalty* United States. Congress. Senate. Committee on the Judiciary, 1991 *Handbook of Psychology and Law* Dorothy K. Kagehiro, William S. Laufer, 2013-06-29 Shari Seidman Diamond Scholars interested in psychology and law are fond of claiming origins for psycholegal research that date back four score and three years ago to Hugo von Munsterberg's *On the Witness Stand* published in 1908 These early roots can mislead the casual observer about the history of psychology and law Vigorous and sustained research in the field is a recent phenomenon It is only 15 years since the first review of psychology and law appeared in the *Annual Review of Psychology* Tapp 1976 The following year saw the first issue of *Law and Human Behavior* the official publication of the American Psychology Law Society and now the journal of the American Psychological Association's Division of Psychology and Law Few psychology departments offered even a single course in psychology and law before 1973 while by 1982 14 of psychology graduate programs had at least one course and a number had begun to offer forensic minors and or joint J D Ph D programs Freeman Roesch see Chapter 28 Yet this short period of less than 20 years has seen a dramatic level of activity Its strengths and weaknesses excitements and disappointments are all captured in the collection of chapters published in this first *Handbook of Psychology and Law* In describing what we have learned about psychology and law the works included here also reveal the questions we have yet to answer and thus offer a blueprint for activities in the next 20 years Juvenile Justice Sourcebook Albert R.
