Challenging Conceptions Planning A Family By Self Insemination

Gill Jagger, Caroline Wright

Challenging Conceptions Planning A Family By Self Insemination:

Challenging Conceptions Lisa Saffron,1994 **Conceiving Kinship** Monica M. E. Bonaccorso,2009 Focusing on Southern Europe this study looks at currently hotly debated issues of kinship gender and modern medical technologies It challenges established ideas of cultural continuities and discontinuities within the European context and offers fresh insights into longstanding questions regarding gender and kin relatedness Same Sex Intimacies Catherine Donovan,Brian Heaphy,Jeffrey Weeks,2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies **Feminist Perspectives on Family Law** Alison Diduck,Katherine O'Donovan,2007-03-12 Examining specific areas of family law from a feminist perspective this book assesses the impact that feminism has had upon family law It is deliberately broad in scope as it takes the view that family law cannot be defined in a traditional way In addition to issues of long standing concern for feminists it explores issues of current legal and political preoccupation such as civil partnerships home sharing reproductive technologies and new initiatives in regulating family practices through criminal law including domestic violence and youth justice **Sex, Politics and Society** ,2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Challenging Conceptions ,1994 **Queering Reproduction** Laura Mamo,2007-09-03 Examines the medical social and

legal dimensions of the use of assisted reproductive technologies by lesbian women **Gay and Lesbian Parenting** Fiona Tasker, Jerry J. Bigner, 2008-04-14 *Gay and Lesbian Parenting* New Directions builds on important research with a detailed multidisciplinary examination of established knowledge and emerging information **Changing Family Values** Gill Jagger, Caroline Wright, 2003-12-16 *Changing Family Values* offers a comprehensive introduction to contemporary debates and new research surrounding the family It explores how we define traditional family values and how these values are perceived as being underthreat in contemporary society Ranging across politics social policy law and sociology the contributors focus on the diverse realities of contemporary family life Issues covered include the recent backlash against single mothers lesbian and gay families and the law men s changing roles within the family the future of the nuclear family This book is ideal for courses covering the family a central topic in sociology and women s studies *Lesbian Intimacies and Family Life* Rebecca Jennings, 2023-12-14 Focusing on patterns of intimacy this book traces the historical roots of parenting practices and familial patterns constructed by lesbians and same sex attracted women living in Britain and Australia between 1945 and 2000 It foregrounds women s unique lived experiences as they expressed desire fell in love and created families against the backdrop of changing cultural legal and medical attitudes to female same sex desire in the late 20th century Including almost 100 original oral history interviews conducted by the author *Lesbian Intimacies and Family Life* reveals the subjective histories of lesbian intimacy during the period both highlighting the huge variety in women s experiences and tracing shifting patterns of relationship and family formation Combined with analysis of representations of lesbian intimacy in literature press articles medical texts and archival material the book demonstrates the ways in which changing political and cultural concepts of sexuality impacted on individual and collective attitudes With a unique transnational perspective Jennings uncovers how feminist and lesbian networks between Britain and Australia promoted knowledge sharing and helped foster change in the familial practices of each country such as through the adoption of reproductive technologies and alternate routes into motherhood Through considering the rise of divorce and challenges to traditional marriage practices in the period this book highlights how lesbian relationships provided alternative models of interpersonal relations impacting on broader patterns of sexuality and helping redefine notions of the family in the modern era Regulating Sexuality Rosie Harding, 2010-10-04 *Regulating Sexuality* Legal Consciousness in Lesbian and Gay Lives explores the impact that recent seismic shifts in the legal landscape have had for lesbians and gay men The last decade has been a time of extensive change in the legal regulation of lesbian and gay lives in Britain Canada and the US Almost every area where the law impacts on sexuality has been reformed or modified These legal developments combine to create a new uncharted terrain for lesbians and gay men And through an analysis of their attitudes views and experiences this book explores the effects of these developments Drawing on and developing the concept of legal consciousness *Regulating Sexuality* focuses on four different texts qualitative responses to a large scale online survey of lesbians and gay men s views about the legal recognition of same

sex relationships published auto biographical narratives about being and becoming a lesbian or gay parent semi structured in depth interviews with lesbians and gay men about relationship recognition parenting discrimination and equality and fictional utopian texts In this study of the interaction between law and society in social justice movements Rosie Harding interweaves insights from the new legal pluralism with legal consciousness studies to present a rich and nuanced exploration of the contemporary regulation of sexuality

The Dilemmas of Lone Motherhood Randy Albelda, Sue Himmelweit, Jane Humphries, 2013-09-13 In today's society women having entered the workplace in growing numbers worldwide are increasingly expected to earn wages whilst still being primarily responsible for raising children While all parents confront the tensions of this double burden for lone mothers the situation can be especially acute as there is no other adult to share responsibilities and no access to a male wage The revealing essays in this volume address a range of the dilemmas lone mothers routinely face whilst also distinguishing important situational differences and considering other social perspectives It asks How can governments help without undermining their ability to enter the workforce Should the state indefinitely support lone mothers How should we measure the success of a policy What roles do ethnicity race religion class and sexual orientation play The impressive range of contributors to this volume speak from numerous contrasting perspectives Here they study a variety of international settings such as Sri Lanka the US Germany England and Norway and in so doing they allow the reader to draw powerful conclusions by comparing such issues and potential resolutions in varying countries and contexts This book was previously published as a special issue of Feminist Economics

Women's Sexuality Across the Life Span Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings

Living "Difference" Gillian A Dunne, 2013-10-18 Living Difference Lesbian Perspectives on Work and Family Life examines the roles of lesbians in the home in the workplace and as parents Discussing the advantages of female same sex relationships this book suggests that these partnerships are able to facilitate more egalitarian ideals for women than heterosexual relationships This book will help academics counselors and women in same sex relationships understand the positive aspects of lesbian parenting and the advantages lesbians experience in these households Without focusing on lesbians as victims or neglecting their differences from other women Living Difference will help you realize that living different can be an empowering experience Living Difference brings together current theoretical and empirical research on lesbian experiences of work and family life and explores the myths

and realities of these women From this book you will learn about a recent study in Eastern and Western Europe that revealed several advantages for children with lesbian parents such as an awareness of prejudice against homosexuality and increased moral development Providing you with case studies of lesbian parents and their children Living Difference offers you insight into the positive and controversial aspects of this family arrangement including British tabloid articles that denounce lesbian parenting and discussions of the actual reason for hostility against this type of family the fears joys and legal problems that lesbian couples in Europe face when raising children studies that indicate co mothers take a more active role in the life of their children than do fathers how gender usually determines the division of housework and the differences between lesbian and heterosexual households how society faculty and students discriminate against lesbian teachers and how these teachers try to keep their private lives secret for fear of losing their jobs Offering theories that heterosexual households often confine women to gendered roles this book will help you understand the positive aspects of living different despite societal prejudices Focusing on the impact gender and sexuality have on societal roles Living Difference seeks to change the practice of treating lesbianism as the other facet of feminism and will prove to you the positive differences of lesbian families

Taking Responsibility, Law and the Changing Family Heather Keating, 2016-04-01 This volume considers the impact that changing family norms have had on the responsibilities that the law allocates to people in family relationships Contributions are drawn from a wide variety of jurisdictions in which scholars lawyers judges and policy makers have been trying to discern what the appropriate correlation should be between the responsibilities that people undertake in family settings and the law that regulates family responsibilities Part I looks at the changes that have occurred in adult relationships and what they have done for our sense of the family responsibilities that adults take for one another Part II reflects on the changing nature of the parental relationship in order to reconsider the way in which changing family structures affect the responsibilities we think people raising children should have The third part brings the rights discourse that has dominated jurisprudence for much of the last fifty years into the discussion of family transformation and the responsibilities to which it gives rise In the final section the authors reflect on the difficulties of trying to resolve the meaning of responsibility in a world of changing families The collection brings together some of the most eminent and imaginative scholars and judges working in this area It will be a valuable resource for all those interested in the legal regulation of the transforming family

Taking Responsibility, Law and the Changing Family Mr Craig Lind, Ms Heather Keating, Ms Jo Bridgeman, 2013-02-28 This volume considers the impact that changing family norms have had on the responsibilities that the law allocates to people in family relationships Contributions are drawn from a wide variety of jurisdictions in which scholars lawyers judges and policy makers have been trying to discern what the appropriate correlation should be between the responsibilities that people undertake in family settings and the law that regulates family responsibilities Part I looks at the changes that have occurred in adult relationships and what they have done for our sense of the family responsibilities that adults take for one another Part II

reflects on the changing nature of the parental relationship in order to reconsider the way in which changing family structures affect the responsibilities we think people raising children should have The third part brings the rights discourse that has dominated jurisprudence for much of the last fifty years into the discussion of family transformation and the responsibilities to which it gives rise In the final section the authors reflect on the difficulties of trying to resolve the meaning of responsibility in a world of changing families The collection brings together some of the most eminent and imaginative scholars and judges working in this area It will be a valuable resource for all those interested in the legal regulation of the transforming family

Rethinking Feminist Theories for Social Work Practice Christine Cocker, Trish

Hafford-Letchfield, 2022-04-24 Feminist social work has clear goals to expose and critically analyse gendered power as a dynamic historic and structural concept embedded in our world and to mobilise and take social action to challenge that power This is integral to a commitment to the core values of the social work profession which include a commitment to human rights social justice and professional integrity This edited collection brings a range of academic and practitioner scholarship to centre feminist theories values and knowledge as they apply to social work practice theory and education It engages with feminist thinking to re emphasise and refocus the centrality of gender and its intersections with other axes of identities such as social class race disability sexuality and age for understanding and analysing social work practice This collection is a timely reminder of what feminist inquiry has to offer social work to successfully address contemporary challenges and is applicable to practitioners scholars educators students and other key care professionals and policy makers

Power in Struggle Davina Cooper, 1995-07 Those seeking social change confront the centrality of power on a daily basis What precisely is power and how does it manifest itself And how are radical and progressive strategies shaped by the ways in which we conceptualize it Drawing on feminist poststructuralist and Marxist theory Davina Cooper develops an innovative framework for understanding power relations in forms as diverse as reproductive technology queer activism municipal politics and the regulation of lesbian reproduction *Power in Struggle* explores the relationship between power sexuality and the state and ultimately provides a radical re thinking of these concepts and their interactions Sexual politics Cooper posits must recognize the sexualization of everyday life and should not be exclusively the concern of a young educated elite nor should sex be shuttered as a private affair Concluding with an important and original discussion of how an ethics of empowerment can inform political strategy *Power in Struggle* is a must read for activists scholars and lawyers interested in understanding the role of power in the state

The World We Have Won Jeffrey Weeks, 2007-06-21 This book explores the life changes since 1945 from welfarism to the pill and from globalization to individualization Rejecting the cultural pessimism it argues that this is a world we are increasingly making for ourselves a world we have won

The Routledge

International Handbook of Social Work and Sexualities SJ Dodd, 2021-07-19 This Handbook is the first volume to address the dynamic issues related to sexuality from a social work perspective by providing a comprehensive current and

international overview of issues related to sexuality It explains how each issue is important and critically discusses the leading views in the area providing diverse and inclusive perspectives from leading scholars in the field Divided into seven parts Structural Context Sexual Identities Sexuality through the Lifespan Health Mental Health and Sexuality Sexual Health and Well Being Pleasure Desire and Consent Practice Issues Regulating Sexuality Historical and Contemporary Legislation It will be of interest to students academics researchers and practitioners of social work and related health and social care subjects and is particularly relevant for practice courses as well as courses on Human Growth and Development and Human Behavior in the Social Environment

Challenging Conceptions Planning A Family By Self Insemination Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Challenging Conceptions Planning A Family By Self Insemination Introduction

In today's digital age, the availability of Challenging Conceptions Planning A Family By Self Insemination books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Challenging Conceptions Planning A Family By Self Insemination books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Challenging Conceptions Planning A Family By Self Insemination books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Challenging Conceptions Planning A Family By Self Insemination versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Challenging Conceptions Planning A Family By Self Insemination books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Challenging Conceptions Planning A Family By Self Insemination books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Challenging Conceptions Planning A Family By Self Insemination books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Challenging Conceptions Planning A Family By Self Insemination books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Challenging Conceptions Planning A Family By Self Insemination books and manuals for download and embark on your journey of knowledge?

FAQs About Challenging Conceptions Planning A Family By Self Insemination Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Challenging Conceptions Planning A Family By Self Insemination is one of the best book in our library for free trial. We provide copy of Challenging Conceptions Planning A Family By Self Insemination in digital format, so the resources that you find are reliable.
