track in several major events of recent decades including the coup and bloody dictatorship in Greece and the unravelling of the Soviet Union Easy going warm and generous with his friendship his life story is a ripping read Peter Murtagh journalist and author of *The Rape of Greece* Simon Schuster London 1994 His story needed telling Peter Preston editor of *The Guardian* 1975 1995 This gripping biography is a classic tale of fact being stranger than fiction Martin Packard was an incurable romantic who thought he could do ethical business in the chaos of Gorbachev's perestroika Russia but was constantly thwarted by more ruthless rivals or incompetent partners He was a Don Quixote of the Cold War His story is a fascinating alternative and very personal view on the confrontations of his times from the cynical US and UK policies towards Greece and Cyprus to the chaotic collapse of the USSR His tale suggests that cock up not conspiracy is usually the most plausible explanation of history Quentin Peel former Moscow Correspondent and Foreign Editor of the *Financial Times* Wonderful They don't make men like that anymore Helena Smith Correspondent of *The Guardian* for Greece and Cyprus This biography describes how a British naval officer became a Kremlin favorite and CIA target as Gorbachev's Kremlin decided to open the Soviet economy to the west In 1985 Moscow reached out to Martin Packard a retired British naval commander He was promised unrivalled access to the hidden riches of the Soviet Empire with a cornucopia spread before him as he traveled this long closed land from the Baltic to the Bering Sea A harbinger of the technology and foreign exchange needed to halt the Soviet decline to some Russians he was the most important foreign businessman in the Soviet Union But as the Communist Party imploded this previously undescribed offer turned into a Faustian bargain and his life became a captivating saga of rags to riches to rags This book describes his rise the details of his freelancing for Gorbachev and his fall A former intelligence analyst at the British Mediterranean command in Malta Packard's role as Scarlet Pimpernel of the Greek Colonels saw him forced out of the Royal Navy He then became one of the largest jeans manufacturers in Europe In this capacity the insiders of Gorbachev's perestroika identified him to help them lift the life of the Soviet peoples an unlikely partnership of the Kremlin and a quintessential Briton a scion of Empire Church and Navy but a non conformist in every sense It is a political tale where Packard clashes with the British Foreign Office and the CIA in Cyprus and the Colonels Greece Forced out of the Navy he heads the English Cell of the Greek resistance shipping printing presses passports and petards across Europe to Athens He then becomes an intimate of the wayward but brilliant Dom Mintoff and survives a mysterious poison attempt by Erica at a Moscow airport It is also a deeply human tale of a charismatic figure who rose so high mingled with the mighty of East and West and then lost it all

again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia's current security situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia's growing power abroad
