Chambers Film Quotes:

Chambers Film Quotes Tony Crawley,1991 John Walker's Passage Darrell Varga,2012-01-01 John Walker is one of Canada's most prolific and important documentary filmmakers and is known for his many thoughtful personally inflected films His masterwork *Passage* centres on Sir John Franklin's failed expedition to find the final link of the Northwest Passage connecting the Atlantic and Pacific oceans through the Canadian Arctic It also gives us the story of John Rae the Scottish explorer who discovered the fate of Franklin and the final link in the passage but was left to the margins of history Walker's film brings to this story a layering of dramatic action and behind the scenes documentary footage that build tension between the story of the past and interpretations of the present Darrell Varga provides a close analysis of *Passage* situating it within Walker's rich body of work and the Canadian documentary tradition Varga illuminates how the film can be viewed through the lens of Harold Innis's theories of communication and culture opening up the work of this great Canadian political economist to film studies *Overhearing Film Dialogue* Sarah Kozloff,2000-03-30 Through informative discussion of dozens of classic and contemporary films from *Bringing Up Baby* to *Terms of Endearment* from *Stagecoach* to *Reservoir Dogs* This text provides a full length study of the use of dialogue in American film *The Defiant One* Aubrey Malone,2013-09-21 This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010 Many of these are little known and provide insights into his complex relationship with fame family and females the three obsessions of his life The book also documents his many struggles with substance abuse his disenchantment with Hollywood when it failed to take him seriously the violent deaths of his two brothers the failure of four of his marriages a heart attack the death of a son from a drug overdose and most importantly the manner in which his resilient spirit saw him through these challenges and tragedies It's a revisionist biography which adds significantly to the received wisdom on his life and times not only through personal interviews but also revelations from two recent books not yet available in English one written by his daughter Allegra and the other by his ex wife Christine Kaufmann *Censoring Hollywood* Aubrey Malone,2011-10-10 Censorship has been an ongoing issue from the early days of filmmaking One hundred years of film censorship encompassing the entire 20th century are chronicled in this work The freewheeling nature of films in the early decades was profoundly affected by Prohibition the Depression and the formation of the Legion of Decency culminating in a new age of restrictiveness in the movies Such powerful arbiters of public taste as Will H Hays of the Motion Picture Producers and Distributors of America and Joseph Breen of the Production Code Association fomented an era whereby films with contentious material were severely censored or even condemned This held sway until rebellious filmmakers like Otto Preminger challenged the system in the 1950s eventually resulting in the abandonment of the old regime in favor of the contemporary G through NC 17 ratings system **Film Editing** Valerie Orpen,2019-07-25 Film Editing provides an introduction to the craft of editing in the non silent film In clear and accessible language Valerie Orpen

considers editing as an expressive strategy rather than a mere technique She reveals that editing can be approached and studied in a similar way to other aspects of film Traditionally studies on editing or montage tend to focus on silent cinema yet this book claims that an examination of editing should also consider the role of the soundtrack The aim of Film Editing is to examine the way in which editing can make meaning The book addresses editing as part of a wider context and as a crucial element of the overarching design and vision of a film Consequently this book incorporates other parameters such as mise en scene framing sound genre history and performance By examining a number of mainstream and art films such as Godard's *A bout de souffle* Hitchcock's *Rear Window* and Scorsese's *Raging Bull* Film Editing seeks to dispel the notion that editing is necessarily polarized as continuity versus discontinuity

Sacred Profanity Aubrey Malone, 2010-02-26

This book offers a history of films with Biblical spiritual and supernatural themes. This volume follows the evolution of one of the Hollywood's longest running thematic concerns. From the silent era to the present, **Sacred Profanity: Spirituality at the Movies** examines the rich diversity of films with spiritual themes—films that reflect our own fascination with the divine and supernatural while evoking the specific times in which they were created. From *Birth of a Nation* to *Angels and Demons*, **Sacred Profanity** discusses over 180 films with an insightful movie lover's approach. Coverage encompasses Biblical stories like *King of Kings*, films about spiritual characters such as *The Nun*, story foreign masterpieces like *The Seventh Seal*, movies that incorporate spiritual symbolism such as *Taxi Driver* and *Cool Hand Luke*, horrifying visions of the Satanic like *The Exorcist*, and controversial works like *The Last Temptation of Christ*. The book also looks at the history of Hollywood's attempt to maintain moral order through censorship, as well as the growing influence of filmmakers' own spiritual beliefs on the movies we see.

John Barkham Reviews **Reading the Kimono in Twentieth-Century Japanese Literature and Film** Michiko Suzuki, 2023-08-31

Often considered an exotic garment of traditional Japan, the kimono is in fact a vibrant part of Japanese modernity, playing an integral role in literature and film throughout the twentieth century. **Reading the Kimono in Twentieth-Century Japanese Literature and Film** is the first extended study to offer new ways of interpreting textual and visual narratives through kimono language: what these garments communicate within their literary, historical, and cultural contexts. Kimonos on the page and screen do much more than create verisimilitude or function as one-dimensional symbols. They go beyond simply indicating the wearer's age, gender, class, and taste as eloquent, heterogeneous objects; they speak of wartime and postwar histories and shed light on everything from gender politics to censorship. By reclaiming kimono language once a powerful, shared vernacular, Michiko Suzuki accesses inner lives of characters, hidden plot points, intertextual meanings, resistant messages, and social commentary. **Reading the Kimono** examines modern Japanese

literary works and their cinematic adaptations including Tanizaki Jun ichir s canonical novel The Makioka Sisters and its film versions one screened under the US Occupation and another directed by Ichikawa Kon in 1983 It also investigates K da Aya s Kimono and Flowing as well as Naruse Mikio s 1956 film adaptation of the latter Reading the Kimono additionally advances the study of women writers by discussing texts by Tsuboi Sakae and Miyao Tomiko authors often overlooked in scholarship despite their award winning bestselling stature Through her analysis of stories and their afterlives Suzuki offers a fresh view of the kimono as complex material to be read She asks broader questions about the act of interpretation what it means to explore both texts and textiles as inherently dynamic objects shaped by context and considered differently over time Reading the Kimono is at once an engaging history of the modern kimono and its representation and a significant study of twentieth century Japanese literature and film
