Change In The American West Exploring The Human Dimension:

Portraits of Women in the American West Dee Garceau-Hagen, 2013-04-15 Men are usually the heroes of Western stories but women also played a crucial role in developing the American frontier and their stories have rarely been told This anthology of biographical essays on women promises new insight into gender in the 19C American West The women featured include Asian Americans African Americans and Native American women as well as their white counterparts The original essays offer observations about gender and sexual violence the subordinate status of women of color their perseverance and influence in changing that status a look at the gendered religious legacy that shaped Western Catholicism and women in the urban and rural industrial and agricultural West

Change in the American West Stephen Tchudi, 1996 An intriguing look at the human dimension of change focusing on individual elements and events that have created The West Co published with the Nevada Humanities Committee Halcyon Imprint

The Cambridge Companion to the Twentieth-Century American Novel and Politics Bryan M. Santin, 2023-10-12 Surveying the relationship between American politics and the twentieth century novel this volume analyzes how political movements ideas and events shaped the American novel It also shows how those political phenomena were shaped in turn by long form prose fiction The book is made up of three major sections The first section considers philosophical ideologies and broad political movements that were both politically and literarily significant in the twentieth century United States including progressive liberalism conservatism socialism and communism feminism and Black liberation movements The second section analyzes the evolving political valences of key popular genres and literary forms in the twentieth century American novel focusing on crime fiction science fiction postmodern metafiction and immigrant fiction The third section examines ten diverse politically minded novels that serve as exemplary case studies across the century Combining detailed literary analysis with innovative political theory this Companion provides a groundbreaking study of the politics of twentieth century American fiction

The Green Studies Reader Laurence Coupe, 2000 Laurence Coupe brings together a collection of extracts from a wide range of both historical and contemporary ecocritical texts

The Coming of the Frontier Press Barbara Cloud, 2008-10-22 Western expansion and journalism have had a symbiotic relationship By examining this relationship along its entire timeline this book argues that newspapers played a crucial role in pushing aside both wildlife and Native Americans to make room for the settlers who would become their readers

writers themselves and by conservationists activists policymakers and others in defense of U S public lands and the idea of wilderness The book profiles five environmental writers and examines how their writings on nature wildness wilderness conservation preservation and restoration have variously inspired and been translated into ecological restoration programs and campaigns by environmental organizations The featured authors are Henry David Thoreau 1817 1862 at Walden Pond John Muir 1838 1914 in Yosemite National Park Aldo Leopold 1887 1948 at his family s Wisconsin sand farm Marjory Stoneman Douglas 1890 1998 in the Everglades and Edward Abbey 1927 1989 in Glen Canyon This book combines environmental history literature biography philosophy and politics in a commentary on considering and developing environmental literature s place in conversations on restoration ecology ecological restoration and rewilding Western American Literature ,2010 **The Grit Beneath the Glitter** Hal Rothman, Mike Davis, 2002-03-15 An anthology of essays and first person narratives offers a glimpse of the people and institutions that support the Las Vegas gaming industry

Toward a Literary Ecology Karen E. Waldron, Rob Friedman, 2013-07-29 Scholarship of literature and the environment demonstrates myriad understandings of nature and culture While some work in the field results in approaches that belong in the realm of cultural studies other scholars have expanded the boundaries of ecocriticism to connect the practice more explicitly to disciplines such as the biological sciences human geography or philosophy Even so the field of ecocriticism has yet to clearly articulate its interdisciplinary and transdisciplinary nature In Toward a Literary Ecology Places and Spaces in American Literature editors Karen E Waldron and Robert Friedman have assembled a collection of essays that study the interconnections between literature and the environment to theorize literary ecology The disciplinary perspectives in these essays allow readers to comprehend places and environments and to represent express or strive for that comprehension through literature Contributors to this volume explore the works of several authors including Gary Snyder Karen Tei Yamashita Rachel Carson Terry Tempest Williams Chip Ward and Mary Oliver Other essays discuss such topics as urban fiction as a model of literary ecology the geographies of belonging in the work of Native American poets and the literary ecology of place in new nature writing Investigating texts for the complex interconnections they represent Toward a Literary Ecology suggests what such texts might teach us about the interconnections of our own world This volume also offers a means of analyzing representations of people in places within the realm of an historical cultural and geographically bounded yet diverse American literature Intended for students of literature and ecology this collection will also appeal to scholars of geography cultural studies philosophy biology history anthropology and other related disciplines *Bad Environmentalism* Nicole Seymour, 2018-10-30 Traces a tradition of ironic and irreverent environmentalism asking us to rethink the movement s reputation for gloom and doom Activists today strive to educate the public about climate change but sociologists have found that the more we know about alarming issues the less likely we are to act Meanwhile environmentalists have acquired a reputation as gloom and doom killjoys *Bad Environmentalism* identifies contemporary texts that respond to these absurdities

and ironies through absurdity and irony as well as camp frivolity irreverence perversity and playfulness Nicole Seymour develops the concept of bad environmentalism cultural thought that employs dissident affects and sensibilities to reflect critically on our current moment and on mainstream environmental activism From the television show Wildboyz to the short film series Green Porno Seymour shows that this tradition of thought is widespread spanning animation documentary fiction film performance art poetry prose fiction social media and stand up comedy since at least 1975 Seymour argues that these texts reject self righteousness and sentimentality undercutting public negativity toward activism and questioning basic environmentalist assumptions that love and reverence are required for ethical relationships with the nonhuman and that knowledge is key to addressing problems like climate change Funny and original Bad Environmentalism champions the practice of alternative green politics From drag performance to Indigenous comedy Seymour expands our understanding of how environmental art and activism can be pleasurable even in a time of undeniable crisis

The New American West in Literature and the Arts Amaia Ibarraran-Bigalondo, 2020-05-12 The story of the American West is that of a journey It is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth The story of the American West has similarly journeyed across boundaries in a two way movement sometimes feeding the idea of that myth sometimes challenging it This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints The volume originates in Europe in Spain where the myth traveled was received assimilated and re presented It intends to travel back to the West in a two way cross cultural journey which will hopefully contribute to the delineation of the New always self renewing American West It includes the work of authors of both sides of the Atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the American West
