*Lead Us Not into Temptation* Raymond Arroyo Jr., 2010-06-07

*Lead Us Not Into Temptation* is a spiritual book as given to me by God This book is different from other spiritual books in that it connects man with his sole link to God and that is through his own soul Regardless of ones religion or persuasion this book is for all people to find their way back to God For secularism religion and intellectualism have failed miserably in bringing true peace and love into this world be it in the past our present and probably in our future also Jesus once said truly truly you must be born again of the spirit For that which is of water is water the body and that which is of spirit is spirit For the Father is spirit and for us to worship Him we must worship in spirit and in truth This is a universal law the same for all people all over the world regardless of their religious beliefs For we all worship the same one God and He must be worshipped in spirit and in truth The purpose of this book is to help people change from their secular life to a spiritual life and to develop a closer walk with God in their daily lives By which we then begin to worship God the Father in spirit and in truth This is the one pathway never chosen by man and is the pathway to peace on earth and good will towards all men It is the pathway to the salvation for all mankind Part One *Lead Us Not Into Temptation* explores the history of man back to the Garden of Eden and the first temptation where man falls from grace Man after that incident embarks on a journey of secularism worldliness and materiality which only separates him more and more from God Although man has had the opportunity to live in the time of the great prophets of God and with Jesus himself he has still maintained a steady course in his secular worldly lifestyle constantly refusing to follow the spiritual path of God This stubbornness of man has brought him to where we find our world today in the grips of a huge recession and probably a depression and world tensions and terrorism threatening the peace of the world Part Two *Deliver Us From Evil* teaches how one can develop a life of spirituality and redemption from both God and from oneself I begin with the prophecies of God as given to us in the Holy Bible and in the Bible codes I explain how these prophecies line up with our generation living on Earth right now and are 100% accurate and have all been fulfilled to date They are Gods warning to us that we cannot go on living worldly secularly lives for we are reaching the end of the road the End Times as predicted in the bible It is a warning meaning we can change the future from doom and gloom to eternal bliss

but it is up to each of us That unless we are willing to make some very fundamental changes in our lives towards one another and to God we wont survive as a civilization That without faith hope and love in God we are doomed to repeat our mistakes I teach the power of prayer and how that through prayer with God one will find the answer and changes for their lives I show how a prayer life is the only link we have to God the Father Through daily prayer one will begin the process of recreating a life of spirituality I teach the principles of a spiritual life and the fruits of Gods Holy Spirit How God works the fruits into your life changing you from your former self imperfections and dislikes into the new person filled with the wonderful fruits of Gods Holy Spirit I explain that the key of life is love for without love there could be no God no universe no us This book is for all people of all races all religions to find the cure to life that has escaped them all through the years It will unite the reader to a one to one relation with God and a healing and rebirth for their souls      **New Life of Young Generation** Gift Jerry Baloyi,2015-11-11 This book is an ultimate guide for understanding life on itself and to show that a door requires a key to open unless a person decides to do a different plan to open it but a different plan will result in a procrastination of time Although there are many keys in the shop they differ with strongest and with numbers Actually some of them are imitation which means they get broken easily so to be free in mind read this book with care and giving all your heart      **Drenched in Grace** Russell Vale Wise,2019-03-29 In the presence of God the love mercy and grace are so overwhelming that I find my tears falling like rain until I am drenched in grace      **You Can Change Your Life** Tim Laurence,2011-08-04 The Hoffman Process founded by the late Bob Hoffman is a highly respected and effective 8 day intensive course of emotional healing now practised in 14 countries around the world The Process helps you face demons from your past often rooted in your childhood and upbringing and forgive heal and move on Now Tim Laurence the director of the Process brings its unique methods to a wider public Some self help books focus on therapeutic techniques others on practical advice But this is the only life changing book to bridge the gap between the two offering a unique perspective from which to bring benefits to all areas of your life It aims to help you achieve Renewed enthusiasm for life Increased self confidence Clearer sense of purpose Greater spiritual identity Better relationships with others Relief from anger and depression A brilliant synthesis of Freud Jung and other leading psychologists work the Process has proved its worth internationally for 15 years and admirers include many of the most influential names in the self help movement
