Society and Social Changes through the Prism of Childhood Hanne Warming, 2023-09-19 This book presents a new childhood studies research program namely Childhood Prism Research and offers unique childhood research contributions to the wider scholarly field Bringing together cutting edge childhood studies scholars from various disciplines including philosophy psychology feminism anthropology sociology and literature the book demonstrates the rich potential of this program and offers an introduction to the childhood prism theoretical framework as well as examples of childhood prism research Childhood prism research is underpinned by a
