## **Changing Violent Men:**

*Changing Violent Men* Rebecca Emerson Dobash, Russell P. Dobash, Kate Cavanagh, Ruth Lewis, 1999-10-12 Accessibly written and presented *Changing Violent Men* is based on the authors evaluation research of various criminal justice responses and treatment programs for men who use violence against a woman partner It seeks to answer the questions What if anything works and why In examining the effectiveness of two court mandated abuser programs compared with more traditional justice sanctions such as fines probation and others the authors provide Detailed descriptions of the nature of violence Considerations of interventions with violent men particularly abuser programs A focus on whether violent men can change Theorizing about the process of personal change among those men who do change their behavior Both qualitative and quantitative data are used to delineate the patterns of violence and personal change and to give a voice to men as well as women speaking about their relationships about the impact of various criminal justice interventions and about changes in their lives Although the programs evaluated are in the United Kingdom they are modeled on programs in the United States so the book will have wide appeal to advanced students and practitioners in the United States the United Kingdom and around the world *Changing Violent Men* ,2000 This study is based on the evaluation of British criminal justice responses and treatment programmes for men who use violence against a woman partner Court enforced abuser programmes are compared with fines and probation *Changing Violent Men* R. Emerson Dobash,2000 *Changing Violent Men* is based on the evaluation of British criminal justice responses and treatment programs for men who use violence against a woman partner Court enforced abuser programs are compared with more traditional sanctions such as fines and probation And qualitative and quantitative data are used to delineate patterns of personal change This book allows the men and women involved to speak about their lives and the impact of criminal justice interventions upon them *Women, Violence and Social Change* R. Emerson Dobash, Russell P. Dobash,2003-12-16 Demonstrates how refuges and shelters stand at the core of the battered women s movement and how the movement has challenged the police courts and social services to provide greater assistance to women in both Britain and the US **Working With Men For Change** Jim Wild., Wild, Jim,2012-11-12 This is a work that reflects the growing interest in issues relating to men and masculinities This diverse collection by a team of contributors analyzes the composition and representation of masculine identities Combining research with theory and strategies for activism the work promotes practical ways of working with men to achieve change Intentionally designed as a handbook it provides effective and practical information for professionals in social welfare settings trainers and activists in the community as well as individual men who have their own personal agenda for change *Social Change, Gender and Violence* V. Nikolic-Ristanovic,2013-04-17 Based on large research material collected in Hungary Macedonia Serbia and Bulgaria *Social change Gender and Violence* is the book which explores the impact of transition from communism and war on everyday life of women and men as well as the way how everyday life and gender related changes affect women s

vulnerability to domestic violence and trafficking in women The book also explores the impact of micro level changes on development of civil society women s movement and legal and policy changes regarding violence against women This is a unique book which tries to look at violence against women as connected to oppression of both women and men It argues that violence against women in post communist and war affected societies is significantly connected to the increase of social stratification economic hardship unemployment instability uncertainty and related social stresses changes in gender identity and structural inequalities brought by new world order Using largely accounts of more than hundred interviewed people the author shows vividly how in post communist societies the contradictions of capitalism are interlaced with the mostly negative relics of communism Moreover the book shows how contradictory processes in post communist societies have led to a rather paradoxical result political pluralism and a capitalist economic system generated both violence against women and a women s movement albeit not the conditions for a reduction of violence *Violence Against Women in the US* Maddy Coy,2024-04-09

Analyzing what is known about violence against women this book centers on the contrast between the U S s historic focus on a criminal legal framework and the human rights lens used globally by feminist activists Distilling the existing evidence base and literature on violence against women in the United States this book includes an overview of forms of violence the prevalence of violence contexts in which violence occurs and debates about intervention and prevention It engages with how human rights frameworks define violence against women as a cause and consequence of women s inequality and explores how race ethnicity class citizenship status and sexual orientation shape experiences of victimization perpetration and institutional responses Chapters synthesize prevalence methods and data key feminist concepts impacts and aftermath of violence what is known about perpetrators the history of anti violence activism violence against women on college campuses and in the media and how the criminal legal systems respond Contested issues such as prostitution and pornography and the extent to which commercial sex can be understood as a form of and or context for violence against women are also explored The book closes with a final chapter offering directions for adopting a human rights approach to ending violence against women in the United States By offering an analysis of how violence against women has come to be named in activist policy and academic arenas *Violence Against Women in the US* is an essential resource for students scholars and practitioners **Biographical Methods and Professional Practice** Prue Chamberlayne,Joanna Bornat,Ursula Apitzsch,2004-03-10

Biographical methods combine a focus on lifetime individual experience as a component of understanding human agency with an examination of interactions with social structures institutions This text provides examples of how such approaches have been applied in practice settings in policy initiatives *Gender, Power, and Global Social Justice* Manijeh Daneshpour,2022-11-17 This book analyses how practitioners can use psychotherapy as a healing mechanism focusing on the intersection of gender power and social justice within the global context It begins by interrogating the concept of social justice itself before examining men s and women s issues from biological sociological

contextual and ecological perspectives Each chapter covers individual couple and family therapy as well as training and supervising for heterosexual and homosexual individuals from a social justice standpoint With a centered and balanced perspective about the impact of gender and power on men s and women s relationships to each other and their ecological contexts Daneshpour aims to help mental health practitioners privilege client voices promote justice in gendered relationships and manage the impact of socio political issues in therapeutic practice

**The Sermons of Henry Ward Beecher** Henry Ward Beecher,1871

**Domestic Violence** Michael Freeman,2017-03-02 Domestic violence domestic hooliganism it has been called is one of the cancers of our age This volume offers a challenging selection of materials as a picture of a multi faceted problem The issues embraced range from criminal and civil law responses and the value of mediation to the impact on children and to the cultural context The materials are derived from a variety of sources and from different disciplines to offer the reader an understanding of the problem not easily culled from standard library resources

**Filipino Men and Domestic Violence** Romeo B. Lee,2000

Domestic Violence Mangai Natarajan,2017-05-15

Domestic Violence is not just a public health and criminal justice problem it is also an issue of universal human rights that needs immediate and vigorous attention How we measure the prevalence of Domestic Violence what we identify as the risk factors which theories seem to provide most help in understanding and responding to Domestic Violence which preventive and treatment programs seem most effective and the respective roles of the health and criminal justice systems are all questions of vital importance in society s response to the problem

*Biographical methods and professional practice* Chamberlayne, Prue,Bornat, Joanna,2004-03-10 This book uses a range of interpretive approaches to reveal the dynamics of service users and professionals individual experiences and life worlds From their research the contributors show how biographical methods can improve theoretical understanding of professional practice as well as enrich the learning and development of professionals and promote more meaningful and creative practitioner service user relationships The book reviews applications of biographical methods in both policy and practice in a range of professional contexts from health and social care to education and employment explores the impact of social change in three main arenas transformation from Eastern to Western types of society in Europe major shifts in social and welfare principles experiences of immigration and of new cultural diversities on professional practice critically evaluates subjective and reflexive processes in interactions between researchers practitioners and users of services considers the institutional arrangements and cultural contexts which support effective and sensitive interventions draws on actual projects and tracks reflection progress and outcomes With contributions from leading international experts it provides a valuable comparative perspective Researchers policy analysts and practitioners postgraduate students teachers and trainers will find this book a stimulating read

**Handbook of Offender Assessment and Treatment** Clive R. Hollin,2001 Provides an up to date review of current knowledge and best practice in the rehabilitation and treatment of offenders in community prison and secure hospital settings Sections cover the

rationale and objectives of treatment risk assessment the whole range of approaches to treatment including behavioural cognitive family work reasoning rehabilitation and anger management and the assessment and treatment of various categories of offenders and problems with detailed chapters that include child abuse violence mentally disordered offenders and sex offenders Also includes a section dealing with different types of treatment settings maximum security hospitals residential settings and in the community

**The Violent Social World of Black Men** William Oliver, 1994-05-30 Solutions to a complex problem This book gives us greater insight into the problems that face young black men in America Since violence is epidemic among young black males this book is must reading for anyone seeking solutions to this crisis Alvin F Poussaint clinical professor of psychiatry Harvard Medical School This powerful book discusses the causes and effects of the high rates of black on black violence and examines circumstances that lead to arguments and violent confrontations

**The Cambridge Review**, 1886 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol

*Changing the Landscape* Canadian Panel on Violence Against Women, Pat Freeman Marshall, Marthe Asselin Vaillancourt, 1993 Includes sections on Inuit and aboriginal women

Conditions, 1985

Ending the Silence Ron Thorne-Finch, 1992-04-06 This book analyzes the causes of male violence against women and places the issue in a political context It argues that men s emotional physical and sexual violence are linked to end violence we must address the role of a wide range of actors the family media the schools sport etc in creating violent men Changes are unlikely to occur unless more men take individual and collective responsibility for male violence While acknowledging that the women s movement has played a pivotal role in breaking the silence about male violence and in providing the political pressure for state funding for victim and offender programs the book rejects the notion that male violence be seen as just a women s issue
