Changing, essays in art criticism Lucy Lippard, 1968

Changing Lucy R. Lippard, 1971 **After Modern Sculpture** Richard J. Williams, 2000 Stars are central to the cinema experience and this collection offers a variety of fresh and informed perspectives on this important but sometimes neglected area of film studies This book takes as its focus film stars from the past and present from Hollywood its margins and beyond and analyses them through a close consideration of their films and the variety of contexts in which they worked The book spreads the net wide looking at past stars from Rosalind Russell and Charlton Heston to present day stars including Sandra Bullock Jackie Chan and Jim Carrey as well as those figures who have earned themselves a certain film star cachet such as Prince and the martial artist Cynthia Rothrock The collection will be essential reading for students and lecturers of film studies as well as to those with a general interest in the cinema New Feminist Art Criticism Katy Deepwell, 1995 This text reviews feminist art strategies as they emerged in the late 1980s and early 1990s in America and the UK It draws together the views of prominent practitioners critics academics and curators on a broad range of controversial issues The central focus of the book is feminism's engagement with psychoanalysis and post modernism and its aim of deconstructing the borders between art and craft and theory and practice Feminist politics in the art world are also investigated through discussion of the negotiations of feminist curators responses to feminist exhibitions issues surrounding pornography and the censorship of women's work and the role of feminist teaching on fine art and design degree courses The book covers a variety of art work including installation work painting textiles and photography **Criticism, Art and Theory in 1970s Britain** JJ Charlesworth, 2024-03-12 A critical study of the life of art criticism in the 1970s this volume traces the evolution of art and art criticism in a pivotal period in post war British history JJ Charlesworth explores how art critics and the art press attempted to negotiate new developments in art faced with the challenges of conceptualism alternative media new social movements and radical innovations in philosophy and theory This is the first comprehensive study of the art press and art criticism in Britain during this pivotal period seen through the lens of its art press charting the arguments and ideas that would come to shape contemporary art as we know it today This book will be of interest to scholars working in art history British cultural history and history of journalism **Art Criticism**, 1994 Earthworks Suzaan Boettger, 2002 Her examination of Earthworks relationship to the ecology movement perceptively corrects a popular misconception about the artists goals while acknowledging the social and cultural complexities of the period Great Art Critics (1750-2000) J. Pedro Lorente, 2020-04-01 The art world has become a point of contention within a range of debates and yet strangely enough while art criticism has been discussed at length very little is said about art critics Following in the footsteps of Lionello Venturi's History of Art Criticism in the current volume Lorente provides an updated reassessment of the great art critics from the Enlightenment down to the turn of the millennium Conceived as a didactic handbook with a recommended bibliography at

the end of each chapter this concise work tells the history of a profession in permanent crisis while also paying homage to its most influential practitioners in different cultural contexts

Weak Painting After Modernism Craig Staff, 2023-09-01 This book examines the terms upon which painting in the United States sought to negotiate with the legacy of American formalist aesthetics and by extension the understanding of modernist painting it had become most readily associated with In so doing a separate set of possibilities for painting gradually began to emerge The salient debates and practices that collectively worked to establish such a response are approached through the philosopher Gianni Vattimo's idea of *pensiero debole* or so called weak thought To this end the proposed study both identifies and seeks to examine a type of weak painting which like Vattimo's idea took as its critical point of departure the exhaustion but not the vanishing of the project of modernism the belief in reason progress history the nation state etc Craig Staff explores particular instances wherein artists sought to extend the parameters of the object beyond what had been called into question namely the proclivity for modernist painting's strength to be understood as denoting amongst other things a perceived set of universal essences This book will be of interest to scholars working in art history fine art cultural studies critical theory curatorial studies and philosophy

Seeing Through the Seventies Laura Cottingham, 2013-11-05 In recent years Laura Cottingham has emerged as one of the most visible feminist critics of the so called post feminist generation Following a social political approach to art history and criticism that accepts visual culture as part of a larger social reality Cottingham's writings investigate central tensions currently operative in the production distribution and evaluation of art especially those related to cultural production by and about women *Seeing Through the Seventies: Essays on Feminism and Art* gathers together Cottingham's key essays from the 1990's These include an appraisal of Lucy R Lippard the most influential feminist art critic of the 1970's a critique of the masculinist bias implicit to modernism and explicitly recuperated by commercially successful artists during the 1980s an exhaustive analysis of the curatorial failures operative in the Bad Girls museum exhibitions of the early 1990s surveys of feminist influenced art practices during the women's liberationist period speculations on the current possibilities and obstacles that attend efforts to recover lesbian cultural history and an examination of the life work and obscurity of the early twentieth century French photographer Claude Cahun

Age of Contradiction Howard Brick, 2000 In *Age of Contradiction* Howard Brick provides a rich context for understanding historical events cultural tensions political figures artistic works and trends of intellectual life His lucid and comprehensive book combines the best methods of historical analysis and assessment with fascinating subject matter to create a three dimensional portrait of a complicated time In one of the only books on the 1960s to put ideas at the center of the period's history Brick carefully explores the dilemmas the promise and the legacy of American thought in that time

Reconstructing Exhibitions in Art Institutions Natasha Adamou, Michaela Giebelhausen, 2023-07-13 *Reconstructing Exhibitions in Art Institutions* spans exhibition histories as anti apartheid activism within South African community arts collectivities and trade unions in Argentina Civil Rights movements and Black communities in Baltimore institutional self

critique within the neoliberal museum reframing feminisms in USA and revisiting Cold War Modernisms in Eastern Europe among other themes An interdisciplinary project with a global reach this edited volume considers the theme of exhibitions as political resistance as well as cultural critique from global perspectives including South Africa Latin America Eastern Europe USA and West Europe The book includes contributions by ten authors from the fields of art history social sciences anthropology museum studies provenance research curating and exhibition histories The edited volume finally examines exhibition reconstructions both as a symptom of advanced capitalism geopolitical dynamics and social uprisings and as a critique of imperial and capitalist violence Art historical areas covered in the book include conceptualism minimalism modern painting global modernisms archives and community arts This volume will be of interest to a wide range of audiences including art historians curators gallery studies and museum professionals and also to scholars and students from the fields of anthropology ethnography sociology and history It would also appeal to a general public with an interest in modern and contemporary art exhibitions

American Artists Engage the Built Environment, 1960-1979 Susanneh Bieber, 2023-07-31 This volume reframes the development of US American avant garde art of the long 1960s from minimal and pop art to land art conceptual art site specific practices and feminist art in the context of contemporary architectural discourses Susanneh Bieber analyzes the work of seven major artists Donald Judd Robert Grosvenor Claes Oldenburg Robert Smithson Lawrence Weiner Gordon Matta Clark and Mary Miss who were closely associated with the formal aesthetic innovations of the period While these individual artists came to represent diverse movements Bieber argues that all of them were attracted to the field of architecture the work of architects engineers preservationists landscape designers and urban planners because they believed these practices more directly shaped the social and material spaces of everyday life This book's contribution to the field of art history is thus twofold First it shows that the avant garde of the long 1960s did not simply develop according to an internal logic of art but also as part of broader sociocultural discourses about buildings and cities Second it exemplifies a methodological synthesis between social art history and poststructural formalism that is foundational to understanding the role of art in the construction of a more just and egalitarian society The book will be of interest to scholars working in art history architecture urbanism and environmental humanism

Irrational Judgments Kirsten Swenson, 2015-01-01 Cet ouvrage examine l'amitié et le changement significatif d'idées entre Eva Hesse et Sol LeWitt New York pendant les années 1960 Ce livre examine les percées des carrières entrelacées des artistes offrant une nouvelle compréhension de l'art minimal post minimal et conceptuel parmi les bouleversements politiques et sociaux de l'époque

Fail Better Hal Foster, 2025-02-25 From the distinguished art critic and historian vital essays on key artists and critics revealing how they redefined art and criticism over the last six decades Serious art anticipates the future as much as it reflects the present Hal Foster remarked in a 2015 interview By the same token serious art history is driven by the present as much as it is informed by the past In Fail Better Foster an art critic and historian whose influential work spans disciplines and decades brings this peripatetic

perspective to contemporary art art criticism art history and his own work over the past 50 years In these 40 texts Foster reviews artists from Richard Hamilton and Jasper Johns to Gerhard Richter and Ed Ruscha considers contemporaries from Louise Lawler and Cindy Sherman to Jeremy Deller and Adam Pendleton and traces the development of criticism since the early 1960s with essays on such influential figures as Susan Sontag and Rosalind Krauss and institutions like Artforum magazine and the Whitney Museum Independent Study Program Taking his title from Beckett try again fail again fail better Foster notes that etymologically an essay is always an attempt more or less failed Critics fail artworks because there can never be a definitive reading art fails its historical moment because it cannot resolve the contradictions that prompt it But in these failures Foster finds historical consciousness and with it the promise of future work future illumination In his reckonings he turns his own long history of criticism to account and succeeds in conveying shifting concepts of art and criticism the work of key artists and critics and the relationships between criticism theory history and politics over the last six decades

Locating Sol LeWitt David S. Areford, 2021-03-23 A revelatory consideration of the wide ranging practice of one of the most influential American artists of the 20th century A pioneer of minimalism and conceptual art Sol LeWitt 1928 2007 is best known for his monumental wall drawings LeWitt s broad artistic practice however also included sculpture printmaking photography artist s books drawings gouaches and folded and ripped paper works From the familiar to the underappreciated aspects of LeWitt s oeuvre this book examines the ways that his art was multidisciplinary humorous philosophical and even religious Locating Sol LeWitt contains nine new essays that explore the artist s work across media and address topics such as LeWitt s formative friendships with colleagues at the Museum of Modern Art in the early 1960s his photographs of Manhattan s Lower East Side his 1979 collaboration with Lucinda Childs and Philip Glass and its impact on his printmaking and his commissions linked to Jewish history and the Holocaust The essays offer insights into the role of parody experimentation and uncertainty in the artist s practice and investigate issues of site space and movement Together these studies reveal the full scope of LeWitt s creativity and offer a multifaceted reassessment of this singular and influential artist

The Persistence of Dance Erin Brannigan, 2023-11-28 There is a category of choreographic practice with a lineage stretching back to mid 20th century North America that has re emerged since the early 1990s dance as a contemporary art medium Such work belongs as much to the gallery as does video art or sculpture and is distinct from both performance art and its history as well as from theater based dance The Persistence of Dance Choreography as Concept and Material in Contemporary Art clarifies the continuities and differences between the second wave dance avant garde in the 1950s 1970s and the third wave starting in the 1990s Through close readings of key artists such as Maria Hassabi Sarah Michelson Boris Charmatz Meg Stuart Philipp Gehmacher Adam Linder Agatha Gothe Snape Shelley Lasica and Latai Taumoepeau The Persistence of Dance traces the relationship between the third wave and gallery based work Looking at these artists highlights how the discussions and practices associated with conceptual dance resonate with the categories of

conceptual and post conceptual art as well as with the critical work on the function of visual art categories Brannigan concludes that within the current post disciplinary context there is a persistence of dance and that a model of post dance exists that encompasses dance as a contemporary art medium **Six Years** Lucy R. Lippard, 2023-07-28 In *Six Years* Lucy R Lippard documents the chaotic network of ideas that has been labeled conceptual art The book is arranged as an annotated chronology into which is woven a rich collection of original documents including texts by and taped discussions among and with the artists involved and by Lippard who has also provided a new preface for this edition The result is a book with the character of a lively contemporary forum that offers an invaluable record of the thinking of the artists a historical survey and essential reference book for the period *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973
