Becker, Bruce Campbell, 2006-02-01 Most books about film production assume that you have an idea and a script to shoot. Most screenwriting books are geared to how to write a script that you can sell to Hollywood as though the authors of these books had the slightest clue and do not take into consideration that you might be shooting the script yourself possibly with your own money. This book is about how to write a script properly that you can rationally shoot, how to shoot it, how to finish it, how to sell it, and also how to get it shown. Popular Photography, 1989-02 Popular Photography, 1984-04 The Camera Assistant Douglas C. Hart, 1996 A handbook *The Camera Assistant* Douglas Hart, 2012-10-12 Veteran camera assistant Doug Hart describes in this comprehensive technical guide all of the important facets and duties of the first and second camera assistants' jobs. Whether it is feature films, episodic television, documentaries, commercials, or music videos, *The Camera Assistant: A Complete Professional Handbook* explains both the practice and theory behind it with a concentration on technique rather than equipment. In addition, personal anecdotes from the author's years behind and beside the camera provide insight into this demanding field. Key topics include film formats and aspect ratios, testing lenses and camera equipment, focus theory, film loading and labeling, scene blocking, marking actors, shooting tips, slating, paperwork, equipment maintenance, set etiquette, and finding work. This is not a camera equipment handbook; it is a comprehensive procedures manual which describes and explains the most important responsibilities of the camera assistant on the set, the theory behind the practice, and the methods that get the job done properly and keep the assistant frequently employed. Douglas C. Hart has been a freelance first camera assistant on feature films, documentaries, television shows, and commercials for more than 20 years, including 10 years and 10 films as first camera assistant to Gordon Willis ASC, as well as work in 42 states and 26 foreign countries. His work includes *Presumed Innocent*, *Hannah and Her Sisters*, *The Cosby Mysteries*, and CBS's *Central Park West*. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
