Changing Life Of The Corporate Wife:

The Changing Life of the Corporate Wife Maryanne Vandervelde, 1980-02-01 **The Incorporated Wife** Hilary Callan, Shirley Ardener, 2022-08-24 Originally published in 1984 this book touches the private lives and professional responsibilities of men and women as it illustrates the comic as well as serious effects of the incorporation of wives into some important State and commercial institutions Beyond their domestic functions wives have in particular ways been valuable props to many a husband's career and many an employer's and the nation's interests For example the Army civil administrations at home and overseas and the police have without questioning depended on the services of wives given silently willingly or unwillingly Yet the nature of the relationship of these incorporated wives to the objectives of such institutions has until recently been largely unregistered in practice unrecorded in social and historical accounts and unstudied by analysts This book provides a wealth of ethnographic material Personal anecdotes and scholarly interpretations throw light on the conceptual systems underlying the workings and cultures of institutions as well as the construction of identities Many will find their experiences echoed here The issues raised are important not only for individual men and women for whom such incorporation may provide advantages as well as constraints but because of the bearing they have on our understanding of marriage especially since we cannot be sure this will continue in its present mode or as the dominant form of conjugal union As more married women assume greater responsibilities at work will their husbands give the same support to their wives and those who employ them as they themselves received Further it seems likely that wives may become less willing than in the past to render their services unacknowledged indeed this trend is already apparent We may ask then who will fill the gaps and how will institutions change The historical and contemporary studies here provide some base data and some theoretical approaches necessary for any who may wish to consider what will become increasingly acute practical questions

Black Families in Corporate America Susan D. Toliver, 1998-03-09 What progress have African Americans made in corporate America This book examines the evidence by drawing on studies of almost 200 black corporate managers and their families A past president of the New York State Council on Family Relations author Susan D Toliver shows that black families have progressed in corporate America but the inroads are uneven Toliver takes a penetrating look at how the cultural identity of black families has been influenced by their participation in corporate America She also suggests that corporations deepen their commitment to cultural diversity not in name only but work to emphasize the talents and develop the strengths of the African American community Black Families in Corporate America explores the following areas Shifting gender dynamics within the families of black managers Changes in approaches to parenting Issues of racial identity within corporations and the professional black community Black Families in Corporate America will appeal to scholars in ethnic studies multicultural counseling family theory sociology social work personnel management organizational development and cross cultural psychology

Circles and Settings Helena Znaniecka Lopata, 1994-01-01 Circles and

Settings Role Changes of American Women is an original comprehensive analysis of changing roles of American women at a time of great upheaval and public as well as social science commentary Using a symbolic interactionist framework with role seen as a set of negotiated relations Lopata analyses the roles of wife mother kin member daughter sister grandmother homemaker job holder in different settings as well as friend neighbor volunteer and activist This book comprehensively pulls together all the major involvements of American women using both historical and comparative perspectives to show the evolution of these roles over the last century

Our Lives To Live: Putting A Woman's Face To Change In Singapore Kanwaljit Soin, Margaret Thomas, 2015-05-05 Our Lives to Live Putting a Woman's Face to Change in Singapore explores and documents how women's roles choices and voices in Singapore have changed in the last 50 years how women from all sectors of society have helped to shape the Singapore we know today The 31 chapters some with a more academic slant others with a distinctly personal tone reflect the rich diversity and depth of women's contributions to Singapore's evolution in the last half century and also point to the problematical areas that still need attention The perspectives in this book are provided by three generations of women and they put a human face the woman's face to the tremendous changes in Singapore society over the past 50 years The authors include some of Singapore's most accomplished women in many different fields Speaker of Parliament Halimah Yacob political scientist and diplomat Chan Heng Chee global women's activist Noeleen Heyzer sociologist and politician Aline Wong food ambassador Violet Oon sports legend Pat Chan law lecturer and playwright Eleanor Wong and novelist Meira Chand

More Equal Than Others Rosanna Hertz, 1986 By placing the dual career marriage in its economic and social context *More Equal Than Others* goes beyond the media image of dual career couples as self sufficient units and compels the reader to confront the dilemmas and possibilities of modern marriages

The Change of a Lifetime John C. & Martha N. Beck, 1994-05-01 This book documents the changes in Japanese employment structures behavior patterns and attitudes that indicate that lifetime employment was not an indestructible bastion of Japanese cultural heritage Readable and refreshingly free of jargon Asiaweek

English Pindaric Odes Jean Elizabeth Ward,

The Shriver Report: A Woman's Nation Changes Everything Maria Shriver, 2009-10-20 When we look back over the 20th century and try to understand what's happened to workers and their families and the challenges they now face the movement of women out of the home and into paid employment stands out as a unique and powerful transformation At one level everything has changed And yet so much more change is needed Even though we were all witness to the shift of women becoming equal or primary breadwinners over many years these changes seem somehow to have snuck up on us As a result our policy landscape remains stuck in an idealized past where the typical family was composed of a married for life couple with a full time breadwinner and full time homemaker who raised the children herself This report contemplates what a new America should look like after we finally embrace this important new dynamic in our lives and the changes in our homes and businesses it has caused It examines every institution including Health Care Health care and child care must be

overhauled to accommodate the 24 hour work day Education With more women acting as equal or primary breadwinners in the family it is critical that there are resources to provide better and up to date education for all ages Business Research shows that corporations with more women in the board room are more successful than those with all male boards With that in mind the report puts forth many recommendations to allow businesses to get the best out of all employees by thinking outside the box of old fashioned models in scheduling benefits and role playing Media The disconnect between how women are portrayed in the media and reality is as present as ever although women are now portrayed as thin well dressed successful stars in their careers and home lives the reality is that women still struggle to have it all The report highlights the many disparities that still exist and calls for specific changes Faith Many religious institutions have resisted the integration of women into the higher ranks of spirituality and many feel that it is to the religious community s detriment Marriage the dynamics of marriage have changed as gender roles have become less clear and there is more flexibility in the division of responsibilities Yet no one is sure what the rules are any more This section which includes candid essays from men about fatherhood and masculinity addresses the tricky balancing act that many couples are engaged in The report will be the cornerstone of the 2009 Women s Conference held in California October 26 27th of 2009 The Women s Conference is the nation s premier forum for women and is hosted by California First Lady Maria Shriver and Governor Arnold Schwarzenegger The Conference also known as The California Governor and First Lady s Conference on Women has grown from a California initiative for working professionals into an international network of women from all walks of life backgrounds and perspectives and a life changing experience for the thousands of women who have attended The mission of The Women s Conference is to inspire empower and educate women to be Architects of Change in their own lives and in the lives of others Husbands Love Your Wives As Christ Loves The Church Reginald Joseph,2020-11-17 In this heroic tale of Love courage commitment and awaken through brotherhood this Manuscript shows how communication cannot exist without understanding and power isn t achieved without knowledge Remarkably so at 33 years of age Reginald Joseph Jr with this book embodies the essence of fellowship in the church the marriage our friendships and more importantly ourselves by using theology psychology and sports references to send the readers on a Christ awakening note journey Based on true events he writes a love letter to the church and to marriages around the world using personal experiences and entendres to convince a body of believers of their true superpower in strength in numbers and unity With his platform Reginald writes out his thesis sermon to the masses and provides a business plan for the community communities to save a sleeping nation Highlighting hometown heroes in this first of a two book series confronting the new age This book is a must have **The Diary of a Desperate Naija Woman In the Year 20-Ten** Bola Essien-Nelson,2011-01-13 The Diary of a Desperate Naija Woman™ in the Year 20 Ten is the second in the The Diary series published by Bola Essien Nelson This book just like the first The Diary of a Desperate Naija Woman in the Year Two Thousand and 9 is a collection of daily blogs that capture in a very random way

the thoughts musings and sometimes the mad rants of a Nigerian working woman wife and mother who desperately wants to be like her Saviour Brother Friend Jesus Christ As you flip the pages you will travel with Bola on a year long journey across 2010 during which she tries to keep all the balls of her life up in the air AND fulfill her most passionate goal To be an authentic Christian This book you hold in your hand is an open invitation to all who read it to join her on this truly life changing quest

The Power House Wives Fredrica Greene,2016-04-05 Power House Inc the largest employer in suburban Fairbrook downsizes throwing hundreds of employees out of work The story focuses on four women their lives suddenly turned upside down by the lay offs face the loss of their homes Charlotte is the ex wife of the PowerHouse CEO who now wants to cut off his financial support and force her to sell the home that had been in her family for generations It seems he ll stop at nothing to get his way Laurel has moved nine times during her twenty one year marriage and has finally settled permanently or so she thought into the first house she has ever owned But her husband is so defeated by his job loss he is too immobilized to look for work and they may lose their house Zora s husband doesn t tell her he lost his job and she continues her lavish lifestyle until they re nearly broke Robin a high school teacher expecting her first child has given the school district her notice When her husband s job goes up in smoke she tries to get her job back only to find her position has been eliminated due to the economic downturn Meanwhile her husband can t hold a job and it looks as if they ll lose their new home Each of these women realizes she will have to act if she is to save her home And the odds against all of them are great In facing these challenges each finds qualities in themselves they never knew they had

Code-Switching Zena Wynn,2020-03-29 Code Switching noun The act of purposely modifying one s language or behavior in different ways depending on social context The coolly elegant Catherine Brown is just the woman I need to take my career to the next level She s everything I could want in a corporate wife attractive well bred and refined Like me Catherine has an Ivy League education a strong work ethic and a driving need to be successful After working closely with her for the last five years and three months of exclusive dating I m confident I ve learned all I need to know and ask Catherine to marry me Then a family emergency causes Catherine to reveal a side of her nature I had no idea existed She s trying her best to keep me out of it but I m determined to stick to her like glue You see Catherine may be the perfect corporate wife but Tikki is my perfect match
