and lay people alike have addressed contemporary hopes by fashioning an authentically Jewish festival that blossomed in their American world The ways in which Hanukkah was reshaped by American Jews reveals the changing goals and values that emerged among different contingents each December as they confronted the reality of living as a religious minority in the United States Bringing together clergy and laity artists and businessmen teachers parents and children Hanukkah has been a dynamic force for both stability and change in American Jewish life The holiday s distinctive transformation from a minor festival to a major occasion that looms large in the American Jewish psyche is a marker of American Jewish life Drawing on a varied archive of songs plays liturgy sermons and a range of illustrative material as well as developing portraits of various communities congregations and rabbis Hanukkah in America reveals how an almost forgotten festival became the most visible of American Jewish holidays □□□□ □□□□ Daniel Neustadt,2007 **Codex Judaica** Máttis Kantor,2005
