Imitations of Life Abe C. Ravitz, 1997-10-29 Ravitz notes that Hurst was amazingly adept at anticipating what the public wanted Sensing that the national interest was shifting from rural to urban subjects Hurst set her immigrant tales and her working girl tales in urban America In her early stories she tried to bridge the gap between Old World and New World citizens each somewhat fearful and suspicious of the other She wrote of love and ethnicity bringing the Jewish Mother to prominence of race relations and prejudice of the woman alone in her quest for selfhood Ravitz argues in fact that her socially oriented tales and her portraits of women in the city clearly identify her as a forerunner of contemporary feminism

Suárez shows how plastics glitter mechanical ensembles urban ruins garbage amphetamine film grain and noise have been mobilized in the articulation of queerness for the screen *Experimental Film and Queer Materiality* is an inquiry into the liveliness of matter and into the interface between sexuality and the material world

Jews, Race and Popular Music Jon Stratton, 2017-07-05 Jon Stratton provides a pioneering work on Jews as

a racialized group in the popular music of America Britain and Australia during the twentieth and early twenty first centuries Rather than taking a narrative historical approach the book consists of a number of case studies looking at the American British and Australian music industries Stratton s primary motivation is to uncover how the racialized positioning of Jews which was sometimes similar but often different in each of the societies under consideration affected the kinds of music with which Jews have become involved Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in depth and critical understanding of Jews race and popular music *New York Magazine* ,1985-03-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Called Shot** Thomas Wolf,2020-05-01 In the summer of 1932 at the beginning of the turbulent decade that would remake America baseball fans were treated to one of the most thrilling seasons in the history of the sport As the nation drifted deeper into the Great Depression and reeled from social unrest baseball was a diversion for a troubled country and yet the world of baseball was marked by the same edginess that pervaded the national scene On the field fights were as common as double plays Amid the National League pennant race Cubs shortstop Billy Jurgens was shot by showgirl Violet Popovich in a Chicago hotel room When the regular season ended the Cubs and Yankees clashed in what would be Babe Ruth s last appearance in the fall classic After the Cubs lost the first two games in New York the series resumed in Chicago at Wrigley Field with Democratic presidential candidate Franklin Roosevelt cheering for the visiting Yankees from the box seats behind the Yankees dugout In the top of the fifth inning the game took a historic turn As Ruth was jeered mercilessly by Cubs players and fans he gestured toward the outfield and then blasted a long home run After Ruth circled the bases Roosevelt exclaimed Unbelievable Ruth s homer set off one of baseball s longest running and most intense debates did Ruth in fact call his famous home run Rich with historical context and detail *The Called Shot* dramatizes the excitement of a baseball season during one of America s most chaotic summers *City Songs and American Life, 1900-1950* Michael L. Lasser,2019 Nothing defines the songs of the great American songbook more richly and persuasively than their urban sensibility During the first half of the twentieth century songwriter such as Harold Arlen Irving Berlin Dorothy Fields George and Ira Gershwin and Thomas Fats Waller flourished in New York City the home of Tin Pan Alley Broadway and Harlem Many of these remarkably deft and forceful creators were native New Yorkers Others got to Gotham as fast as they could Either way it was as if from their vantage point on the West Side of Manhattan these artists were describing America not its geography of politics but its heart to Americans and to the world at large In *City songs and American life 1900 1950* renowned author and broadcaster Michael Lasser offers an evocative and probing

account of the popular songs including some written originally for the stage or screen that America heard and sang and danced to during the turbulent first half of the twentieth century Lasser demonstrates how the spirit of the teeming city pervaded these wildly diverse songs Often that spirit took form overtly in songs that portrayed the glamor of Broadway of the energy and jazz age culture of Harlem But a city bred spirit or even a specifically New York City way of feeling and talking also infused many other widely known and loved songs stretching from the early decades of the century to the twenties the age of the flapper bathtub gin and women s right to vote the Great Depression and finally World War II Throughout this remarkable book Lasser emphasizes how the soul of city life as echoes in the nation s songs developed and changed in tandem with economic social and political currents in America as a whole Dust jacket flap *American National Biography*, 1999

Sitting Pretty Clifton Webb, 2011-05-17 More than any other male movie star the refined Clifton Webb 1889 1966 caused the moviegoing public to change its image of a leading man In a day when leading men were supposed to be strong virile and brave Clifton Webb projected an image of flip acerbic arrogance He was able to play everything from a decadent columnist Laura to a fertile father Cheaper by the Dozen and The Remarkable Mr Pennypacker delivering lines in an urbanely clipped acidly dry manner with impeccable timing Long before his film career began Webb was a child actor and later a suavely effete song and dance man in numerous Broadway musicals and revues The turning point in his career came in 1941 when his good friend No l Coward cast him in Blithe Spirit Director Otto Preminger saw Webb s performance and cast him in Laura in 1944 Webb began to write his autobiography but he said that he eventually had gotten bogged down in the process However he did complete six chapters and left a hefty collection of notes that he intended to use in the proposed book His writing is as witty and sophisticated as his onscreen persona Those six chapters information and voluminous notes and personal research by coauthor David L Smith provide an intimate view of an amazingly talented man s life and times

Moving Performances Jeanne Scheper, 2016-12-13 Fabulous yet fierce imperious yet impetuous boss yet bitchy divas are figures of paradox Their place in culture is equally contradictory as they are simultaneously venerated and marginalized hailed as timeless but then frequently forgotten or exhumed as cult icons by future generations Focusing on four early twentieth century divas Aida Overton Walker Lo e Fuller Libby Holman and Josephine Baker who were icons in their own time Moving Performances considers what their past and current reception reveals about changing ideas of race and gender Jeanne Scheper examines how iconicity can actually work to the diva s detriment reducing her to a fetish object a grotesque or a figure of nostalgia Yet she also locates more productive modes of reception that reach to revive the diva s moving performances imbuing her with an affective afterlife As it offers innovative theorizations of performance reception and affect Moving Performances also introduces readers to four remarkable women who worked as both cultural producers and critics deftly subverting the tropes of exoticism orientalism and primitivism commonly used to dismiss women of color Rejecting iconic depictions of these divas as frozen in a past moment Scheper vividly demonstrates how their performances continue to
