**John Fante** Stephen Cooper, David M. Fine, 1999 Over the span of a half century from the early 1930s to the early 1980s the Italian American Fante 1909 1983 wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down and out days in Los Angeles to his adventures as a screenwriter in Hollywood He writes about all these things with gusto humor directness and an honesty tinged with the irony of a true modernist BOOK JACKET

**Dreams from Bunker Hill** John Fante, 1999 John Fante Richard Collins, 2000 John Fante an important figure in the history of the Italian American novel is proving to be fascinating to contemporary readers Richard Collins has caught Fante's spirit from several crucial angles as an ethnic writer as a comic novelist as a serious writer struggling to remain so in Hollywood Intelligent balanced informative and empathetic this book combines criticism with scholarship and biography with history to make what Henry James would have called a perfect literary portrait for it gives life to an interesting subject

**Los Angeles's Angels Flight** Jim Dawson, 2008 From 1901 to 1969 Angels Flight was America's most famous incline railway familiar from its many appearances on postcards and in pulp fiction and film noir It inspired the titles of five novels including a 1999 best seller and three films Angels Flight's two colorful trolleys glided up and down the side of Bunker Hill in the heart of Los Angeles carrying 100 million passengers between a downtown business district and a Victorian aerie that gradually deteriorated into a gritty slum When the city turned Bunker Hill into an acropolis of skyscrapers Angels Flight was packed up like a boy's electric train set and stored away for nearly 30 years After a restoration in the mid 1990s that led to a fatal accident Angels Flight has reopened and is now ready to claim its next chapters in Los Angeles history Queen Calafia's Paradise Kenneth Scambray, 2007 In *Queen Calafia's Paradise* Ken Scambray explains that California offers Italian American protagonists a unique cultural landscape in which to define what it means to be an American and how Italian American protagonists embark on a voyage to reconcile their Old World heritage with modern American society In *Pasinetti's* *From the Academy Bridge* 1970 Scambray analyzes the influence of Pasinetti's diverse California landscape upon his protagonist Scambray argues that any reading of Madalena's *Confetti* for Gino 1959 set in San Diego's Little Italy must take into account Madalena's homosexuality and his little known homosexual World War II novel *The Invisible Glass* 1950 In his chapters covering John Fante's Los Angeles fiction Scambray explores the Italian American's quest to locate a home in Southern California Ken Scambray teaches courses in North American Italian literature and Los Angeles fiction at the University of La Verne **The ^ADream Endures** Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and

golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books *The History of Forgetting* Norman M.
