**Subjectivity and Sexuality in Contemporary Chinese Feminist Writing** Ruttapond Swanpitak, 2025-02-17 This book explores representations of female sexuality and subjectivity in contemporary Chinese fiction by three women writers published from 1986 to 2000 from the perspective of poststructuralist feminism It discusses the representative works of authors Wang Anyi Tie Ning and Chi Li who are well known in the Chinese literary field However their works have not to date been analysed through the poststructuralist feminism s notions of subjectivity femininity and transgression This book then provides detailed analysis of each writer and draws comparisons between their works to provide an extended consideration of female sexuality and subjectivity within post Mao Chinese fiction In this respect this book not only offers fresh insights into the three authors fiction but also contributes to the feminist study of Chinese women s writing Additionally the research contributes to a better understanding of contemporary Chinese culture in relation to patriarchy misogyny feminism differences and resistance It is relevant to scholars in the fields of China studies Chinese literature feminist literature and gender studies

**Power and Identity in the Chinese World Order** Billy K.L. So, John Fitzgerald, Jianli Huang, James K. Chin, 2003-03-01 Wang Gungwu is one of the most influential historians of his generation Initially renowned for his pioneering work on the structure of power in early imperial China he is more widely known for expanding the horizons of Chinese history to include the histories of the Chinese and their descendents outside China It is probably no coincidence Philip Kuhn observes that the most comprehensive historian of the Overseas Chinese is the historian most firmly grounded in the history of China itself This book is a celebration of the life work and impact of Professor Wang Gungwu over the past four decades It commemorates his contribution to the study of Chinese history and the abiding influence he has exercised over later generations of historians particularly in the Asia Pacific region The book begins with an historiographical survey by Philip Kuhn Francis Lee Higginson Professor of History at Harvard University of Wang Gungwu s enduring contribution to scholarship It concludes with an engaging oral history of Professor Wang s life career and research trajectory The intervening chapters explore many of the fields in which Wang Gungwu s influence has been felt over the years including questions of political authority national identity commercial life and the history of the diaspora from imperial

times to the present day Each of these chapters is authored by a former student of Professor Wang now working and teaching in Hong Kong Southeast Asia Australasia Taiwan and Canada      *Sex, Love and Feminism in the Asia Pacific* Chilla Bulbeck,2008-10-27 This book explores feminism the women s movement and gender relations in the Asia Pacific region Through a comparative analysis of ten countries both Asian and Western it examines important issues such as attitudes towards feminism family relations sex and same sex sexual relations abortion rights nudity and pornography      **Visualising Ethnicity in the Southwest Borderlands** Jing Zhu,2020-01-29 This book explores the mutual constitutions of visibility and empire from the perspective of gender probing how the lives of China s ethnic minorities at the southwest frontiers were translated into images Two sets of visual materials make up its core sources the Miao album a genre of ethnographic illustration depicting the daily lives of non Han peoples in late imperial China and the ethnographic photographs found in popular Republican era periodicals It highlights gender ideals within images and develops a set of visual grammar of depicting the non Han Casting new light on a spectrum of gendered themes including femininity masculinity sexuality love body and clothing the book examines how the power constructed through gender helped to define order popularise celebrate and imagine possessions of empire      *Fashion and Orientalism* Adam Geczy,2013-02-28 Explores the extent of the influence that the Orient had and continues to have on fashion      **The Many Dimensions of Chinese Feminism** Y. Chen,2011-05-23 In the current English language publication market this book is one of the earliest academic monographs to comparatively investigate different feminist scholars and academic feminism across the Taiwan Strait It problematizes recent scholarly understanding of feminist complexity in various Chinese speaking areas This book addresses sociocultural backgrounds of how Mainland Chinese Taiwanese and Hong Kong feminist scholars strategize their transfers localization and acculturation of Western feminist literary theories It emphasizes how Chinese literary theorists filter gate keep select import latest Western feminist theories and then match them with local socio cultural trends by exerting comparative researchers cross cultural and cross lingual academic power in order to tackle Mainland China s Taiwan s and Hong Kong s own gender problems      **The Cult of Happiness** James A. Flath,2011-11-01 History and art come together in this definitive discussion of the Chinese woodblock print form of nianhua literally New Year pictures By analyzing the role of nianhua first in the home and later in commercial and political theatres James Flath relates these artworks to the social cultural and political milieu of North China as it was between the late Qing dynasty and the early 1950s Among the first studies in any field to treat folk art and folk print as historical text The Cult of Happiness offers original insight into popular conceptions of domesticity morality gender society modernity and the transformation of the genre as a propaganda tool under communism An extraordinary account of the cultural life of rural North China over the period      **Chinese History** Endymion Porter Wilkinson,2000 Endymion Wilkinson s bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China In this latest edition now in a bigger format its scope has been dramatically enlarged by

the addition of one million words of new text Twelve years in the making the new manual introduces students to different types of transmitted excavated and artifactual sources from prehistory to the twentieth century It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography

**Caring in Times of Precarity** Chow Yiu Fai, 2018-12-14 Caring in Times of Precarity draws together two key cultural observations the increase in those living a single life and the growing attraction of creative careers Straddling this historical juncture the book focuses on one particular group of precariat single women in Shanghai in various forms of creative self employment While negotiating their share of the uncanny creative work ethos these women also find themselves interpellated as shengn left over women in a society configured by a mix of Confucian values heterosexual ideals and global images of womanhood Following these women s professional social and intimate lives the book refuses to see their singlehood and creative labour as problematic and them as victims It departs from dominant thinking on precarity which foregrounds and critiques the contemporary need to be flexible mobile and spontaneous to the extent of self exploitation accepting insecurity The book seeks to understand empirically and specifically women s everyday struggles and pleasures It highlights the up close everyday embodied affective and subjective experience in a particular Chinese city with broader global resonances well beyond China Exploring the limits of the politics of precarity the book proposes an ethics of care

**Chinese Masculinities in a Globalizing World** Kam Louie, 2014-11-20 This book explores how the traditional ideal of Chinese manhood the wen cultural attainment and wu martial prowess dyad has been transformed by the increasing integration of China in the international scene It discusses how increased travel and contact between China and the West are having a profound impact showing how increased interchange with Western men for whom wu is a more significant ideal has shifted the balance in the classic Chinese dichotomy and how the huge emphasis on wealth creation in contemporary China has changed the notion of wen itself to include business management skills and monetary power The book also considers the implications of Chinese soft power outside China for the reconfigurations in masculinity ideals in the global setting The rising significance of Chinese culture enables Chinese cultural norms including ideals of manhood to be increasingly integrated in the international sphere and to become hybridised The book also examines the impact of the Japanese and Korean waves on popular conceptions of desirable manhood in China Overall it demonstrates that social constructions of Chinese masculinity have changed more fundamentally and become more global in the last three decades than any other time in the last three thousand years

The Inner Quarters and Beyond , 2010-07-14 Only recently has the enormous literary output of women writers of the Ming and Qing periods 1368 1911 been rediscovered Through these valuable texts we apprehend in ways not possible earlier the complexity of women s experiences in the inner quarters and their varied responses to challenges facing

state and society Writing in many genres women engaged with topics as varied as war travel illness love friendship female heroism and religion Drawing on a library of newly digitized resources this volume s eleven chapters describe analyze and theorize these materials They question previous assumptions about women s lives and abilities open up new critical space in Chinese literary history and offer new perspectives on China s culture and society This volume rewrites the history of Chinese women s literature by taking a truly inter disciplinary instead of merely multi disciplinary approach In so doing it ends up illuminating the centrality of writing women to the social political and intellectual lives of the Chinese empire from the seventeenth to the nineteenth centuries Prof Dorothy Ko Barnard College Columbia University author of *Cinderella s Sisters A Revisionist History of Footbinding* California 2005

**The Dianshizhai Pictorial** Xiaoqing Ye,2003 Brings to life the visual culture of the nightless city late nineteenth century Shanghai through analyses of more than one hundred drawn depictions

**Women's Suffrage in Asia** Louise Edwards,Mina Roces,2006-08-21 Including chapters on Indonesia India Thailand China the Philippines Japan Malaysia Korea Vietnam and international suffrage connections *Women s Suffrage in Asia* engages in debates on suffrage in the region by raising issues unique to the country s case studies presented It explains why the history of suffrage is neglected in the nationalist historiography and untangles the connections between culture nationalism and colonialism in the context of women s struggles for suffrage

**Some Did it for Civilisation, Some Did it for Their Country** Jane E. Elliott,2002 This book marks a total departure from previous studies of the Boxer War It evaluates the way the war was perceived and portrayed at the time by the mass media As such the book offers insights to a wider audience than that of sinologists or Chinese historians The important distinction made by the author is between image makers and eyewitnesses Whole categories of powerful image makers both Chinese and foreign never saw anything of the Boxer War but were responsible for disseminating images of that war to millions of people in China and throughout the world

**Theorising Chinese Masculinity** Kam Louie,2002-04 This book is the first comprehensive analysis of Chinese masculinity Kam Louie uses the concepts of wen cultural attainment and wu martial valour to explain attitudes to masculinity This revises most Western analyses of Asian masculinity that rely on the yin yang binary Examining classical and contemporary Chinese literature and film the book also looks at the Chinese diaspora to consider Chinese masculinity within and outside China

*Visualizing Beauty* Aida Yuen Wong,2012-01-01 *Visualizing Beauty*

examines the intersections between feminine ideals and changing socio political circumstances in China Japan and Korea during the first half of the twentieth century Eight essays present a broad range of visual products that informed concepts of beauty and womanhood including fashion interior design magazines newspaper illustrations and paintings of and by women Studying Traditional Woman and New Woman as historical categories this anthology contemplates the complex relations between feminine subjectivity and the promotion of modernity commerce and colonialism **Rethinking Japanese Studies**

Kaori Okano, Yoshio Sugimoto, 2017-08-04 Japanese Studies has provided a fertile space for non Eurocentric analysis for a number of reasons It has been embroiled in the long running internal debate over the so called Nihonjinron revolving around the extent to which the effective interpretation of Japanese society and culture requires non Western Japan specific emic concepts and theories This book takes this question further and explores how we can understand Japanese society and culture by combining Euro American concepts and theories with those that originate in Japan Because Japan is the only liberal democracy to have achieved a high level of capitalism outside the Western cultural framework Japanese Studies has long provided a forum for deliberations about the extent to which the Western conception of modernity is universally applicable Furthermore because of Japan s military economic and cultural dominance in Asia at different points in the last century Japanese Studies has had to deal with the issues of Japanocentrism as well as Eurocentrism a duality requiring complex and nuanced analysis This book identifies variations amongst Japanese Studies academic communities in the Asia Pacific and examines the extent to which relatively autonomous scholarship intellectual approach or theories exist in the region It also evaluates how studies on Japan in the region contribute to global Japanese Studies and explores their potential for formulating concrete strategies to unsettle Eurocentric dominance of the discipline **Encyclopedia of Sex and Gender**

Carol R. Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender gender differences gender roles relationships between the genders and sexuality The encyclopedia is divided into two volumes Topics and Cultures The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and every social science and health department Contents Glossary Cultural Conceptions of Gender Gender Roles Status and Institutions Sexuality and Male Female Interaction Sex and Gender in the World s Cultures Culture Name Index Subject Index
