Francesca Granata,2021-02-25 This is the first anthology of fashion criticism a growing field that has been too long overlooked Fashion Criticism aims to redress the balance claiming a place for writing on fashion alongside other more well established areas of criticism Exploring the history of fashion criticism in the English language this essential work takes readers from the writing published in avant garde modernist magazines at the beginning of the twentieth century to the fashion criticism of Robin Givhan the first fashion critic to win a Pulitzer Prize and of Judith Thurman a National Book Award winner It covers the shift in newspapers from the so called women s pages to the contemporary style sections while unearthing the work of cultural critics and writers on fashion including Susan Sontag and Eve Babitz Vogue Bebe Moore Campbell Ebony Angela Carter New Statesman and Hilton Als New Yorker Examining the gender dynamics of the field and its historical association with the feminine Fashion Criticism demonstrates how fashion has gained ground as a subject of critical analysis capitalizing on the centrality of dress and clothing in an increasingly visual and digital world The book argues that fashion criticism occupied a central role in negotiating shifting gender roles as well as shifting understandings of race Bringing together two centuries of previously uncollected articles and writings from Oscar Wilde s editorials in The Woman s World to the ground breaking fashion journalism of the 1980s and today s proliferation of fashion bloggers it will be an essential resource for students of fashion studies media and journalism **The Chronicle of the Horse** ,2010 **Dress**
