she begs to return to Texas but her wishes fall on deaf ears When they finally reach their destination she discovers they have moved to what she describes as a wide spot in the road and their new house isnt much better than the one they left in Texas Soon after arriving in California Mary is told she must learn to speak correctly There is no such word as aint she is told and shes not to use southern slangwords like didja gonna gotta and dozens of others Its all very confusing especially when she is informed that her Mama would henceforth be known as Mother Soon more of her fathers family joins them in California and she doesnt feel quite so lonesome Then she reaches school age and comes face to face with a whole new world when she discovers that she is just a small cog in the scheme of things and she is forever falling out of sync Marys parents have grilled into her that she is never to get into a car with a stranger So when a car pulls to a stop and a lady gets out and approaches her while she is waiting at the bus stop alone on the first day of school Mary panics She is sure that the lady is going to kidnap her so she runs home screaming all the way Things went downhill from there Most of Marys pretty school dresses were made of printed flour sacks but some of the girls referred to them as rags Once the other kids realized that she was very smart and always got top grades she became known as smarty pants teachers pet and other names that were not so nice Mary began to think of herself as a country mouse in comparison to other girls Especially since her hair was a plain mousy brown without any curl while her cousin Olivia and her sister Reba both were curly headed blonds So Mary withdrew and turned to books and a world of make believe However there are happy times too Once a month the Martins and Jeffersons go on a picnic to a local park where the children play on the playground equipment and go for exciting boat rides Another time they attend a war bond rally where The Sons of the Pioneers along with Roy Rogers and his horse Trigger are the main attraction And theres the Fourth of July picnic where one of the rockets went astray and caused all kinds of excitement Theres also travel One Christmas four families of the Martin relatives caravan by automobile to Texas to spend the holidays with the rest of the family Along the road they run into all types of excitement rain wind snow ice flooded roads and even a cattle drive Finally they reach their destination and its a whirlwind of new experiences for Mary The cousins join in building a snowman and then proceed to have a snowball fight Its a rare treat since there is no snow in
