

The screenshot shows the entrance to the Carmina Cave. On the left, a vertical UI element displays the chapter title "The Tower" and a progress indicator with three circles, the second of which is highlighted. The cave entrance is a dark, rocky opening with a map of the cave's interior visible on the left wall. The text "WELCOME TO CARMINA" is displayed in a stylized font at the top right. Below this, there are three sets of empty rectangular boxes for player input. At the bottom, a paragraph of text describes the player's situation: "At the exit of this cave, you lost your memory. You no longer know where to go. You see footprints leading north. A mountain also emerges from the horizon to the west." Below this text is a question: "Where do you want to go?"

Drifters Diary Jake Lagnado,2003-05-01 **The Diary of a Drifter** Steven Roof,2021-08-03 This book is about my life I crossed county sixteen times on foot on most of it and lived on the road for fifteen years eating wild edible plants and always leaving home with no money This book is more than just a book This book can save lives Say you have no family and no friends and you re homeless The knowledge in this book can save your life Of course you will have to be extremely careful if anyone ever tries to do this I urge anyone who reads my book to use this knowledge only if they are in trouble The reason for this book is to save people and open people s eyes to the drifter world a world most people only briefly hear about I m letting the world know what these homeless world travelers go through in great detail It took me fifteen years to write this book because I kept getting rained on and my book kept getting ruined I m proud to finally give the world The Diary of a Drifter
