Drive Thru America:

Drive-Thru Dreams Adam Chandler, 2019-06-25 This is a book to savor especially if you're a fast food fan. Bookpage This fun argumentative and frequently surprising pop history of American fast food will thrill and educate food lovers of all speeds. Publishers Weekly Most any honest person can own up to harboring at least one fast food guilty pleasure. In *Drive Thru Dreams* Adam Chandler explores the inseparable link between fast food and American life for the past century. The dark underbelly of the industry's largest players has long been scrutinized and gutted, characterized as impersonal, greedy, corporate, and worse. But in unexpected ways, fast food is also deeply personal and emblematic of a larger-than-life image of America. With wit and nuance, Chandler reveals the complexities of this industry through heartfelt anecdotes and fascinating trivia, as well as interviews with fans, executives, and workers. He traces the industry from its roots in Wichita, where White Castle became the first fast food chain in 1921 and successfully branded the hamburger as the official all-American meal, to a teenager's 2017 plea for a year's supply of Wendy's chicken nuggets, which united the internet to generate the most viral tweet of all time. *Drive Thru Dreams* by Adam Chandler tells an intimate and contemporary story of America, its humble beginning, its innovations and failures, its international charisma, and its regional identities through its beloved roadside fare.

Journey Thru America My Quest For Peace Volume One Gary L Beer, 2012-07-30 To travel America had been a lifelong dream. I promised myself that on completing university, which I attended as a mature student studying chemistry, I would pluck up the courage and GO. I met a white witch of the Wicca cult online and she invites me to stay with her in Virginia, in the Bible Belt. In September 2002 I live with her for a month, where things turn out badly between us. I had bought a second-hand car and one morning do a runner and head for Niagara Falls, Canada. It is too cold for me in October, as is Michigan, so I head south through Indiana, Kentucky, Tennessee, Arkansas, to the Gulf of Mexico, Padre Island, and then through the deserts to California. This book is a compilation of the long letters that became a diary that I wrote home to my daughter up to February, March, to May. California to West Virginia is covered in my second Novel, available now. [Journey Thru America The Way Home Volume Two](#) Gary L Beer, 2012-07-30 This is the second volume of Gary's incredible journey through America, continuing his adventures from *Journey Thru America My Quest For Peace The Way Home*, which starts in California in the Giant Redwood forest at Big Sur. Gary prepares for the return journey east across this vast continent. Travelling alone, the journey back is filled with excitement and adventure as Gary meets many fascinating and hilarious characters who also travel this huge country. *Journey Through America* Wolfgang Koeppen, Michael Kimmage, 2012-08-01 *Amerikafahrt* by Wolfgang Koeppen is a masterpiece of observation, analysis, and writing based on his 1958 trip to the United States. A major twentieth-century German writer, Koeppen presents a vivid and fascinating portrait of the US in the late 1950s: its major cities, its literary culture, its troubled race relations, its multi-culturalism, and its vast loneliness, a motif drawn in part from Kafka's *Amerika*. A modernist travelogue, the text employs symbol, myth, and image as if Koeppen sought to answer de Tocqueville's

questions in the manner of Joyce and Kafka Journey through America is also a meditation on America intended for a German audience and mindful of the destiny of postwar Europe under many Americanizing influences *100 Things to Do in America Before You Die* Bill Clevlen, 2017-05-19 100 Things to Do in America Before You Die is a fun guide to understanding the complex fabric of the United States and the people that call it home This book isn't simply a listing of places to visit but a catalogue of uniquely American experiences From sipping on southern sweet tea to standing where the Wright Brothers tested their first flying machine each experience makes up an important piece of our American story You'll find an enlightening mix of history entertainment art food sports and even places to cross off your selfie bucket list As an added bonus you'll also find amusing trivia questions on every page Most important of all 100 Things to Do in America Before You Die was written to inspire road trips across the country Mountains museums fried chicken small towns and yes even the world's tallest mailbox they all await you Buckle up It's going to be a fun ride
