Phylis W Johnson, Michael C Keith, 2014-12-18 This book is both a retrospective history of the gay community's use of electronic media as a way of networking and creating a sense of community and an examination of the current situation an analysis and critical assessment of gay lesbian electronic media Keith and Johnson use original interviews and oral history to delineate the place of electronic media in the lives of this increasingly visible and vocal minority in America **Stories to Tell** Richard Marx, 2022-07-12 In *Stories to Tell* Marx uses this same engaging straight talking style to look back on his life and career He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut which inspired Marx to write one of his biggest hits He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton John his childhood crush watching *Xanadu* He shares the tribulations of working with the all female hair metal band Vixen and appearing in their video Yet amid these entertaining celebrity encounters Marx offers a more sobering assessment of the music business as he's experienced it over four decades 88 Great Daddy-Daughter Dates Rob Teigen, Joanna Teigen, 2018-04-17 With today's busy schedules it can be difficult for fathers to create meaningful memories with their girls *88 Great Daddy Daughter Dates* provides dads with a wide variety of fun ideas for spending quality time with their daughters Each date tells dads what supplies to grab where to go and how to grow together while having a blast and making great memories Included for each date are Scriptures and questions to get the conversation flowing From bird watching and making paper airplanes to bowling and photo scavenger hunts there's something for every dad and every little girl ages 6-12 This updated edition of *88 Great Daddy Daughter Dates* also includes conversation starters and a list of date ideas for teen daughters **The Story Biz Handbook** Dianne de Las Casas, 2008-09-30 Beginning with wonderful tips and advice about the art and presentation of storytelling this is a complete resource about how to build a storytelling career Storytellers come to their careers centered on the stories they love and soon realize that in order to make a living at what they love they must build a business This in depth book tells them just how and what to do in every detail from choosing a sound system to building a website to using podcasts and setting up an office Resource lists and tried and true ideas abound as the author shares her marketing and business success story throughout Each chapter is a story in itself beginning and ending with different traditional folktale openings and closings There is even a chapter on how to plan for retirement Shoot First and Ask Questions Later Justin Lewis, 2006 Based on extensive original research *Shoot First and Ask Questions Later* provides a comprehensive analysis of media coverage of the war in Iraq in 2003 The authors look closely at the main actors involved through a broad range of interviews with journalists both embedded and non embedded news editors news heads and with key planners at the Pentagon and the UK Ministry of Defence This book also investigates how the war was represented on television employing both a systematic content analysis of the broadcast news coverage of the war and a series of case studies that unravel key moments of good and bad reporting during the war Finally it examines how people responded to and interpreted the information they received from the media drawing upon both large scale surveys

and focus groups What emerges for all its blemishes is a picture of a sophisticated military public relations campaign one that had less to do with censorship than with promoting certain kinds of coverage At the heart of this was the embedded journalists program which has clearly changed the way war is reported In future the authors argue journalists need to understand their role in this public relations effort and to ask questions not only when access is denied but also when it is granted **Indianapolis Monthly** ,2003-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape
