You Are My Heart

and Other Stories Jay Neugeboren, 2011-05-17 Jay Neugeboren's *You Are My Heart* is an object lesson in imaginative empathy and observational intelligence. His fiction for years now has had the courage to be quiet and careful and comprehensively humane but it's in no way slight. One of his great subjects has been the damage that even the most caring and thoughtful can inflict and though these stories take place all over the world they're at heart about the difference between the America to which we aspire and the America in which we live. Jim Shepard Jay Neugeboren is an award-winning short story writer who has been applauded as one of the most distinguished writers of our time. With this his fourth collection of short stories he returns to the form that earned him the reputation as a master storyteller. From the secluded villages in the south of France to the cattle crawl in the Valley of a Thousand Hills in South Africa to the hard knock adolescent streets of Brooklyn Neugeboren examines the great mysteries and complexities that unsettle and comprise human relationships. In works that are as memorable engrossing and exciting as they are gorgeously crafted Neugeboren delivers on his reputation as one of our pre-eminent American writers. Jay Neugeboren is the author of seventeen books including two prize-winning novels *The Stolen Jew* *Before My Life Began* two award-winning books of nonfiction *Imagining Robert* *Transforming Madness* and three collections of award-winning stories. His stories have appeared in *The Atlantic* *Esquire* *Virginia Quarterly Review* *Best American Short Stories* *The O. Henry Prize Stories* and *Penguin Modern Stories*. He is the only author to have won six consecutive Syndicated Fiction Prizes. He lives in New York City.

Heart Songs and Other Stories Annie Proulx, 2007-12-01 Before she wrote the bestselling *Brokeback Mountain* Annie Proulx was already producing some of the finest short fiction in the country. Here are her collected stories including two new works never before anthologized. These stories reverberate with rural tradition the rites of nature and the rituals of small town life. The country is blue collar New England the characters are native families and the dispossessed working class whose heritage is challenged by the neorural bourgeoisie from the city and the themes are as elemental as the landscape revenge malice greed passion. Told with skill and profundity and crafted by a master storyteller these are lean tough tales of an extraordinary place and its people.

Heart of Darkness and Other Stories Joseph Conrad, 1995 Generally regarded as the pre-eminent work of Conrad's shorter fiction *Heart of Darkness* is a chilling tale of horror which as the author intended is capable of many interpretations.

More Stories to Touch the Heart Russ Lawson, 2008-02-01 This book is full of stories some true happenings some just good stories. Each of these short devotional lessons are a sermon unto themselves. I have had preachers write and tell me that they use them as sermon starters or for devotional lessons. Mostly they are written with the hopes that they will touch something in your heart and help you in your daily walk with Christ.
