Drucker Foundation The Community Of The Future:

The Drucker Foundation Frances Hesselbein, 1998 This collection from the world's top thinkers shows us the challenges we face in building the communities of the future and what we can do today to prepare **The Collaboration Challenge** James E. Austin, 2010-08-20 Presented by The Drucker Foundation Austin has uncovered the common elements and key strategies that make for effective collaborations In The Collaboration Challenge he illuminates these key lessons for all leaders and makes it possible for each of us to meet the collaboration challenge Frances Hesselbein chairman of the board of governors The Drucker Foundation and John C Whitehead founder The John C Whitehead Fund for Not for Profit Management Harvard Business School Austin has performed a valuable service for nonprofit organizations and their corporate partners by illuminating the dynamics of successful relationships His useful book deserves to be widely read by leaders in both sectors concerned about increasing the effectiveness of their social action agenda Rosabeth Moss Kanter Harvard Business School author of World Class and Rosabeth Moss Kanter on the Frontiers of Management The entire nonprofit sector has been searching for the expertise and tools this book provides Nothing else like it exists Bill Shore executive director of Share Our Strength and author of The Cathedral Within and Revolution of the Heart In these complex times when no organization can succeed alone nonprofits and businesses are embracing collaboration for mutual benefits Nonprofits are partnering with businesses to further their missions develop resources strengthen programs and thrive in the competitive world Companies are also discovering that alliances with nonprofits generate significant rewards increased customer preference improved employee morale greater brand identity stronger corporate culture and higher innovation In this timely and insightful book James E Austin provides a practical framework for understanding how traditional philanthropic relationships can be transformed into powerful strategic alliances He offers advice and lessons drawn from the experiences of numerous collaborations including Timberland and City Year Starbucks and CARE Georgia Pacific and The Nature Conservancy MCI WorldCom and The National Geographic Society Reebok and Amnesty International and Hewlett Packard and the National Science Resource Center Readers will learn how to Find and connect with high potential partners Ensure strategic fit with the partner's mission and values Generate greater value for each partner and society Manage the partnering relationship effectively The Case of the Missing Person R. Earle Rabb, 2009-01-01 A famous person is missing The human Jesus of Nazareth is missing from the creeds of the church missing from most of the New Testament and hidden within the four New Testament gospels It will take an exciting piece of detective work to find him and upon finding him there will be a big surprise He may not turn out to be the person the reader expects to find Finding Jesus of Nazareth can transform churches communities and individuals in unexpected ways Many people today are being drawn to the original message of Jesus apart from the image of Jesus proclaimed by the traditional church There is a hunger for the values Jesus proclaimed and practiced This book will help everyone religious or not discover the human Jesus and his original vision of

new communities of equity social justice and shared resources as well as discover what that means in our modern world

The Rise of Global Civil Society Don Eberly, 2008-03-24 Global news is generally bad news On the surface the story is about war poverty ethnic and sectarian strife Democracy movements advanced by the U S government seem to be stalled or even reversed Yet just below the surface more hopeful trends are brewing A new global awareness of the people at the bottom of the pyramid is summoning forth an unprecedented response to human need and suffering It involves a shift from vertical to horizontal power that official aid agencies are only beginning to comprehend Whereas twenty five years ago government aid accounted for 70 percent of all American outflows today 85 percent of all outflows of resources come from private individuals businesses religious congregations universities and immigrant communities If aid policy in the twentieth century relied on top down bureaucracy dominated by policy specialists and elites the twenty first century is shaping up as an era in which citizens social entrepreneurs and volunteers link up to solve problems U S military and economic power are basic components of America s presence in the world but in an environment of rampant anti Americanism it is compassion that is America s most consequential export Civil society once the distinctive characteristic of American democracy is now advancing across the globe carrying with it new forms of philanthropy citizenship and volunteerism Tens of thousands of voluntary associations are prying open closed societies from within solving problems in new ways and forming the seedbed for a long term cultivation of democratic norms Building Nations from the Bottom Up The Global Rise of Democratic Society presents a sweeping overview of the forces now shaping the global debate including citizen led development projects poverty reduction strategies that substitute opportunity for charity and electronically linked movements to combat corruption and autocratic rule *The Drucker Foundation , The Drucker Foundation Future Series Set* Peter F.
