From Sin to Disease Jonathan K. Okinaga, 2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue ***Drugproof Your Kids*** Stephen Arterburn, 1995 Display H Norman Wright's newest parenting book *Raising Kids to Love Jesus* alongside seven other classic Christian parenting books in your store Using the biblical theme *Train Up a Child in the Way He Should Go* this end cap is sure to tap into parents' desire to take a proactive role in raising their children ***Safe Kids*** Vivian Kramer Fancher, 1991-09-03 With immunization against major childhood diseases widely available parental concerns in the nineties are focused on safety issues A handbook and working reference for parents of children from birth through high school Using positive guidelines rather than a list of do's and don'ts the book will help you provide your child with a sense of security and the ability to act and react in challenging situations Topics covered include school street transportation recreation and medical safety spending time at home alone sexual abuse and more Parents and children will learn how to handle the hazards of today's complex world ***Healing for the City*** Craig Ellison, Edward S.
