identity Hallucinations Or maybe they aren't Visions Or perhaps glimpses into ultimate reality What do we want as a human
race And are there humans who are more so than others Not a book for the timid occasional reader nor for a good time on a

concerning three people **All In With Love** James Gardiner, 2022-08-19 Imagine stepping into the spotlight of New York
and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the
dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their
story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy
wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned
the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls
of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric
wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He
wanted to be somebody and for the first time his dreams didn't seem quite so out of reach As he got older and his asthma
became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young
man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him
into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question
that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over
the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world
each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man
left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within
their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life *God's Love
In 3-Dimensions* Jim McGrew, 2007-03-27 Could there be anything more exciting and blessed assurance in our life than
knowing that the creator of the universe loves us That is what this book God's love in 3 dimensions is about God's love for us
and His designed purpose for our lives Reflecting back over more than forty years of service in the Body of Christ I have
found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and
to our personal lives are God's love for us Our love for God and Our love for one another For the success and the life of the
Church and for our personal lives God's love must prevail God's Love in 3 dimensions reiterates the plea of the writings of

our Lord's Apostles and the prayer of our Lord for love and unity The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love Jesus our Lord prayed for God's unity and love for His followers that all of them may be one Father just as you are in Me and I am in You I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I Myself may be in them John 17:21-26 What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father The greatness of God's love joy and peace fills our hearts souls and minds providing divine direction and assurance as we walk in our Lord's Spirit of love And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord What creates and produces unity with the Heavenly Father within us and within the body of Christ God's love What motivated God's plan of salvation for mankind God's love What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation God's love What would be the greatest and most significant news a person could receive God loves you What is the greatest and most significant news one could ever share with another God loves you What brings unity and peace within our individual selves and the Lord's Church The knowledge the receiving and the expression of God's love This book is written through the spiritual desire to glorify and praise the Triune God Head for their love

Drum Beat of My Heart Mukhanela Makwarela, 2010-11-18. The book especially touches the hearts of the living beings and its surroundings. This is the collection of poems from range. The author dedicates this book to his two sons, Anza and Mukona, not forgetting his wonderful girlfriend Thilivhali Meregi. Above them all, he would like to thank his mother, Elizabeth Makwarela, who inspired his writing until today, and again his brother, Pr. Hangwani Makwarela, who helped him with the publication process of the book.

Writing My Love Claire McNab, 2006-10-01. Vonny Smith, otherwise known as Veronica Vanderveer, is the author of best-selling romance novels. Her last book, *Torrid Hearts*, not only won a Lammy but also garnered some of the best reviews of her career. Diana K. Broswell, Vonny's editor, is unaware she is the motivation behind the best-selling romances. Vonny is extremely behind schedule on her next, already under contract, novel because she has been planning her strategy to win Diana's love. She believes she will be able to woo Diana through her writing. Vonny can't help but hope Diana will slide into love with her before she is aware what is happening. An audacious tongue-in-cheek novel in progress, tucked within a deliciously fraught lesbian romance, only Claire McNab could pull off such an entertaining feat.

Katherine V. Forrest. *An Unfinished Love Affair* Barbara Keaton, 2011-10-16. Ten years ago, Allen walked out on Kayla rather than propose. For the last decade, both have worked unsuccessfully to forget the other. When they meet again, it's easy to rediscover their passion for one another. However, the complications and changes created by a ten-year separation have given them an all-new set of obstacles to overcome. Kayla and Allen must strive to hold on or finish their affair once and for all.
