Drunkard Boxing:

Boxing Friedrich Unterharnscheidt, Julia Taylor Unterharnscheidt, 2003-04-22 This book neither argues for or against the continuation of boxing but lays out the literature and the body of scientific knowledge that are necessary to provide a meaningful background for the ensuing debate It provides a comprehensive resource for those who are involved in regulating boxing and those who participate directly as well as for the medical and scientific communities Includes carefully quoted case histories and research as well as an extensive body of medical literature on boxing injuries to demonstrate that brain damage is a natural consequence of boxing Presents in depth analysis of the phenomenon of punch drunkenness Includes detailed case histories of the clinical and pathomorphological findings uncovered by current medical research Extensively reviews medical literature

When the World Laughs William V. Costanzo,2020 When the World Laughs is a book about the intersection of humor history and culture It explores how film comedy one of the world s most popular movie genres reflects the values and beliefs of those who enjoy its many forms its most enduring characters and stories its most entertaining routines and funniest jokes What people laugh at in Europe Africa or the Far East reveals important truths about their differences and common bonds By investigating their traditions of humor by paying close attention to what kinds of comedy cross national boundaries or what gets lost in translation this study leads us to a deeper understanding of each other and ourselves Section One begins with a survey of the theories and research that best explain how humor works It clarifies the varieties of comic forms and styles identifies the

world's most archetypal figures of fun and traces the history of the world's traditions of humor from earliest times to today. It also examines the techniques and aesthetics of film comedy: how movies use the world's rich repertoire of amusing stories, gags, and wit to make us laugh and think. Section Two offers a close look at national and regional trends. It applies the concepts set forth earlier to specific films across a broad spectrum of sub-genres, historical eras, and cultural contexts, providing an insightful comparative study of the world's great traditions of film comedy.

Kung Fu Cult Masters Leon Hunt, 2003 Chinese Martial Arts films have captured audiences' imaginations around the world. In this wide-ranging study, Hunt looks at the mythic allure of the Shaolin Temple, the Clones of Bruce Lee, gender-bending swordswomen, and the knockabout comedy of Sammo Hung, bringing new insights to a hugely popular and yet critically neglected genre. 12 photos
