

The background of the book cover is a dark, grainy photograph of a road at night. A pair of bright headlights from an approaching vehicle illuminates the road ahead, creating a strong contrast with the surrounding darkness. The road has white dashed lines down the center. In the distance, there are faint silhouettes of hills or mountains under a dark, overcast sky. The overall mood is mysterious and somber.

Drunken Driver Has The Right Of Way Poems:

The Drunken Driver Has the Right of Way Ethan Coen, 2001 From the fabulously creative filmmaker who wrote and produced movies such as *Fargo* *Barton Fink* and *Blood Simple* this is a provocative revealing and often hilarious collection of poems that offers insight into an artist who has always pushed the boundaries of his craft In his screenplays and short stories Ethan Coen surprises and delights us with a rich brew of ideas observations and perceptions In his first collection of poems he does much the same The range of his poems is remarkable funny ribald provocative sometimes raw and often touching and profound In these poems Coen writes of his childhood his hopes and dreams his disappointments his career in Hollywood his physically demanding love affair with Mamie Eisenhower and his decade long battle with amphetamines that produced some of the lengthier poems in the collection You will chuckle nodding with recognition as you turn the pages perhaps even stopping occasionally to read a poem Handsomely and durably bound between hard covers this is a book that will stand up to most readers attempts to destroy it

The Whole Durn Human Comedy: Life According to the Coen Brothers Joseph McBride, 2022-03-01 The Coen Bros have attracted a wide following and been rewarded with Oscars and other honors Some of their films are cult favorites and box office hits such as *Fargo* *The Big Lebowski* and *No Country for Old Men* Yet the team of filmmaking brothers remains misunderstood in some circles Ethan and Joel Coen deliberately unsettle conventional expectations and raise disturbing questions about human nature while mischievously mixing film genres and styles Their films display shocking tonal shifts as they blend comedy and drama and most controversially comedy and violence This potent m lange of themes and stylistic approaches makes the Coens films adventurous unpredictable probes into contemporary social anxieties As brilliant satirists they are heirs to Preston Sturges and Billy Wilder But they resist easy definition and raise the ire of some critics who like films to fit more comfortably into preexisting formats Film historian and critic Joseph McBride author of acclaimed biographies of Frank Capra John Ford and Steven Spielberg along with critical studies of Orson Welles Ernst Lubitsch and Wilder jousts with the Coens detractors while defining the filmmakers freshness and originality The quirkily individualistic Coens are the kind of personal filmmakers the increasingly conglomerated American cinema rarely fosters anymore and this critical study illuminates their artistic personalities and contributions
