

DREAMING OF YOU

Words and Music by **FRANNE GOLDE**
and **TOM SNOW**

Easy, relaxed Ballad

The musical score for "I Wish on a Star" by The Shirelles is presented in a standard musical notation format. The key signature is B-flat major (two flats), and the time signature is 4/4. The score is divided into three systems, each with a vocal line and a piano accompaniment line. The lyrics are written below the vocal line. The first system contains measures 1-4, the second system contains measures 5-8, and the third system contains measures 9-12. The lyrics are: "Late at night when all the world is sleep - ing, I stay up and think of you, and I wish on a star that". The piano accompaniment features a steady bass line and a melody that complements the vocal line. The vocal melody is simple and catchy, with a clear emphasis on the lyrics.

Fortune Teller is a fascinating examination of folk psychology and superstition interweaving dream interpretation and fortune telling within the rich tapestry of American and European literary traditions. Written in an accessible style, the book combines colorful narratives with practical guidance aiming to deconstruct historical beliefs surrounding witchcraft and dreams. With its blend of folklore and pragmatic advice, Noe's work resonates with the mystique of the occult, grounding it in the socio-cultural contexts of its time while providing a valuable lens through which to view the anxieties and desires of the human psyche. A.H. Noe, a notable figure in the realm of esoteric literature, drew from a background steeped in the paranormal and psychological exploration. His personal experiences and scholarly pursuits in the study of dreams and divination techniques shaped this seminal work. The author's profound interest in the ways dreams reflect our subconscious fears and wishes resonates throughout the text, making it not only a guide but also a powerful commentary on the era's fascination with the ineffable. Readers seeking an engaging trek into the world of dreams and the supernatural will find *The Witches Dream Book* and *Fortune Teller* both enlightening and enchanting. This work serves as a bridge between the rational and the mystical, making it a must-read for anyone interested in the profound connections between dreams, fate, and personal insight. *I Had the Strangest Dream...* Kelly Sullivan Walden, 2009-02-28.
