**Bernanos** Hans Urs von Balthasar, 1996-01-01 This book is a double treat it combines the genius of the towering theologian Hans Urs von Balthasar and his ability to make his subject come alive before the reader along with the focus of that genius on someone with the spiritual depth and creative stature of Georges Bernanos considered by many to be the greatest Catholic creative writer of the twentieth century The goal of this book is to simply convey what Bernanos wanted to say as the devout Christian that he was Bernanos was a deeply prayerful practicing sacramental Catholic whose profound love for the Church made everything he created or wrote an ecclesial existence that has been given form existence derived not merely from an abstract individual faith but from the faith of the Church With judicious quoting of the primary source and

careful juxtaposing of texts and commentary Balthasar provides a unique forum from which Bernanos can speak to the reader in a way that he can be clearly heard and genuinely understood Time and Society Warren D. TenHouten,2015-05-11 Time consciousness long a shared objective of philosophy and social thought is key to understanding different cultures and their cognitive adaptation to one another Warren D TenHouten s remarkable book achieves this goal by providing a bold and original three level theory of time consciousness its neurocognitive basis and social organization Using classical and contemporary ethnographies of Australian Aborigines and Euro Australians to support his theory TenHouten shows how involvement in hedonic sociality emphasizing equality and community leads to time that is cyclical present oriented and more generally natural whereas agonistic sociality based on inequality and agency leads to time that is linear future oriented and more generally rational A Lifestyle of Grace Steven Kennard,2007-02 Many people in the world today are living their lives with the pain of past events or tragedies they have experienced No where is this more evident than with the combat veterans Though their physical injuries can be healed what they brought home with them in their heart and mind will sometimes never heal Their war is still as real today as it was then Unlike the combat veteran your hurts and wounds may not have come from a foreign battlefield but from your own life experiences Here I share with you what I found in Vietnam and how I have learned to be a Grace Giver Out of the hurt and the burdens of this life God wants to give you a brand new lifestyle the lifestyle of grace Steve and Kathy Kennard have been married for thirty two years and currently living in Spring Texas Together they have three daughters Leah Kari and Stephanie and two wonderful grandchildren Aliyah and Aeden The Mumbler Dennis Siluk,2003-10 With a stroke of madness this psychological thriller novel is a story that takes place between Paris London and Amsterdam the time period being 1925 The author states After you read The Mumbler you will never get him out of your mind nor will anybody take his place He adds You will hate him feel sorry for him and at the same time want to avoid him The person referred to as The Mumbler is quite a complex figure in this haunting drama unprotected by his father who dies in WWI he now faces life on his own circumstances being problematic at best as he unwittingly fights the demons in his nightmare and his second self But who will he follow is the question the first or second self One being a thinker a scholar of sorts the other an unpredictable pathological murderer both being the incarnation of genius and malign
