Dreams Of The Heroic Muse:

Dreams of the Heroic Muse Salvatore St. John Buttaci, Susan L. Gerstle, 1982-10

Hollywood's Imperial Wars

Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood s Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like American Sniper that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts

Dreams and Dialogues in Dylan's "Time Out of Mind" Graley

Herren, 2021-07-06 Time Out of Mind is one of the most ambitious complex and provocative albums of Bob Dylan s distinguished artistic career The present book interprets the songs recorded for Time Out of Mind as a series of dreams by a single singer dreamer These dreams overlap and intermingle but three primary levels of meaning emerge On one level the singer dreamer envisions himself as a killer awaiting execution for killing his lover On another level the song cycle functions as religious allegory dramatizing the protagonist s relentless struggles with his lover as a battle between spirit and flesh earth and heaven salvation and damnation On still another level Time Out of Mind is a meditation on American slavery and racism Dylan s most personal encounter with the subject but one tangled up in associations with the minstrelsy tradition and debates surrounding cultural appropriation Time Out of Mind marks the culmination of several recurring themes that have preoccupied Dylan for decades and it serves as a pivotal turning point toward his late renaissance in terms of both subject matter and intertextual approach

Dreams of Lies and Delusions James Polus,2022-07-13 A fictitious historical tale set in a lost civilization of South Asia Dreams of Lies and Delusions is a speculation about the existence of elaborate texts detailing the people and events of their times well before the appearance of books Like many of the sophisticated cities in ancient times this fanciful chronicle of a lost writing system did not survive the passage of time shifting climates earthquakes floods and destructive invasions Imaginative oral traditions filled the void for thousands of years The story depicts the challenges of justice the fight for equality and the human drive for purpose Malevolent and baneful characters influenced by pride revenge and desire for power show the twisted murderous influence of extreme personality disorders manifested in dreams and imaginary visitations A vengeful ruler a serial killer and a religious zealot poison their minds with lies and delusions fomenting evil acts and ultimate self destruction Remarkable women characters fill the pages with acts of courage wisdom and shrewdness These characters remind us of the untapped potentiality of women in every aspect of life across the world particularly in some cultures chained to conservative ideologies

The Color-keys to "A la Recherche Du Temps Perdu" Allan H. Pasco,1976

Dream-Child Eric G. Wilson,2022-01-04 An in depth look into the life of Romantic essayist Charles Lamb and the legacy of his work A pioneer of urban Romanticism essayist Charles Lamb 1775 1834 found inspiration in London s markets theaters prostitutes and bookshops He prized the city s literary scene too where he was a star wit He counted among his admirers Mary Shelley William Wordsworth and Samuel Taylor Coleridge His friends valued in his conversation what distinguished his writing style a highly original blend of irony whimsy and melancholy Eric G Wilson captures Lamb s strange charm in this meticulously researched and engagingly written biography He demonstrates how Lamb s humor helped him cope with a life defining tragedy in a fit of madness his sister Mary murdered their mother Arranging to care for her himself Lamb saved her from the gallows Delightful when sane Mary became Charles s muse and she collaborated with him on children s books In exploring Mary s presence in Charles s darkly comical essays Wilson also shows how Lamb reverberates in today s experimental literature

Medieval Dream-Poetry A. C. Spearing,1976-11-11 This 1976 book is a study of the medieval English dream poem set against classical and medieval visionary and religious writings

The Romantic Dream Douglas B. Wilson,1993-01-01 Although criticism on the medieval and Renaissance dream abounds a strange lacuna exists in the critical literature of dream in the English Romantics Every major Romantic poet relied frequently and explicitly on dream imagery and Romantic poems conduct a long discussion about the meaning power value and provenance of dreams Douglas B Wilson s book traces the wide web of connections that the Romantics wove between dreams and other expressions of consciousness sensation emotions illusions creativity personality and memory Situating his study of the Wordsworthian dream between ancient

interpretation and Freudian interpretation Wilson gains a new perspective on the oneiric moment of Romanticism while liberating it from a narrowly psychoanalytic reading Wordsworth embodies virtually all of the dream theory of his time thus making him the perfect object of Wilson's multiple approaches to dream activity as poetic creation Back cover [Russian Literature and the Classics](#) Peter I. Barta, David H. J. Larmour, Paul Allen Miller, 2013-12-02 Russian Literature and the Classics attempts to fill a gap To date there has been no book length systematic study of the impact of antiquity on Russian literature and culture While by no means claiming to offer a comprehensive approach the authors focus on various aspects of the influence which the Classics have had on Russian literature at particularly significant junctures the beginning of the nineteenth century the age of the great Russian realist novel the Silver Age Stalin's terror the Thaw after 1956 and the period just before the collapse of Soviet society In their introductory essay the editors offer an overview of the Classical Tradition In it they provide an insight into the contrasting ways in which that tradition manifested itself in the literatures of Western Europe and of Russia *The Homecoming (Poems & Illustrations)* Ray Bussard, 2019-01-08 In *The Homecoming Poems Illustrations* the author takes us on a epic journey through the perils of lost love despair loneliness and heartache to the healing of his wounds through love and compassion From the desire for a greater and more fulfilling kind of life the hero protagonist finally arrives in a blissful state of universal love at the golden flower strewn shores of paradise Through wonderful poems and illustrations that explore the healing power of love and of the natural world the reader comes to understand the process a person goes through in healing themselves and becoming whole Philosophical spiritual and poetic it is a story that will indelibly imprint itself on your heart and mind **The Ancient Greek Hero in 24 Hours** Gregory Nagy, 2013-02-25 The ancient Greeks concept of the hero was very different from what we understand by the term today In 24 installments based on the Harvard course Gregory Nagy has taught and refined since the 1970s *The Ancient Greek Hero in 24 Hours* explores civilization's roots in Classical literature a lineage that continues to challenge and inspire us

Epiphanies and Dreams in Greek Polytheism Michael Lipka, 2021-12-06 While modern students of Greek religion are alert to the occasion boundedness of epiphanies and divinatory dreams in Greek polytheism they are curiously indifferent to the generic parameters of the relevant textual representations on which they build their argument Instead generic questions are normally left to the literary critic who in turn is less interested in religion To evaluate the relation of epiphanies and divinatory dreams to Greek polytheism the book investigates relevant representations through all major textual genres in pagan antiquity The evidence of the investigated genres suggests that the epiphany mindedness of the Greeks postulated by most modern critics is largely an academic chimaera a late comer of Christianizing 19th century scholarship It is primarily founded on a misinterpretation of Homer's notorious anthropomorphism in the *Iliad* and *Odyssey* but also in the Homeric Hymns This anthropomorphism which is keenly absorbed by Greek drama and figural art has very little to do with the religious lifeworld experience of the ancient Greeks as it appears in other genres By contrast throughout all textual genres

investigated here divinatory dreams are represented as an ordinary and real part of the ancient Greeks lifeworld experience
