Dreams and the Growth of Personality Ernest Lawrence Rossi,1972 This third edition of a modern classic introduces a new quantum theory of self reflection beoling and the evolution of consciousness based on university research The book demonstrates how conscious involvement with one s dreams can facilitate new levels of awareness *Dreams and the Growth of Personality* Ernest Lawrence Rossi,1985 This third edition of a modern classic introduces a new quantum theory of self reflection beoling and the evolution of consciousness based on university research The book demonstrates how conscious involvement with one s dreams can facilitate new levels of awareness **Dreams, Consciousness, Spirit** Ernest Lawrence Rossi,2000 Rev ed of Dreams and the growth of personality 2nd ed c1985 National Library of Medicine Current Catalog National Library of Medicine (U.S.),1972 First multi year cumulation covers six years 1965 70 **The Human Subject in the Psychological Laboratory** I. Silverman,2013-10-22 Written for anyone who does or plans to do behavioral research this book is based on the thesis that the psychological laboratory is a special place for people brought there as subjects Accordingly subjects act in ways that bear little relationship to their behaviours in the life situations to which psychologists seek to generalize their findings An analysis is given of the motives feelings and intentions common to people who assume the role of psychological subjects The ways in which their responses confound data and lead to spurious conclusions are described **Dreams, A Portal to the Source** Edward C. Whitmont,Sylvia Brinton Perera,2013-10-28 First published in 1991 An introductory guidebook to dream interpretation which will be of interest to analysts and therapists both in practice and training and to a wider readership interested in the origins and significance of dreams This book should be of interest to dream psychology analysts therapists counsellors and the general reader **Developing Ericksonian Therapy** Jeffrey K. Zeig,Stephen R. Lankton,2013-06-20 The volume presents the proceedings of the Third International Congress on Ericksonian Approaches to Hypnosis and Psychotherapy held in Phoenix Arizona December 3 7 1986 The third Congress brought many new people to the Erickson movement Approximately 1 800 attended a striking indication of the continuing influence and growth in the therapeutic legacy of Milton H Erickson Integral Psychotherapy R. Elliott Ingersoll,David M. Zeitler,2010-08-01 Introduces integral psychotherapy to scholars practicing psychotherapists and general readers **Teach Me Dreams** Mechal Sobel,2021-04-13 One day in 1698 Robert Pyle of Pennsylvania decided to buy a black slave The next night he dreamed of a steep ladder to heaven that he felt he could not climb because he carried a black pot In the dream a man told him the ladder was the light of Jesus Christ and would bear any whose faith held strong otherwise the climber would fall Pyle woke that morning positive that he should eschew slaves and slavery having equated the pot with the slave he wished to buy In fact so acutely did this dream awaken him to his sins that he became a dynamic advocate of liberation This dream literally changed his outlook and his life Teach Me Dreams delves into the dream world of ordinary Americans and finds that as their self perception increased transforming them on a personal level so did a revolutionary spirit that wrought

momentous political changes Mechal Sobel considers dreams recorded in the life narratives of 100 people revealing the America of the Revolutionary Era to have been a truly dream infused culture in which analysis of dreams was encouraged and subsequent personal reevaluation was striking Sobel uses a wealth of information letters diaries and over 200 published autobiographies from a wide range of ordinary people black white male female In these accounts many previously neglected by historians dreamers explain how their nighttime adventures opened their eyes to aspects of themselves or unveiled new paths they should take both personally and politically Such paths often led them to challenge those in power Charting the widely dreamed of opposition between blacks and whites men and women Sobel offers astounding new insights into how early Americans understood their lives Her analysis of the dreams and lives of ordinary Revolutionary Era people demonstrates links between dreaming self reevaluation and participation in the radically changing politics of the time This book will appeal to specialists in the fields of American and African American history and anyone interested in dreams and self development
