*How can she love him?  
He doesn't take her seriously!*

Halvesville, Washington, might not be glamorous, but it's the place supermodel Greya Hanson wants to be after she collapses on a titten runway and has a near-death experience that sends her back into life with the promise of having a child.

*How can he love her?  
She's seriously offbeat!*

Dr. Ben Matthews is in Halvesville filling in for the local family physician. A man of science if ever there was one, Ben couldn't be more different from warm and sensitive Greya. No temporary receptacle.

Opposites attract? Greya and Ben certainly do. The swift attraction blossoms and love looks as if it will endure. Until Ben's brother goes missing and Greya tries to comfort Ben with what happened to her "on the other side"...
