Ward Gasque, 1977 **Three Views on the Rapture** Gleason Leonard Archer, 1996 This book explores three views on the Rapture Pre Mid and Post Tribulation The Christian and the Old Testament Walter C. Kaiser, 2019-04-24 Is the Old Testament relevant for today Yes Discover the unifying theme of the Old and New Testaments and of history in God's promise plan first given to Abraham in Genesis 12 Cross cultural workers and students of the Bible will discover valuable insights and new zeal for searching and communicating the Scriptures in this very readable book based on years of massive scholarship The Modern Preacher and the Ancient Text Sidney Greidanus, 1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles **When Time Shall Be No More** Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture Preaching Christ from Daniel Sidney Greidanus, 2012-12-19 In Preaching Christ from Daniel Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel Using the most up to date biblical scholarship Greidanus addresses foundational issues such as the date of composition the author's and original audience of the book its overall message and goal and various ways of preaching Christ from Daniel Throughout his book Greidanus puts front and center God's sovereignty providence and coming kingdom Each chapter contains building blocks for constructing expository sermons and lessons including useful information on the context themes and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more **A Commentary on Micah** Bruce K. Waltke, 2008 Learned yet accessible this is an ideal commentary on Micah for teachers pastors and students alike *The Minor Prophets* Thomas Edward McComiskey, 2009 Combining three volumes in one this affordable edition brings noted evangelical scholars together to offer an authoritative evangelical treatment of the minor prophets **Apocalyptic Fever** Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday

In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more *The New Testament* Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies

Discipleship on the Edge Darrell W. Johnson, 2004 Revelation is probably the most read but least understood book of the Bible History is replete with examples of how not to interpret it and books featuring end of world prophecy claims based on Revelation consistently top the bestseller lists But how can the message of such an enigmatic book be applied to our lives today In *Discipleship on the Edge* Darrell W Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons Paying careful attention to the original context of Revelation and the circumstances surrounding its composition Johnson shows that the book is not a crystal ball but rather a discipleship manual Thoroughly researched and yet accessible this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times Darrell W Johnson serves as Scholar in Residence at The Way Church and Canadian Church Leaders Network in Vancouver British Columbia Canada A popular conference and retreat speaker he has also served as the preaching pastor for a number of congregations in North America and the Philippines as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena California and a Teaching Fellow at Regent College His other books include *Experiencing the Trinity* and *Fifty Seven Words That Change The World*

Kaiser Jr., 2003-12-31 Biblical prophecy comprises one of the most rewarding topics of Bible study Difficulty of subject matter and unfamiliarity with the literary forms however deter many students *Back Toward the Future* removes these obstacles and invites exploration of this exciting subject The author a respected expert in the field presents an introductory guide to the issues and methods of interpreting prophetic literature The principles he formulates coupled with his mature insights will help students avoid many exegetical pitfalls Part I helps the reader to discern conditional and unconditional prophecies comprehend apocalyptic symbols and understand future

events in expressions of the past Part 2 provides specific steps for interpreting prophetic passages And Part 3 discourages Bible students from finding double meanings in prophetic statements and encourages them to embrace the author s single truth intention A Scripture index concludes Back Toward the Future Interpreting the Prophetic Word Willem A. VanGemeran,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God s purposes in redemptive history Dr Willem VanGemeran explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemeran s extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word Gospel in Paul L.
