Drebed To Kill:

Dressed to Kill Roger Leong, National Gallery of Australia, 1993 Fashion designers as opposed to mere tailors and dressmakers are a relatively recent phenomenon beginning with Charles Worth an Englishman working in Paris in the 1860s who established the first haute couture fashion house This precedent inspired later household names such as Gabrielle Chanel Christian Dior Yves St Laurent through to Rei Kawakubo Zandra Rhodes Romeo Gigli and Vivienne Westwood The work of these designers and others is represented by apparel album sketches and stencil illustrations drawn principally from the National Gallery's collection

Dressed To Kill Lynn Cahoon, 2015-06-23 A costume drama turns truly deadly in this cozy mystery set in small town California by the New York Times bestselling author As the owner of Coffee Books and More in the tucked away town of South Cove California Jill Gardner has been known to enjoy a suspenseful tale of murder as long as it's confined to the pages of a good book But now a local charity wants her to portray a twenties flapper in a dinner theater murder mystery She doesn't love the idea but going the extra mile for a good cause never killed anybody until now While everyone is expecting a dead body at the dress rehearsal they are shocked to find one of their castmates actually dead Suspicion falls on the late actor's conniving girlfriend Sherry who also happens to be the ex wife of Jill's main squeeze Sherry is definitely a master manipulator But is she a killer It's up to Jill to find out before it's curtains for someone else

A Dress to Kill For Tessa Hastjarjanto, 2024-09-30 How much are you willing to sacrifice to gain everything you ever wanted Lady Claire Rosewood lives on the fringes of society pitied by the people she used to call her friends and her husband is no longer the suave businessman he once was Frustrated with both her status and her marriage she longs for more When an opportunity presents itself that allows her not only to be part of higher society but to mingle with the elite she needs to make a choice Every rise to the top comes at a cost but is she ready to pay with blood

Dressed to Kill Charlotte Madison, 2010-04-01 My fingers close around the trigger I pause for a split second to think about the bullets I am about to spray across the ground After today I'll no longer be the new girl Captain Charlotte Madison is blonde beautiful and flies Apache helicopters for a living She has completed two tours of duty in Afghanistan and is currently fighting on the frontline in her third DRESSED TO KILL shows us what life is like for a girl in a resolutely male dominated environment But she isn't just a woman in a man's world she's a woman women aspire to be glamorous as well as brave and beating the men at their own game Only a tiny percentage of people can multi task to the extreme level the aircraft demands and most airmen who try to qualify as an Apache pilot fail Full of the exciting adrenaline filled action that has made other military memoirs so successful DRESSED TO KILL is also unique A highly intelligent and brilliant young woman Charlotte is Britain's first female Apache pilot and the first British female pilot to kill in an Apache We have quite simply never seen the landscape of 21st century frontline conflict from a perspective like hers DRESSED TO KILL will appeal to anyone interested in current affairs but it will also speak to a whole generation of young women who will relate to 27 year old Charlotte in a way they never
