Dreiser A Collection Of Critical Essays

Lauren Gardner

Dreiser A Collection Of Critical Essays:

Dreiser; a Collection of Critical Essays John Lydenberg,1971-01-01 Essays to help you understand and appreciate the works of Theodore Dreiser Dreiser: a Collection of Critical Essays Theodore Dreiser,1971 **Dreiser** Barbara Cooper,1971 **Dreiser; a Collection of Critical Essays** John Lydenberg,1971 Essays to help you understand and appreciate the works of Theodore Dreiser **Theodore Dreiser** Miriam Gogol,1995-09 Theodore Dreiser is indisputably one of America s most important twentieth century novelists An American Tragedy Sister Carrie and Jennie Gerhardt have all made an indelible mark on the American literary landscape And yet remarkably few critical books and no recent collections of critical essays have been published that attempt to answer current theoretical questions about Dreiser s entire canon This collection is the first to appear in twenty four years The ten contributing essayists offer original interpretations of Dreiser s works from such disparate points of view as new historicism poststructuralism psychoanalysis feminism film studies and canon formation A vital reassessment Theodore Dreiser Beyond Naturalism brings this influential modern writer into the 1990s by viewing him through the lens of the latest literary theory and cultural criticism *The Cambridge Companion to Theodore Dreiser* Leonard Cassuto,Clare Virginia Eby,2004-02-12 The specially commissioned essays collected in this volume establish new parameters for both scholarly and classroom discussion of Dreiser This Companion provides fresh perspectives on the frequently read classics Sister Carrie and An American Tragedy as well as on topics of perennial interest such as Dreiser s representation of the city and his prose style The volume investigates topics such as his representation of masculinity and femininity and his treatment of ethnicity It is the most comprehensive introduction to Dreiser s work available **Sixteen Modern American Authors** Jackson R. Bryer,1989 Praise for the earlier edition Students of modern American literature have for some years turned to Fifteen Modern American Authors 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies Modernism, Mass Culture and Professionalism Thomas F. Strychacz,1993-07-30 A study of four modernist writers and their relationship to their critics and era Sixteen Modern American Authors Jackson R. Bryer,1990 Praise for the earlier edition Students of modern American literature have for some years turned to Fifteen Modern American Authors 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies **The 20th Century A-GI** Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual

concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Sexualizing Power in Naturalism Irene Gammel, 1994 Presenting a revisionary reading of German Canadian and American texts such as Fanny Essler *Settlers of the Marsh* and Sister Carrie Gammel English U of Prince Edward Island attributes to naturalism a predominantly male genre the appropriation of a disruptive female sexuality not so much to liberate it from Victorian repression as to contain it within the male boundaries of naturalism Annotation copyright by Book News Inc Portland OR [The Dreiser Newsletter](#), 1981 *Critical Essays on Theodore Dreiser* Donald Pizer, 1981 Brings together reviews and essays on Dreiser by such writers as Sherwood Anderson Robert Penn Warren Ellen Moers F O Matthiessen Charles Walcutt and Richard Lehan Also includes criticism of individual works Sister Carrie Jennie Gerhardt *The Financier* *The Titan* *The Genius* *An American Tragedy* and *The Bulwark*

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

F.O. Matthiessen and the Politics of Criticism William E. Cain, 1988 F O Matthiessen remains one of America's leading twentieth century critics in part because the problems he and his contemporaries struggled with remain ours today William E Cain studies Matthiessen's career with careful attention to biographical institutional literary and political contexts He considers Matthiessen's many reviews and essays on literature and deals sympathetically but critically with Matthiessen's attitudes toward the Cold War as revealed in his memoir *From the Heart of Europe* Cain draws connections between Matthiessen's criticism and the influence of significant political movements like the Popular Front of the 1930s the Progressive Party and Henry Wallace's campaign for the presidency in 1948 Analyzing specific texts by Thoreau James

Dreiser and Melville he confronts the difficult and highly contested relationships between literary criticism and politics scholarship and the public sphere pedagogy and social activism He suggests that critics need to acknowledge the primacy of their political commitments and should proceed to teach and write accordingly This argument certain to prove a controversial one will spark extensive debate and discussion about the theory and practice of intellectual work All students and scholars of English and American literature American studies black studies and American history will welcome this original and stimulating study the first to treat Matthiessen in fully detailed social historical and political contexts

An American Tragedy Paul A. Orlov, 1998 This book's premise is that a novel's ideas about the human drama are not necessarily the same as those its author consciously holds meaning that a close reading of Theodore Dreiser's artistic portrayal of modern America in *An American Tragedy* reveals the idea that he transcends the empirical premises of his presumed naturalistic thought to affirm the reality of the self and the importance of selfhood Based on this crucial premise and intensive analysis of the novel's text Professor Orlov's study develops an argument offering many original views of the Tragedy's meanings and artistry There is new light here on the fact that Dreiser sees the subversion of the idea of self in a highly materialistic society as the heart of his characters' tragic experiences Ultimately then this study suggests that *An American Tragedy* is an antinaturalistic statement about the self's intrinsic importance

Magill's Bibliography of Literary Criticism Frank Northen Magill, Stephen L. Hanson, Patricia King Hanson, 1979 [Selected Magazine Articles of Theodore Dreiser](#) Theodore Dreiser, 1985 This collection of Dreiser's early periodical writings covers his articles on American literary figures art and music criticism the American landscape and science technology and industry and his writings about the changing social conditions in American cities that he later drew on in his naturalistic novels

Pagan Dreiser Shawn St. Jean, 2001 Table of Contents

Transition Phase of the American Society in An American Tragedy: A Naturalistic Approach Guneshwor Ojha, 2015-05-29 In his masterpiece *An American Tragedy* the naturalist writer Theodore Dreiser depicts different pains of American society as it was stepping into the modern age The youths from the lower rung of the society detested the traditional norms and values and sought ways of transformation in the job market and opportunities brought about by industrialization However their dreams ambitions and efforts to ascend the social ladder ended up in a tragedy Dreiser the pioneer of naturalism in the American literary arena effectively depicts such phenomena through the life of his protagonist Clyde Brought up in a strict religious family characterized by abject poverty Clyde struggles to overcome the life of deprivation However he does not possess the mental ability and skills to overcome the difficulties of life and succumbs to vicious circle of circumstances Whereas realism portrays events and incidents of a society in a realistic manner naturalists go beyond realism to come up with the causes and explanations behind a real event By relying on psychology chemism mechanism and social forces Dreiser portrays how human life is devoid of free will Dreiser effectively shows that lack of education religiously stringent home environment and pangs of poverty throughout his childhood had charted out a

gloomy fate for Clyde who heads towards the death bed and is executed at the prime of youth In his works Dreiser often uses animal metaphors and similes to effect his point that human beings are no different from animals for their lack of free will and are prey to circumstances Though at the face value the school of naturalism seems gloomy dark and negative it does offer optimism and hope Naturalists believe on evolution and hence human beings can improve themselves and can learn to overcome beastly nature In the due process of evolution they can learn to live by reason instead of being ruled by instincts Thus human beings have the potential to achieve a similar ideal world as envisioned by spiritualism Works inspired by naturalism also impart a guiding lesson to the society that the society and its stake holders are responsible for existing social ills evils In the case of the tragic hero it was the social structure that denied access to education and better opportunities for poor youths to embrace a good life

The book delves into Dreiser A Collection Of Critical Essays. Dreiser A Collection Of Critical Essays is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Dreiser A Collection Of Critical Essays, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Dreiser A Collection Of Critical Essays
 - Chapter 2: Essential Elements of Dreiser A Collection Of Critical Essays
 - Chapter 3: Dreiser A Collection Of Critical Essays in Everyday Life
 - Chapter 4: Dreiser A Collection Of Critical Essays in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Dreiser A Collection Of Critical Essays. This chapter will explore what Dreiser A Collection Of Critical Essays is, why Dreiser A Collection Of Critical Essays is vital, and how to effectively learn about Dreiser A Collection Of Critical Essays.
3. In chapter 2, the author will delve into the foundational concepts of Dreiser A Collection Of Critical Essays. This chapter will elucidate the essential principles that must be understood to grasp Dreiser A Collection Of Critical Essays in its entirety.
4. In chapter 3, this book will examine the practical applications of Dreiser A Collection Of Critical Essays in daily life. The third chapter will showcase real-world examples of how Dreiser A Collection Of Critical Essays can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Dreiser A Collection Of Critical Essays in specific contexts. The fourth chapter will explore how Dreiser A Collection Of Critical Essays is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Dreiser A Collection Of Critical Essays. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Dreiser A Collection Of Critical Essays.
