**169 Pages of My Life** Taylor Goetz, 2011-08-12 My name is Taylor and I wrote this book with the intent that it might help people understand the consequences of doing wrong Though it may sound that I am glorifying the things I did if I had the chance to change my life I would have Though I love where my life is today there were times I wished I weren't alive It took a lot more than what can be imagined to get over the life style I was living I am proof that a bad kid can turn themselves around If you think that in the end of this book that I haven't then you are wrong and can look forward to reading my next book The most important thing I was trying to get across is that every little thing in life including people can be very deceiving and to stick only to what you believe in and nothing else In the end nothing and I mean nothing will matter except that your heart be in the right place
