Falling for You Again Catherine Palmer,Gary Chapman,2011-04-21 Charlie and Esther Moore have been married nearly fifty years when the contented life they ve built together begins to crumble Esther has been forgetful recently but it s rarely a problem until the day she puts her car in drive instead of reverse flying off the end of the carport and into the backyard Esther s accident and declining health shatter their reverie and the couple must come to terms with all the paths their lives have not taken if they ever hope to pull their marriage out of winter As always the quirky characters of Deepwater Cove will pop in and out of the story and delight readers This is the third book in a new fiction series from best selling authors Gary Chapman and Catherine Palmer based on the marriage principles found in Gary Chapman s nonfiction book The Four Seasons of Marriage Each book includes a study guide that talks about the four seasons of marriage and the healing strategies depicted in that particular storyline

Falling Dawn Davis,2017-11 A worthy follow up to her 2015 debut Falling whisks us back to the summer of

1813 and the brief American occupation of Queenston where it explores the events leading up to Laura Secord's historic walk of June 21. In this prequel to *The Tree of Life*, Leo Becker has only recently moved into the Rose Park mansion at the invitation of his cousin Dilys. He knows nothing, however, of the strange working of the Tower Room, but that is about to change. His daughter Francine, a whip-smart Toronto lawyer, is pregnant, and pregnancy has done nothing to soften the naturally jagged edges of her personality. When she is hospitalized over concerns with her blood pressure, it appears likely that Francine, incensed over her forced incarceration, will soon be dragging the entire hospital into court. And then there is the strange in utero behaviour of the baby. Leo is beside himself with worry, and Dilys deems the situation ripe for his initiation into the mysteries of the Tower Room. With a nourishing soup for Francine simmering in the kitchen, Dilys takes Leo upstairs for a talk and a cup of tea. What happens next is the last thing Leo expects.

A Home from the Woods Michael Antoniak, 2002-09-22

If you've ever dreamt of building your own log cabin or wondered if or how it could be done, you'll find the answers and inspiration here. Half personal narrative, half how-to, *A Home From The Woods* details the methods used for four different log cabin projects: Uncovering and Restoring A Standing Cabin, A Hand-hewn Cabin Building with Rounded Logs, and Taking Down and Recreating An Original Log Cabin. That straightforward advice is countered with a first-person narrative as the author relates his young family's experiences and misadventures completing these projects. With little finances and less know-how, but plenty of determination and a little creativity, they proved again and again that if you long for that idyllic cabin of earth and wood, it can be achieved. And even if you'll never set first foot in the forest, you'll be entertained reading what some people will put themselves through for the simple life in the country.

ColossianNotes Greg Hinnant, 2024-05-18

Bible teacher and author Greg Hinnant is noted for his passionate and precise handling of the Scriptures. In *ColossianNotes*, as in his other Bible commentaries, he meticulously brings to light the layers of eternal truth found in Paul's letter to the Christians at Colosse. Many of the apostle's themes are of critical importance today. Paul deeply loved the Colossians and implored them to stand fast against the encroachment of prevailing heresies that threatened the purity of their faith. He urged them to focus on the preeminence of Christ and above all worldly issues, hold the hope of heaven in their hearts and minds. An excellent companion to the biblical text, this commentary will not only broaden your understanding of Paul's epistle but also reveal its surprising relevance to Christians' lives today. Pastors, teachers, and students will find this a very valuable and useful resource.

He Swept Me off My Feet ... and Dropped Me on My Head Christy Jacobs, 2013-10-30 After a painful divorce, Christy Jacobs decided to escape it all by taking a trip to Maui with some girlfriends. The thought of meeting someone special was the furthest thing from her mind. But destiny had other plans. On their first night out, The Guy approached Christy in a bar and invited her to be his date to his best friend's wedding the following day. She reluctantly accepted the date and very soon found herself being swept off her feet by this mana man whom she'd just met but felt like she'd known forever. He was truly her soulmate. But when the relationship ran off course, Christy quickly learned that soulmates are meant to teach you, not

complete you The relationship continued off and on for many years neither of them able to get over the other Desperately seeking answers as to why she couldn't shake him Christy began consulting psychics healers astrologers and her quirky therapist all leading her on a personal journey of self improvement self love and eventually spiritual awakening **The Art of Falling in Love** Joe Beam, 2012-02-07 Marriage expert Joe Beam shares a four step fail proof process for falling in love staying in love and renewing lost love The Book of Love This is a book about love how to fall in love stay in love and renew lost love The Art of Falling in Love is the culmination of years of research by marriage and love expert Joe Beam In these pages Beam reveals a tried and true process for finding genuine lasting love In fact this process or LovePath consists of four concrete steps that anyone can follow Those who walk this path will fall in love whether they intend to or not and those who stray from it won't find true love no matter how hard they try This book describes in a way you won't find anywhere else what love is how to find it how to keep from losing it and how to get it back if you've already lost it Insightful revealing and practical yet full of gentle humor this book leads you through the process that will keep you in love for the rest of your life
