Written in Blood Part 1 Christopher A. Bowman,2012-03-23 As I lie there in my bed with those visions of what I have seen over and over in my dreams it shakes me from sleep The names the faces the details they were so vivid and familiar It s as if I was there or had been there before She was calling my name from the shadows Just beckoning me into a surreal world of utter fear and danger But the more and more I fought the temptation the more I had the urge to give in I had a longing of that unfamiliar but somehow familiar voice The voice of beauty The voice of an angel I have never seen her face until now I know that this may sound like I am crazy or am living in a fantasy world but wow That was yesterday well late last night It had to be because the moon was full and it was a clear sky Tonight my story begins and the questions you have burning in the recesses of your mind will be answered **Fiction in French - Fiction in Soviet** British Library,2013-02-07 No
