A Coat of Many Colors Gregory Freidin, 2010-05-13 Freidin writes just the kind of criticism Mandelstam wrote and which he would have loved grounded in careful reading but never timid quirky but never merely eccentric the product of a mind and sensibility keenly alive to the times both historical and critical Nothing I have read on Mandelstam has so provoked my own thinking as has Freidin's work It is stimulating in every sense of the word and will move the study of Mandelstam off the point at which it has been stuck for far too long John E Malmstad Harvard University Combining as it does sensitive close readings of the Mandelstam texts with an uncommonly wide range of literary and sociocultural reference A Coat of Many Colors is a welcome and significant addition to the body of scholarship bearing on one of our century's finest poets Victor Erlich Yale University      **Poetry Criticism**, 1996 Presents literary criticism on the works of poets of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers broadsheets pamphlets and scholarly papers      **Mandelstam the Reader** Nancy Pollak, 1995 Such an approach flows naturally from Pollak's fundamental insight that the key to Mandelstam's work is his name the irreducible kernel of his identity as a Russian as a Jew and as a modernist      **Poetry Criticism Cumulative Title Index 05**, 2005-05
