Mental Retardation and Mental Health Jack A. Stark, Frank J. Menolascino, Michael H. Albarelli, Vincent C. Gray, 2012-12-06 In late 1985 The President's Committee on Mental Retardation PCMR sponsored a National Strategy Conference on Mental Retardation and Mental Health in Washington D C The purpose of this conference was to bring together our nation's leadership in the fields of mental retardation and mental health in order to delineate the state of the art relative to the diagnosis care and treatment of citizens with mental retardation mental illness as well as to chart a national course for the support and integration of citizens with these challenging needs into the confluence of family and community life The President's Committee on Mental Retardation recognized that citizens with these needs constitute one of the most underserved and at times forgotten segments of the population With this in mind the PCMR called together government mental professional and parental representatives from across the nation to define the nature and extent of the problem programs and services that promise hope for substantive improvement in the quality of life of citizens with mental retardation mental illness

Dictionary of Mental Handicap Mary P. Lindsey, 2002-03-11 Over recent years the policy of isolating and institutionalizing mentally handicapped people has gradually been dismantled and a major shift to community care has taken place But integration within the general community and access to special services has greatly increased the number of people with a need to know about mental handicap Each profession or discipline has its own terminology nowadays one must be conversant with all of them In this comprehensive dictionary Mary Lindsey has brought together terms and concepts from a wide variety of fields Approximately 2 400 entries are included ranging in length from concise explanations to encyclopaedic essays but always expressed in clear simple language Where appropriate suggestions for further reading are made and possible sources of further information given An extensive system of cross references leads the interested reader further and makes valuable connections between entries The medical aspects of mental handicap its causes prognoses and treatments are of course covered in detail But although the cause of mental handicap may be medical subsequent interventions may be sociological psychological educational medical paramedical or psychiatric This is reflected in the choice of entries making the Dictionary an invaluable source of reference for all those involved with mentally handicapped people in any capacity whatsoever
